Program 2016

Bookmark Contest for Autism Awareness

We are having a bookmark contest with the “autism awareness” theme. All elementary schools in New Jersey will be invited to participate. We are asking students in grades K-5 to have fun and get creative to create a bookmark for autism awareness month!

Here is how it works:

- Create your design on the blank bookmark on the back page (you may want to try on another piece of paper first).
- The artwork must be the original work of the student, whether computer generated or hand drawn.
- Use lots of color... we love color!
- Return your bookmark to Chrissy Hoffman, choffman@autismnj.org

All entries must be returned by **May 15, 2016**.

The winner will have his/her bookmark printed by Autism New Jersey and included in all of their 2017 Autism Awareness kits and materials! The school the winning student attends will also receive recognition during Autism Awareness Month on Autism New Jersey’s website and in their 2017 Autism Awareness Ambassador kits!

Good luck and have fun!
