ABOUT AUTUMN

Autumn Letendre is the founder and CEO of The Golden Star USA. Autumn's love for country and for the U.S. military led her to establish The Golden Star USA Foundation which will provide military marriage retreats for our active duty and honorably discharged troops and their dependents.

A military widow, Autumn lives in the Greater Indianapolis Area with her young son, Dillon. On May 3, 2006, Autumn was informed that her husband and Dillon's father, Captain Brian Letendre, had been killed in Al Anbar Province Iraq.

With dignity, respect and honor for his life; Autumn followed Brian's wishes and carried on with pride. Her husband and family made the ultimate sacrifice for freedom. Autumn and Brian's story of love for their family and country has been featured in books, newspapers, magazines and online. Her emotional and motivational speaking and singing engagements have touched numerous groups across the country.

As the creator, producer and performer of the inspirational song "Raise Your Flag," Autumn has a tremendous sense of pride for our troops and believes there is not better symbol of freedom and patriotism than the American Flag. An extensive line of products are in development that will showcase love of country and inspire you to "Raise Your Flag."

OUR MISSION

The Golden Star USA Foundation is a non-profit organization whose mission is to provide marriage retreats for our active duty and honorably discharged troops and their dependents.

Offered year-round, the marriage and counseling services help military couples and their children with the personal and professional challenges they face during deployment and upon their return home.

It is our belief that a strong marriage combined with a supportive family strengthens those who fight for our freedom.
