## HARD NEWS

**R:** a wild week – lots of fiascos with the last remnants of the ancient ancient families

- On Tuesday, Rama talked to **Tom the Cat, Larry, Curly & Mo**
  - Putin is a contactee of the Andromedans; he's being urged to get out the truth about the Bush Clinton Crime Family, the Khazars of Isreal and the Saudis of Saudi Arabia about how they all, from the inside, together with the US State Dep't and the Clintons and the Bushes, did 9/11
- In spite of the stories about the US and Nato [NATO IS the US!!]

Tell the story of NATO's formation: the daughter of King Faisal turned over hundreds of thousands of her inheritance money in order to get out of the witness protection program she and her mother were in in Switzerland after the house of Fahad murdered her father

  - in 1920, this murder ended the Ottoman empire in Turkey: she was the heir to the throne of that family which was part of the Ottoman Empire / Persia – so the last remnants of ancient Persian dissolved with that story
  - She used her millions as a bargaining chip to get her out of the program and to come to the US; the money was used to start NATO; for 5 years, she represented Turkey as the UN ambassador, then she was free – THIS CHANGED EVERYTHING.
  - Turkey trying to get into the EU now; made a murderous deal with Angela Merkel
    - all the people going to Europe are **refugees** – yet they are **being called migrants** which means countries have the authority to turn them back [as they cannot do with refugees] and being taken back to Turkey; many of the Syrian refugees are Syrian Kurds and Erdogan is killing them in droves!
  - **NATO / US** – Nato is holding a summit on July 8, 9<sup>th</sup> in Warsaw, Poland
    - This is another part of the story: After the fall of the Berlin Wall, there was a deal that not one inch further would NATO go towards Russia – yet they are now in TOTAL VIOLATION & are in the Balkans, Latvia, Estonia, Lithuania, Belarus, Poland and they want to be in Ukraine
    - the Black Ops are involved, so is Poroshenko who is a traitor and a half!
    - They cut off all the news about this story on RT tv 3-4 days ago; an exchange has been agreed upon between Russia and Ukraine; a Ukrainian woman is being sent back to Ukraine in exchange for 2 Russian hostages in Ukrainian prisons - they **want to use the platform of Warsaw summit to call for the entire Western world to advance on Russia**
  - **This is all intentional:** they got rid of the Persian energy in Turkey; the traitor Erdogan has been killing his own people consistently, and forcibly incarcerating journalists & calling for their execution if they say anything against him; now he is taking refugees back, calling them migrants and killing the Kurds when they get into Turkey
    - THERE IS BLOOD IN THE WATER, AND THE DINARS AND DONGS ARE IN WITH THAT SAME BLOOD: YOU CANNOT SERVE 2 MASTERS – if you think you can take money from that pool, you are taking it from that same pool of blood
- Hillary started this: she used NATO to go after the people of Libya and has used influence as the heir of the Du Pont family and as an heir to Hitler's descendancy, as his granddaughter - in collaboration with Angela Merkel, Hitler's daughter with Eva Braun
  - this is a deal that is also going on: Trump and Hillary to try and steal the seat of power on the Planet when they have both been involved in human trafficking for 20 years
  - Putin has said there will be no nukes, no war; Ashtar has said exactly the same thing

From **Tom, Larry, Curly & Mo**:

**Ashtar and St Germain** have said that there there will be **no nukes and no war**

- Remember what Ashtar has told us all as Commanders, Eagles and Angels, World Bridgers
  - If they attempt to push the river, all the Ashtar Command show up and the dark ones' electronics will go completely off line.
  - the controlled media continue to try and show a stiff upper lip in spite of the fact that they are losing trillions of dollars every single day due to Anonymous & other friendly hacking groups working for St Germain. Reports that say all is back in order after last week's on line shut down of the 20 central banks – Bank of England, Central Bank of France, Boston's Federal central bank and others: **these are all lies**
- Their lies will soon cease as people across the world watch arrests on screen due to high economic treason, war crimes and crimes against humanity – **NO DATES.**

They also said: **49 volcanoes going off** at the same time in the Pacific Rim of Fire

- this is a healing release for Earth as she is responding to Nibiru's influence, due to the orbit around the sun.
- Ashtar's star ships are helping to clear our the atmosphere of the mercury poisoning from the volcanic ash - and there are tons of mercury in the air
  - there are 1000s of volcanoes in the Rim of Fire which release lots of mercury

Additional **substances to help the physical body** through this release

- an ancient indigenous natural herb called shiaqqa
- the right kind of fulvic acid from heavy vegetation, not from rock
- nascent iodine: the atomic sized iodine from the Edgar Cayce institute [atomidine] –
- A few helpful substances to clear ourselves of any and all harmful effects of mercury, chemtrails, fossil fuels, CO2 methane gas emissions

**Full Disclosure:** Wingmaker starships continue to flow in from the portal in our sun – they are surrounding our sun Sol and Mother Tita Lacoria, continuously lifting us up

- Good vibrations are immersing us - call on the angels, the gnomes, the crystalline devas – and all the other beings - all are at our service – resistance is indeed futile!
- BE POSITIVE; BE IN JOY; CALL IN HUMMINGBIRD MEDICINE #44
- Barack is #44 president – surround him with the Circle of Love and protection, too
- Maitraya on the golden hearted ray of love wisdom all surrounded in the pink ray of lord Chamuel

**Murder of Vince Foster** being brought up by Trump – That she murdered him has been proven – they've heard the evidence ; that is why her execution was ordered by Obama plus the 10,000 bankers in 2008;

- Kathleen Williams' husband was also killed by the Clintons: the long list of murders and other crimes by Bill and Hillary will come out now

**King of Egypt called:** His news is as follows:

- he said a year ago that there would people who want to leave the EU: now happening
  - NOW BREXIT is raising the hair on everyone: if England pulls out, the Euro goes down –
  - Italy, Portugal, Spain also talking about pulling out – EU goes down, the US goes down, the world goes down.
- KOS, Dodi, Di, their children, Naday - all in Wesak valley – going to stay there now
  - all have Keshe off grid technology, spherical structures, access to everything via encrypted technology - over 1000 refugees from many countries living with them now

- The **change happening right now**: censored, covered up disinformation is now coming out, especially about 9/11 & the octopus of the 13 families and their minions
  - She Who Was Here Before the Gods Were Here comes now cutting off the head of the octopus, the arms and the legs, and sending it all back to the Void from whence it came
  - we will begin to see **top heads of these families being taken out by their own people**
  - Also, good people working for the queen inside Buckingham Palace will get their orders from the White Knights, Faction 3, the Forces of Light within the Office of the Christ: with this help, they will arrest the fake queen and her royals as imposters, for high treason.
  - The backup being members of the Ashtar Command as Sovereign Galactic World Militia Forces, they will put force fields around the arrestees so the arrests will be orderly and successful –
  - NO DATES but we are already in the lead up to such operations taking place
  - The Buckingham Palace scenario is a “for instance” [of how the operation will be carried out], yet as we get to such stories, we won't be watching regular news – all changes, with the major network controllers being forced off line as Anonymous forced the central banks off line last week. All of a sudden the transmissions will change with those making the announcements – will be hearing a member of the Ashtar Command just as the message of Commander Vrylon took over the BBC news in 1977 Prime Time.

**KOE:** have to go, Lord Rama: we are in the great unravelling! Namaste!

**Sam Seder: a Faction 3 White Knight and a half!**

- recent mass photos of the north pole and the south pole openings [item not completed]

**Commander Randy:** asking about the fact that no filming can be done at Fort McMurray without permission – what are they hiding? If news people have to sign an NDA and the federal gov't must approve the videos before they are released, what's happening?

**T,R:** has to do with the oil – they are cracking down on journalists and even citizen journalists

- the fire is bigger than Rhode Island plus another ½ of it;
- thousands of structures are gone; it's an anomaly because they've been up in the 80s and 90s for a couple of months
- T does not trust what is going on – they are very naughty.

**Guest: Michael King**

**Gardens are on his mind**

- Went into the mountain, took his chain saw to cut up the trees which were blocking the road
- Found a big tree with mycelia in it – had weakened the tree which then fell over.
  - Took some home to try using it - huge culture: utilizing wood, branches, leafy matter, soil and inoculating it with mycelium culture.
  - HE PROVIDES MORE DETAILED EXPLANATION.

The **advantage of mycelia in the soil** – brings nutrients and water to the root system of plants through its root system. Ploughing disrupts that operating mycelium web system.  
Refers to Paul Stametz' work –  
[go to Youtube and google Paul Stametz for more understanding ]]

**Permies.com** – about **permaculture** which is looking to establish plants that self-seed and the plants stay there – one level below bio-dynamic agriculture started by Rudolph Steiner.

**Three agricultural products:** these are ways to enhance the garden

Liquid Gold – sort of like compost tea

Silica Rich

beginning of worms: red wigglers and their eggs

- the one thing that works consistently – Liquid gold and compost teas

**talks about the quality of water – city water with chemicals in it does not help a garden:**

- Richard Schaumberger made popular the idea of spinning water to enhance it.
- When the water is spun, it can be super charged by using the copper spirals of the british company he talked about – the water is imploded
- Company has a variety of spirals – for the home, for agriculture, for personal use -
- the spiral of the copper works like an antenna: brings in the energy of the earth

**Michael's website: VitalityHerbsandClay.com**

- Look for **farm and garden section** – can see pictures from his former gardens
- Last year had 1,000 sf – and over 1000 lbs of produce
- He is not versed in astrology – yet Josephine Porter Institute is a place to get Maria Thun's calendar – also have biodynamic preparations, including the newsletters
  - Micheal is learning about biodynamics and this year, he is doing an experiment: 5 tomato plants of the same species within each of the 5 different zones of activity: root, leaf, fruit, null zone; and one other
- His only question: they have a 20 – 22\* change between magnetic north and true north: north is not longer north as per the indigenous people
  - If you follow their approach, productivity is increased by about 30%

**MR:** what she uses on her compost – tomorrow is a good day to plant root crops as per the sign in the calendar / astrological sign – **The BioDynamic Calendar by Maria Thun**  
• **Her work is being continued by her son**

**MK:** has built raised beds, layered with straw and various kinds of animal manure –

- worms love the straw
- the only place where the soil was stressed was where there was bark.
- He uses straw and alfalfa as a mulch
  - Going to run straw bales and add ???

- Something else: use human urine – the highest known source of nitrogen and make it up 1: 10 - it will break down the bales,
  - when the produce comes from this, it is nutritionally structured to meet the specific requirements of your family needs.
- If you utilize the structured water technique: chemicals etc in the soil will be reversed – excessive aluminum and barium – and also the little balls that come in the soil of
  - this will help to transform the chemical influences and the polluted water sources
- The structured water works well in the body
  - how to structure it without buying a device: put a tablespoon of and a tbs of in a quart of water: shake it up and swirl it – the structure from the sacred clay, for the swirling
  - or buy a device – Clayton Nolte has a device for the garden
- Have 5 gallon buckets of city water – throw in some silica rich, granulated sacred clay – sucks up the chemicals and structures the water – use that water to water the plants

**MR:** Richard Schaumberger – a brilliant man/mind – observed what was happening in the natural world and translated it into practical things

**MK:** a complicated read is Richard S – it's the opposite approach to explosion technologies which are very wasteful. The implosion approach, harnessed properly, can be self-perpetuating.

**MR:** describes Michael's website and the information on it.

**Michael's website:** [VitalityHerbsandClay.com](http://VitalityHerbsandClay.com)

- Julia does more general readings; Michael does medical intuitive work for more challenging issues
- describes the articles:
  - the truth about building physical health- a very important read.

Call Julie for basic information on a wide range of questions – **541-482-9633;**

**Toll free: 888-325-1475**

- For a consultation: the call is recorded and the client gets a recording after.

**MR:** is the bark detrimental in nature?

**MK:** bark that is sold has been separated from its leaf matter as it comes from lumber mills

- the leaves help to restore nutrients to the soil + alfalfa+ manure is good
- the mycillea also help
