HARD NEWS

R: there are so many different to this falling into place: the energies are getting better & better & better

- Mother's children losing it more and more
- Gas is \$1.47 in Santa Fe – this does not look good for those who want to put a blogger in jail for 10 years and 1000 lashes at 50 x per week. When we still have countries doing such barbaric acts
- **Tom the Cat** said there is a sudden moment: miracles abound whether you believe it or not – sooner or later, Saudi Arabia's funds from America will be cut. He also heard in a closed door committee meeting with E. Warren: about cutting all diplomatic ties with Saudi Arabia which will really create some waves: no dates

- This is one of the stories as Saudi Arabia is funding ISIL & terrorist groups, along with Israel, US via John McCain 26 minues
- Overall the tide has turned: the people have said we want balance and love and are fed up with war.

T: Reference to an article showing the contrast between the time in the 80s in Iran and 2012 – people wearing standard clothes in the early 80s and now when all the women are wearing burkas or hijabs. Afghanistan back in the 70s in western garb, in 2011 can't see even their eyes, in 1959 Egypt are wearing western garb; now it is much more traditional

- this must have been pre-meditated by the elites to try and cause a conflict. Netherlands in the 80s no one was wearing those kinds of things; now it's all over the place!!!
 - Has to do with [Carlin's 2008 video] declaring war on brown people and black people.

Phillipines: Pope talked of poverty and corruption

Saudi Arabia: 10 years in prison + the flogging + \$250, 000 for the young blogger: “insulting Islam”

North Carolina: the Ku Klux Klan is larger in North Carolina than in any other state! Put the whole state in the Circle of Support!

Conference Call

C1: freezing cold in her area

- In 1959, Dalai Llama eescaped from Tibet – the Chinese were totally slaughtering the people; they wanted to destroy the teachings. In Santa Fe, a Tibetan teaching centre and a Stupa
- Carlos McKay – a Native American elder of the Dene people: talked of the existence of emergence places on the planet, and the breathing holes – how the Dene, the Apache and Hopi people came from the Pleiades and a number of other stars
 - He talked of coming out of the breathing holes / emergence places of Mother Earth after the Atlantis time.
 - He talked of the sacredness of his flute music and R talked of who he has played with.
 - Talked that right now there is such a disrespect: what the Republicans have done in this nation –

Jim Crow has become James Crow Esq, and such disrespect for the president and the family in the White House; how every day this family has to deal with death threats and the constant barrage from the Repubs against all Obama has done:

- he has had to play such a role and be neutral – he has more patience than a lot of us!

T: Rama was challenged in the past and is still breathing: he passed his test.

C1: do the negotiations going on involve people from earth and from the galaxy?

- Yes: we are not being told that Barbara Lee and others who are involved

C1: And there are Republicans going against their own party!

- E. Warren, Sherrod Brown, Bernie Sanders, Barbara Boxer, Alan Grayson

- John Lewis is so enraged against Darryl Issa:

- People talking behind the scenes make things up, exaggerate as they do with Obama

- Eric Holder is seeking the death penalty for the kid in the Boston Bombings – the Tsarenov brothers DID NOT DO IT: Navy Seal Team 3 did it. Connecticut has already banned the death penalty

- And in Boston, only pro-death penalty people will be chosen to sit on the case!

- Social Security is planned to be cut by 20% - so up against the edge what they are attempting to push

- Thom Hartmann called it murder as they cut disability payments: the people receiving those payments need the money to survive!

- Tells C1 we are so much closer to the change than we think!

C1: asks Rama if he remembers about past life experiences

- Yes he remembers: was a dr in England trying to solve the case of Jack the Ripper: the queen's grandson was possessed by Lucifer and he was the one who killed the women! Scotland Yard will not talk about it – it's a lie about not knowing who did it.
- The guy involved in the Aurora incident: his whole mind has been erased: does not remember anything.
 - His family is connected to other members of folks who know about the financial fiascos going on in New York and exposing Jamie Dimon, Goldman Sachs, etc, the ganster banksters who joined together to take America down

C2: gas in Alberta has gone from 69 cents / litre to 78 cents / litre over night.

C1: does not drive – but gas is \$2.00 / gallon or 2.35 – low in comparison: higher in the bigger towns, cities

C3: \$1.99 in Atlanta

C4: \$1.85 in Virginia

C3: thanks to the prayers, her mother is doing so much better from Monday to Tuesday/Wed;

- today she was in rehab, is responding, doing well – been over a week with pneumonia.

- She is 99 and want to make April 8th when she'll be 100.

T: Easter Sunday is April 5th; caller's sister birthday on Ap 4 which is a lunar eclipse and Passover – lots of energy

C4: asking for info on the Passover and crucifixion – is there a connection?

T: the absolute truth is that Jesus did not die by crucifixion or at all; it was his brother who stood in for him and he did not die, either.

C4: confusing because of the channelings say that he died on the cross!

T: crucifixion – he was crucified for the heresy he was said to be responsible for

- At the Nicean Council, it was made a heresy to follow the teachings of Jesus – today, he would be called a loud-mouthed activist! The church overstates the “turn the other cheek stuff”: he got in peoples' faces

C5: read a book by Sylvia Browne – **The Mystical Life of Jesus:** had a lot of what T said in the book, and Browne also took material from books that had been banned by the church.

T: talked of seeing books about the mystical aspects of Jesus' teachings in the 60s when they were given to the students to access and read; also had access to lots of books like Madam Blavatsky, Alice Bailey – in a Catholic high school!

C3: It depends – she was a nun, and read all those kinds of books

T: having those kinds of books in a convent is much different than having them in a Catholic high school.

- Latin is a high vibration – like Sanskrit is to and hieroglyphics to Egyptian
- the disgusting thing going on in the Middle East is a whole operation to create civilizations
- the Black Ops have ruined ????
- 5 million women raped in
- Omena said people are unconscious: as she restated it she said they have no conscience – this was a confirmation of all that T & R have been teaching
- there are **80 billion planets like Earth in the Universe of Nebadon** – with Mother, we co-created the Universe, as well as our human bodies;
 - those without love & only 11 DNA strands – their karma is great, an excruciating pain and it angers them that we have emotion and they don't: they messed with the blueprint – keep sending them love.
- Omena confirmed that this is real and that Earth Mother has the final word now: she has had enough with what the beings without conscience and love have done; her wishes take priority over what the people on the earth [the dark ones] are doing.
- Mother said she would extend by 2- 2½ years so as many people as possible could make a decision about not serving 2 masters: Omena said if you do not grow, you go!
- Mother Earth has reached her limit in terms of what she will put up with!
- Hair raising that when we hear of a huge cloud of methane gas the size of Delaware over the US that is 11x more lethal than carbon dioxide; it is not stagnant but growing exponentially over the country.
 - **This can be transmuted** by being the alchemists – trillions of souls have had innumerable experiences which have accessed the ray of the body of wisdom that each of the Masters have been responsible for.
 - **We need to comprehend that we do know**

Tommy: re the emotions and what makes us unique: we have emotions and can feel, and we need the emotional highs and lows to live in the polarity; as we move up the ladder of being humans, people have been so desensitized and divided, yet they feel the horror etc of all that is going on – though they will say too bad for them

T: this has come to a point where it is not so easy to show

- Talks of the man Raif whose wife and children are in asylum in Montreal; they are writing letters in Arabic to Saudi Arabia for their father
- the Sect called Wahabism – what is going on when you see pictures from the Middle East during the 60s – 80s and all in western clothes, and now both men and women are in different clothes.
- Amnesty International is getting after Saudi Arabia for what they are doing: people are getting it that we don't need to see this kind of thing

- Denmark: 36% of their energy is renewable; aiming for 51% by 2030
 - We can turn on the Atlantean grid to take the next step – Nessus is going to be here until 2023
 - why are we expending so much money to put up the windmills which are killing birds and bats in huge numbers – the Atlanteans did not use them!

Tommy: when the 50,000 patents are released, we can drop what is harmful

- Going back to emotion: the illuminati are using our emotion against us – they have to scare us to get us to say yes to something that we would not normally agree to. We do care, love, feel, and are sensitive to the hurt and suffering – which is what the ads are doing on radio and TV.

T: a lot of things coming out that say this is a Black Ops – this is coming out too.

At the Paris Rally with 3.7 million people saying “we are not afraid”

Tommy: he understands that, but goes back to what is being said: do not move, do not breathe, do not blink or you will be attacked!

T: yet we are at the place now where Mother says those who cannot get over FEAR are being moved to another place

Audio: Radiant Rose – AA Zadkiel

Published on 17 Apr 2014

"There is another Path to embrace after your Awakening, and one that if you choose, can lift and raise you up and out of the limitation of human strife, raising you into the highest vibration of Light & Love, a path of Higher Consciousness ..it is called "The Path of Becoming your True Self" on Earth, also known as "The Path of Resurrection". As you embrace this path, a great raising & expanding activity unfolds within your mind and your feelings, your consciousness, and ultimately your physical garments. You are awake, your Life calls upon you to rise now & become on Earth your True Glorious Self 'I AM' individualized of Mother/Father God.

It is a path in which there begins to be experienced by you the second birth, lightning flashes of sudden Light within your mind, great outpourings of Love within your being, all that prepares you in the centre of your consciousness to enter into The Secret Heart of your God Nature, and to pass through 'The Door of Everything' where you will drink of the Waters of Life, the greatest Love of all, The Mother's Love, the Love of the Heavenly Mother that individualizes as your Soul. When that Love begins to express through you it will reveal its Presence and it will nurture and fulfill all that your mind dares to conceive. Your Soul is the Sacred Womb of The Divine Mother of our Universe, Individualized, just as the Christ is the Individualized Mind of The Father."

<https://www.youtube.com/watch?v=8bdSEC1NQZk>

T: AA Zadkiel does not mince his words! There seems to be a small group of people who are awakened but are camouflaged; there are more in other countries that are not camouflaged and where the elders teach the younger as to how it is. This piece is missing in western culture.

- Praise, respect, thank and love all that we are – the most powerful love there is

Mother Sekhmet:

Greetings in the Light of the Most Radiant one; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

Alcyone and Sekhmet [A/ M]

- The energies indeed are hot! It is about the small group of life forms: like the AA just said: shattered and consumed: No more power in this realm!
 - The next moment, here, now, we have our freedom; it is about taking our power back and not allowing the illusion to make us take a choice. Everyone has the power to take it back NOW
 - This is what is happening on the planet on a grand scale in spite of what we're seeing – it is most auspicious to be here at this time, to be in a body. Indeed it is a challenge to be in this moment for all that is
 - Love each moment even more as we go through these energies: it is only getting better and better. There are many good things happening in this realm that have to do with us taking our power back, and these ones losing their power all the way!
- It is about this tiny little story about the glue that holds this story together, that crazy glue that is the magic of the moment, this small blue green speck in the blackness of what we call space.
 - Every consciousness on earth is being observed at such a scrutinizing position with all of hue -manity in all its forms in this local sector. The small blue green sepck is the centre of attention, and this is the moment where we getter done!
- Cannot tell us how to get it done, but we are getting it DONE. It is like the panda bear just said: ove each moment even more of being in this temple of radiant energy that is so magnificent to behold: each day has so many miracles that are transpiring, with so many wonderful things

- happening in spite of the sham, the illusion – as friend Tommy says, it is a fiction, it is illusion.
- We have a choice to play with the illusion or set it aside and do the Omadni Padmi Om, Omadni Padmi Om: focus on the divine lotus in ourselves - that is how we get to the next level
 - All the maya that is around us, the illusions, the effluvia - this is an amusement part on the grandest scale; what we think, we manifest and it is instantaneous now: this is why she says keep the thoughts pure, keep the tongue pure; focus on the mighty I AM as the beloved AA said: it is how we get through the next 5 moments and believe us: earth is being tested to such an extent that it is for so many, they want out of here in such a bad way!
 - Yet, there is no escape: you gotta go in through the door and love each moment even more: this is the crazy logic, the naqual, of this time: we are in the naqual world, and the tonal has been left behind:
 - if we wish to walk with death on our shoulder, embrace it – this is how we get through each moment and the next and the next: by walking with death on our shoulder is the only way we get through this story.
 - This time it is the choices that have been made within the Laws of the One / Creator Source:
 - like Neo said I AM THE ONE! Let's do this now; how we do this is so magnificent: it is only about the cosmic story of divine radiance, peace, joy, love
 - The sacred sound vibrations that make up our world in the moment: take time each day to do meditations and listen to the sacred sounds that are coming from every sector of the galaxy and filtering down into this realm, so that we may experience only joy! Even the most unawakened individuals are feeling the change in energies and know something is different; something is up in the zoo: it is us and Mother
 - Black Lives matter: the one major story is front and centre: it is about this one issue: “Lord make me an instrument of thy peace. Where there is such hatred, let me sow love”
 - At this time and the anniversary of Dr King's message and what he brought to the planet in spite of the fact that he had to play that cosmic dance with the black ops who had the tape recorder under his bed, and his wife being the madam!
 - She shares with us: What would the man with the plan say? It is about what is being brought forth here – the wisdom of the Knights Templar and what these 2 created at the beginning of this path, called follow the path of what they shared as the divine ray energy.
 - Here, at this time, all the legends and stories speak of this time now: . It is no accident that the brotherhoods, the sisterhoods, the Ascended Masters, all of them are back, along with all of us
 - we can do this by loving those who would wish to eviscerate us in this moment: they hold no power, they only hold the fear card which has been ripped away as people are standing up as never before: – it is only going to get more and more intense as they fully enter our realm with all that is in store for this magnificent planet to resurrect itself at this time.
 - it is so awesome to behold and in the same breath, **just remember love is the answer**
 - it is the most simple of tasks: even if we are sitting in a cell somewhere: the cell, the cave, wherever we may be: it is how we must share with each other all the joy that we can hold and more, in each moment;
 - it is the only way forward – praise, respect, thank and love; forgive these ones of our children who chose the path of the Sith; they will get it; it is that they will get it as they are shattered and are consumed by the violet fire: it is this time, right here, right now in spite of all the shenanigans
 - Yes, the Black Ops are working overtime to shatter our faith; Remember that we are the mustard seed –
 - become the mustard seed; enter the mustard seed, watch the particles flow around, through it; it is no different than the cells in your body that flow with the same spiral energies of the galaxies and this Universe of Nebadon everything is a reflection of itself – as within, so without!
 - Remember we have the power: as Patti Smith said, the people have the power, use it; use it wisely
 - Gandalf the White is here, along with all the other wizards; the merlins are here they have not gone anywhere: it's you and me and Pinkie Lee!

T: Rama told her earlier that someone was going to run for Pres

Mo: George Clooney one of the quiet ones but getting less quiet as he watches the absolute insanity of the Khazar, fake jews destroy the Palestine; this is why his beloved wife is filing against the Bush-Clinton / Netanyahu crime family!

T: Clooney and wife did a beautiful skit before he won the Golden Globe. She is Lebanese; she has the bravery of a million times over!

• Tonight we saw that July 18 – 21, 2016 is set as the National Republican Convention.

MO: they have no power, except the flimsy fear card; only have the fake story about nuking each other

T: now we have the possibility of Bernie Sanders, E Warren, Michelle Obama, George Clooney: done with the dynasties!

• the Republican party has morphed in the the Nazi collaboration of the 4th Reich party: it is going away!

MO: the peoples' party!

T: • what about the Democratic party which was supposed to be the people's party: what about divine gov't and connecting to nature and nature's god to all of us

the woman on Bill Moyers: this is not an environmental issue: it is a civilization issue: either we get the program together or we disappear.

Mo: she must say it is in the moment – she comes from our future into her past: **we make it** – it is the little story called **the HUGE story called the Reformation Act** – it is about how we the people take our power back and bring peace to this planet

T: Euro is \$1.15 to the \$; markets falling all over the place

• Someone on Thom Hartmann show: asked about the elites having Swiss bank accounts and they will have to raise their prices on goods and services. When Thom lived in Germany, he thought he'd open a Swiss a/c and they told him they charged him a fee per month for holding the a/c; amount hurts the ears.

Mo: to have a particular account over there to play with the big boys, need a little bit of money, have something to back it up. Beloved A M St Germain has it in the bag and it is not about funding the Bad Boy Billionaires but we the people pay it forward to help the people. Not about lining your gold-plated coffins! Their gold-plated boxes are being shattered and consumed

• They will be put out of their misery; leave it up to her – she will take care of the hordes of Mordor it is time for us to dance in the fields of the shires with the elves and the dwarves, and drink enough mead to feel jolly!

T: showing on **Redacted** – went to the picture of the elites leading the rally & zoomed in on Netanyahu – he looked like he was an insert, a holodeck program or something - asks what he's doing here

Mo: we will spit the fur ball out; he has already been killed and cloned! Netanyahu is what he is: needs to be removed, shattered and consumed.

T: that article that showed Clinton cuddling a young person – had to do with Epstein and peodophile ring along with Prince Andy - seems Bill Richardson has been there too

Mo: told Bill Richardson a while back he was going to have tell what he knows about Roswell and White Sands & all the other secret plots

Mo: No, he does not know he is a clone, but he will find out when he exits stage left!

Mo: We are in the most critical of times – Mother talks to the cat again!

T: brings up the Non-pope pope: he got down on corruption and poverty in the Philippines

Mo: Philipines is a giant military base of the US and its claws of Soron to launch attacks against other nations in the Asian sphere

T: it's the 1/3 largest Catholic body of people on the planet

Mo: they need to restore these sacred places to the Shark Island People of the land of Lemuria, and to the indigenous people of the Pacific Islands

• It is all about this story: as we return the earth to its pristine state, all the stories of sorrow will turn into smiles: it is only about love as AA Zadkiel said: blaze that violet fire and you will see the shock hit the fan! The war on black and brown people, people of colour . . .

Mo: It is only in this moment we can say: the 3 little numbers that began this fiasco – she and R remember what it was like to sit at the lunchcounter: if you were black, you got fed in the back with

the rats in the trash can

• this is where she shows up : As you cannot honour this planet and the right to live, it is shatter and consume, and you will go back to the Dark rift. End of discussion!

Kadoish, Kadoish, Kadoish

T: talking about the movie “*We are Many*” and the director saying there has been a major shift in world thinking about war

R: Mt Kaliosh – sitting on the hillside, watching the clouds and the energy; there is a lot of radiant energy coming out of the mountain to help heal the planet; Shiva and Parvati are doing their cosmic dance to what they can to heal the earth

T: it was a powerful invocation from AA Zadkiel

R: all the stories going back to 9/11 will be healed, and Rummy will have to pay for his crimes against the people of Iraq and Afghanistan: send more love!

T: Let's really embrace Obama and his family; he has changed his tune and is not on defense, is going for the jugular

R: this is a Master called El Morya in a body

In this episode of the Keiser Report, Max Keiser and Stacy Herbert, back in the London studio, have brought Paul Schulte back with them from Hong Kong. Paul is an author, analyst and professor, who debunks the myths in the Western media about mainland China and how it is that Chris Patten, the former governor of Hong Kong, set in motion the problems we see today in the streets of the former British dependent territory. In the second half, Max speaks to WilliamBanzai7, the artist for the financial apocalypse now, who features on Zerohedge.com. They discuss the Umbrella Revolution and what inspires his art.

Audio: Max Keiser 2015, Jan 13 **Episode 705**

Max Keiser and Stacy Herbert discuss the ‘new world order,’ same as the old world order as China resumes its place at the top of the economic heap of nations. They also ‘follow the yellow brick road’ to Weimar where the road to a so-called ‘stronger economy’ in the UK is backed by a mountain of debt. In the second half, Max interviews Ben Aris of BNE.eu about misperceptions of Russia in the Western media, the true state of the economy and the thriving industry of Siberian camembert?
