- What city or part of the county will your event happen in?
- What is the approximate age of targeted participants?
- Approximately how many people do you hope to reach with this event?
- What type of permit will your event need (food, alcohol, street closure, car or bike parking, City Parks & Rec., County Parks, National Forest Service, etc.)?
- Is this a site related event? If so, where? (school name, church name, office, etc.)
- Is this event open to the public?
- Will this event be a fundraiser or generate funds that exceed the cost of the event?
- Do you need Bike Valet for attendees?
- How will you advertise this event?
- How would you like us to advertise?

Mini-Grants

If you would like to apply for a mini-grant, you may do so during the online registration process. Events intended to raise funds that exceed the cost of the event are not eligible for a mini-grant from Traffic Solutions. Events to take place in North County (Santa Barbara County north of Goleta) are not eligible for Traffic Solutions mini-grants, (as CycleMAYnia funding is from the South Coast pool of Measure A funds). Even if your event doesn't qualify for a mini-grant, ALL BIKE EVENTS in SB County are welcome to be a part of the collaboration and calendar for CycleMAYnia.

We will need the following pieces of information.

- Dollar amount requested for mini-grant.
- Itemized list of proposed expenses.
- What items, funds, and/or staff time you or your organization will provide.
- A description of your event.
