Carolyn Oceana Ryan [COR] –

HARD NEWS

R:

- sat in a Jedi council today with a group of White Knights who are calling the shots, working alongside the ancient brotherhoods, sisterhoods who are already here
 - the Gnostic Illuminati flipped the votes on Miss Hillary: a turn of the tables – done by the elder dragons of the Rothschild kind: it's all election fraud at the highest level
 - need paper ballots and human beings doing the counting!
 - The name is Diebold – “die” “bold” – and those who made the machines are tied to 13 families

T: HRC was cheating too; there was massive voter suppression

- all night long, the word was “too close to call”; in most of the places flipping the votes involved less than 1%; for those who did vote there is a big problem and also, the majority of the people who voted against someone, not for something

P: what will out come be: seems so surreal!

R: yes it is – it's about the infighting between 13 family members

- an opposing group to the Gnostic Illuminati
 - it is vying for the control of the planet, and the planet is not for sale
- Nor will they share

O: how does this play out in the White House?

T: **full galactic intervention, full disclosure – michelle will be next president**

R: E Warren and B Sanders are hot on the tail of this story; rumours that Warren and Sanders will be the leaders in the Democratic house and senate

T: was rigged all the way down the ticket. What has to come out is NESARA and N is connected to 911 as an inside job: the 64 good members will remain seated, and the rest will be arrested!

O: will be a big shakedown so all gets cleared?

R: Yes – rumours about NESARA being announced – **STILL NO DATES!!!**

- They are playing with wild stories - when you have people surrounding this man who are in the same league as Joseph Goebbels and others like him, there is a problem on the ground
 - that is why the galactics are here on the ground. These ones are scared – the truth embargo ends, and
- It is right in our midst – Warren and Sanders know the story and they know these folks
 - the larger story of ET influence and how these ones worship at the feet of descendants of the annunaki & other life forms from around the galaxy
 - ties in with vast amounts of gold, and stories back to ancient city of Bablyon
 - all this will come out: it is about the stargates and the true history of us as the Rainbow nations
 - the event at **Standing Rock is so huge**: brings in the rainbow nations now brought together – fulfillment of prophecies that have been around here for a long time about different nations coming together
 - Standing Rock is the designated point; the Missouri River is the lifeblood of the area & you don't mess with Mother's life blood
 - oil industry is on its way out & hemp has become virtually legal in Californai – Henry Ford started using it: made cars out of hemp – there was no need for oil products and plastics made with petrochemicals: Ford got bought out by the nazis.

O: you are talking about the energy surrounding the pres elect and vice president elect & the others?

R: yes; this is a chaotic situation - we have someone who has defiled the feminine with acts that, in previous civilizations, he would have become an eunuch if he did that!

O: he still may become one!!!

C Randy: asking via e-mail: what are the strange sounds being reported by Canadian authorities

R: They are different frequencies that are going on with the 5 elements of earth, air, fire, water, ether as things get balanced.

- The sounds being reported by the Canadian authorities [not sounds on the radio!]

COR: don't think it's ordinary people – scientists [**2016-11-25** – also by ordinary people: a family member from Manitoba has reported this to me - P]

- The Collective telling everyone on a telesummit Nov 9th to remain calm;
Said BO, MO and daughters have been working on raising the frequencies in all the rooms, on all the floors, so there are default higher frequencies in the places where decisions are made both in the WH and in the Congress getting harder and harder for those with lower frequencies to be there
- Can't the frequencies go down again? **No they can't - being held up by higher forces**

O: will make President elect uncomfortable – maybe even honest!

R: Obama, as El Morya in a body, is creating a series of force fields in the WH which is on a vortex – 19.5* – it's a ring pass not; if you try to twist those energies, they will take you out.

O: saw Trump and Pence on TV today – looked like he was nervous, uncomfortable – eyes got really beady - shifty

COR: TC said this happened [Trump becoming Pres elect], was allowed to happen because it will be easier to make the changes with Trump as president elect & not Hillary.

O: makes sense when you see the personality of Trump: he's trying to come across as presidential - now thinks Obama is the best president, etc etc – so when does the real Trump appear? When someone does not agree with him. The personality is adapting to whatever is happening in the moment.

- There are lots of protests going on against him: he's not happy about that; groups like gay rights, abortion rights, etc etc - cannot put out all the energies he has put out and think it will not come back at him: karma will smack him in the ass.
- There are 2 or 3 others that are in bed with him: it's like they have a soul contract or something; the republican party is in a honeymoon – they are thinking “we won”, not in terms of the highest good for all concerned: they are into the huge sized ego of we won, we are in charge - this will not last, will implode on itself

Caller BW: to T & R: understands that Commander Thor is here and the ? [missing word]

R: yes, that is related to many of the things happening as the Rainbow Nations are gathering right now; as the energies are increasing in frequency and magnitude, the ancient folks are back. It is a message that we cannot go forward with the old energies that represent division amongst the rainbow people, and this man represents that old energy. We are not going back to 1966 where those with melanine in their skin eat at the back of the restaurant.

Caller: yesterday there was a protest in the streets with all kinds of people mixing together – black, brown, white, yellow: they will not go back to the 1960s: they will move forward.

R: even though it looks like the worst moment in our history, it is an impetus – something that activates us to create change. As the people even tonight - there are protests and marches up and down the east coast, saying they will not stand for this.

BW: Tomorrow is 11/11; also, *Arrival* is a movie coming out tomorrow – what about the movie?

R: It's not exactly telling a positive story – plays with some fear about the visitors who are coming – **shows the old agenda** of kidnapping, experimentation, etc etc

BW: Is **the real agenda** that we will have 1st contact & with that, a rainbow of galactic families?

R: YES: already happening with the elders of all the different nations coming together at S. Rock

T: last weekend, over 200 tribes dropped their individual cultures and became one nation

- Neil Young has been there, bono is coming; Mark Ruffalo is standing with them

- this is getting bigger and bigger every day: Gov has made a state of emergency: they are playing with things that violate Federal Law

- the contractor to the security company who let loose the dogs is in big trouble.

T: the company at Standing Rock, without the authority of the Army Corps of Engineers, is going to start drilling under the lake that goes into the Missouri river – they are completely violating – no morals at all

- this is where White Buffalo Calf woman steps in and says NO

BW: about Trump – Nov 28th he goes for court appearance

R: it's about Trump University which is an entire fraud; he stole millions from all kinds of people – it won't go away: he plays with the mafia which ties into the vatican; the gnostic illuminati; the Bavarian Illuminati

- to these kinds of life forms – send more love

O: going through a lot of changes: the election is like Custer's last stand: it's the WASPS last stand – fighting like crazy to keep power and not recognize the changing makeup of the country – want to hold on to power

COR: is there a possibility that a few people present at the meeting today were interesting like people like galactics, AAMichael and others ?

R: that room was filled to capacity with unseen folks – of the bird tribe

O: Obama had 3 very powerful beings around him: they have never been on earth before – made him happy – he felt secure and protected

COR: he seemed so upbeat and glowing – he knows more than he's saying

O: they are with him and will stay him until this is all resolved

- they are from the highest realms – a higher realm than we are familiar with. It puts Obama at peace!
- They are telling her we have not heard of this realm yet! O thinks Pres is much higher than we thought!
- He is able to do the dance, and maintain his dignity and respect. That takes a lot of energy and ability
- She just sees huge, huge beings going through the ceiling, connected to the above! Omena hopes to see more !!!!!!!

T: the journalist **John Pilger who interviewed Julian** last Saturday

- J P was on *Going Underground* on Wed am – RT tv
- JP's word is that this is not about an individual you want in an office; **it is about what kind of a system is it that allows such corruption without accountability.**
- Obama is such a high being; Pilger is too: can give a spiritual message at a very grounded 3D level – this is what needs to be fixed.

O: what is negative is often what pushes us to move to the higher good

T: another comment: a challenge to see Trump as president, would have been even more to see Hillary there, as she has +/- 12 seizures a day: in an e-mail of Uma **[SEE BELOW]**

T: they are both doing the same thing

- Uma and Hillary have worked together for the last 20 years, as have Trump and Hillary
- there are overlords and for the moment, maybe the wisest thing is having Trump in there.

Report: a call from KOE, LADY DI, DODI

- **Bill Clinton:** his quadruple by-pass is not helping him; won't be here long
- **bounty on Trump's head** has gone from \$300 Million to **\$ 2 BILLION**

R: thinks it could be Putin; not sure – **Trump owes Putin \$ ½ billion!**

O: Bill's life force is gone.

R: was on a holographic telephone call in RanaMu's office with KOE, Di and Dodi, KOS, Larry and Curly, Kathryn, Tom the Cat - connected via technology

- His question: where does this go next?
- They explained: the energies that have been set up as Mr 19.5* does his perfect dance as the double, triple agent
- in the wake of this, it's like capturing the lifeforms which can no longer move within this realm which is moving up in octaves; simply cannot play that you will make things right after a year or so when you've been putting out such energy across the planet – it is why he needs a small army around him – he's gonna get whacked!

T: the council was held with Rama because the galactics will not have T in this office because he said he will unsign the Paris Climate Accord– which would make all other signatures null and void

O: does not see how he thinks he has the akind of powr!

R: all the others out there in other countries are biding their nano seconds

- Dr Keshe said if anything were tried on Iran, he would turn all aircraft carriers and submarines into floating tombs!

T: Rama was told by LM RanaMu a month or so ago:

- we are going to do 911 which means it will expose all the down ticket actors: the entire Republican party will cease to exist
 - they committed high treason for the whole party from the day of the inauguration
- which means the last 8 years are null and void as they committed treason for that time; they intentionally took this country down for the last 8 years
 - Bernie Sanders, Randi Rhodes, Elizabeth Warren, Opray W infrey have been meeting at Oprah's home, with Michelle Obama on a long distance encrypted phone line to brainstorm how they will get her into Office on Jan 20th
- all has been sanctioned by the Ashtar Command, Ascended Masters, St Germain

T: Love always wins!

O: Love trumps hate!

Guest: Dr Michael Ryce

[PLEASE LISTEN TO THE ENTIRE MP3 to hear his voice and presentation; his bio is at the end of the notes]

- He has a background in theology and the Aramaic language – meaning, he has a greater understanding of Yeshua's words as he is working on closer translations of the Aramaic.
- These words from the bio resonate, once you listen to the presentation:
"His unique syntheses of information and tools is acclaimed, "a powerful blend of spiritual principles and intellectual clarity, guided by the heart!" "
- Also the very insightful questions from Omena help a great deal with understanding, as well.

Omena is host, as Marietta is at a conference about beamers / a pretty cool device!

Michael Ryce [MR]

- We are by nature creators – and that truth has been hidden from us for ever!
We live in a culture with a Greek idea that you are the cause of all the pain and trauma happening inside of me, and of course putting this on the other means nothing is healed within yourself.
- we remove the source of our pain, get it out of our reality – get it out of our own body, our genes
 - Owning the pain is only the start: need to remove it as well - if we live in denial of that pain, we get to live it over and over again.

WWW.whygain.org

- upper left hand page on the opening:
- can download any of the radio shows
- On 5 days a week, 1-2 pm; there is a call in portion

 - Its a blog talk show can listen on computer
- 516-418-5786 – 1-2 pm EST - can listen to the show, ask questions
- Today, talked of the rage that has turned up in people: what a gift to have someone who shows the underbelly of the people – shows them rage, hatred, prejudice – now it is open, can be healed.
- Has been following the election: thinks there should be a binding option that says "None of the above and if "none of the above" has the most votes, there has to be new election

- the political arena has opened so much for so many people
- all he has watched of Mr trump – unbelievable nastiness
 - watch his speech: he was humble, loving, caring and gentle in his acceptance and in his conciliatory attitude
 - if enough of us hold the space and do the work around our own issues that Trump has brought up, then it will move things

COR: we each have to deal with our own reactions

MR: the first lesson they take into the classroom is that all is energy, resonance

- when I choose love, it wakes up the love in everyone – everyone comes in the same way: only the people who have been hurt and abused, hurt and abuse others
- We come into 1 of 2 environments:

MR: Most people who have travelled the 2nd path believe

- is there a circumstance when we are unable to maintain the active presence of love
 - at the point, the sole purpose of life is to be restored
 - once that person has done that, the job is to offer the

O: has to study this some more – especially around people who have endured ritual sexual abuse as they are in such torment

MR: they are often in torment because this is an intergenerational issues and they have never had the tools to work with

- delivered to this planet 2000 years ago and removed almost immediately – since that time,
 - if everyone how many of us can imagine a time when someone in our blood line could have been having this kind of conversation – the virus removal program
- The book is free on his website: there is a link for the signup to mailing list - sign up and get an mP3 recording
- If we never put ourselves together, the world will always be askew
 - a little leavening leavens the whole loaf - this was not about bread, but about physics -

T: our transcriber sent a musical poem – it's on today's theme

Always Something Sings

Let me go where I will, I hear a sky borne music still;
It sounds from all things old,
It sounds from all things young.
From all that's fair, from all that's foul
Peals out a cheerful song

It is not only in the rose; it is not only in the bird,
Not only where the rainbow glows
nor in the song of woman heard,
but in the darkest, meanest thing
There always, always something sings,
Always something sings
Always something sings

'Tis not in the high stars alone
nor in the cup of budding flow'rs,
Nor in the redbreast's mellow tone, nor in the bow that smiles in show'rs
But in the mud and scum of things, there always, always something sings.
There always something sings; there always something sings,
There always something sings, something sings.

Composition, arrangement by Linda Spevacek
Words: from *Music* by Ralph Waldo Emerson (1803-1882)
