

Women's Industry Network®
Driving the Future for Women in Collision Repair

Member Benefits

The Women's Industry Network (WIN) is a dynamic and growing network of women who are committed to the mission of engaging women in the collision repair industry. We work to bring a fresh perspective to industry topics through education, networking and sharing of resources. WIN is a member driven, all volunteer organization that began in 2006. Members include women and men from collision repair businesses, suppliers, technology providers, insurance companies, manufacturing and education segments.
