## HARD NEWS

The momentum is moving forward in spite of some threats:

- Saudi Arabia threatening to take troops into Syria; start a WW 3 war with Iran
  - **R:** when the dark ones came in and made a pact with themselves to play with the dark side and dark rules, they forgot it was a galactic game of infinite proportions and that there was light in the game too – and it's so polarized now!
- Mr Hair endorsed by Chris Christie today: there's always a deal – so maybe I'll make you AG or maybe put you in Scalia's spot
- Sen Phil Gramm of Phil and Wendy Gramm just endorsed Marco Rubio!
- As a reminder; yesterday, they went over the Cobra Message about the Global Reset: by
  - Bono was invited by Brezinski in '80-81 to be head of IMF: Sorry, you'd own me then and said NO – we'll do this ourselves [meaning NESARA]

As KOS said Cobra's story is tied in with the dark story:

- The dark ones like to create a lightworker who creates a path that looks like it's good to follow:
- **COBRA GOT PAID OFF AND NOW HE'S BOUGHT!** Ans this ties in with the major players who are enticing the good Christians and the dinar story has to do with Phil and Wendy Gramm – they got \$14 Bbetween 1996-97 and used it to create the Tea Party and the Global Reset story and other things: leaders of the mega churches also got lots of money including Chris Christie and Mr Hair
- No matter what is happening with the 13 families, it is nothing like the frequencies coming in that are lifting the planet and us to the highest dimensional levels
  - Bernie is right down to earth about getting the US back on track; R is being told in every way possible: we are watching an absolute very bad joke that is getting tragically worse.
- **Majority Report with Sam Seder:** Katrina vanden Heuval was the guest:
  - She said: when we have people running for the highest office in the land making 5 year old jokes about bodily functions? You really want them running the country?
  - They've been insulting the former President of Mexico; Iran and other countries:
- has heard that Mr Trump is not long for this world: there is no army on this planet that can save Trump or any of the other criminals: has to do with the ancient, ancient story and She Who Was Here Before the Gods were Here [Mother] is here, along with her warriors - the they are completely twisting everything that has ever been said -
  - **Katrina:** they want to return to kings and surfs.
  - We are watching the very last entrails of the Kali Yuga. this is the most intense and dangerous time because they are cornered, and cornered animals are very dangerous: Trump is a lot smarter than Hitler, but there are lines that have been crossed at this point – - there is no army that can save him - send more love to him

**Europe:** from DW News – the **future of the EU is at stake**, due to the British game of wanting to do a BREXIT – leaving the EU. [Britain exits the EU] Everything is failing and the dollar is going up – so exports from other countries are too expensive. And this causes a problem within their own countries as people cannot buy in their own areas.

**Greece:** 100,000 people show up in Greece: Macedonia, Hungary, Bosnia, Herzegovina, Turkey, Romania, other countries have closed their borders – Expect Greece to handle the refugees - for the last 5 months, talked of building shelters – little boxes with no windows and bunk beds stuffed in them: they forced the people to give finger prints, and then the people have to stay where they are and not rejoin their families. At the same time, ethnic cleansing is going on in Germany

**The Leslie Marshall Show:** two ex-CIA agents were on discussing the book called **Broken** –

talking about torture methods and going back to 9/11

- the ex-CIA agents who wrote the book told Leslie Marshall that they were asked to do bizarre things, like what ET Corey talks about [secret space command] – one of the agents was threatened with water boarding if he ever spoke out – and they are speaking out!
- It is all about the Bush-Clinton crime family – Hillary is tied into with it all – fake war on terror, 9/11 attacks and the giant cover up going back to Keatings Savings and Loan scandal when the house of Sherman Scholnick was bombed because he told the truth that Bill and Hillary stole \$50 million from Keatings Savings and Loan and refunded their campaign so Bill could get in the 2<sup>nd</sup> time; Sherman had the proof and his house was fire-bombed and was killed.

- We can be glad the exposure is accelerating : such an awesome time to be on the planet – to be in a body and to see the shift in consciousness
- Mr Hair is a failed idea already – went from being a flamboyant game show host, cheated on wives, do arms deals with all sorts,
- The FBI agents [above] said that everything that has gone on since 9/11 goes back to the Bush Clinton crime family: they want to take us back to the 2 categories: kings and serfs, no middle class.

**Chris Matthews:** really snarky with his questioning of Bernie Sanders – what will you do with Mitch McConnell? **Bernie:** I'd tell him to look out the window and see the kids not buying it

- The interview was at a townhall at the University of Chicago where Bernie got arrested –
- Bernie had the answer to Matthews and this is revolution time because the people have to get out there and contribute their energy

• Tara is ecstatic about where we are now – the change is happening on the whole world

• **the European Union guys are being identified, too!**

**France 24:** Turkey's Erdogan saying I won't help unless you give me things – if you won't, I'll send you more refugees! At the same time, people are being done away with!

**Audio: a piece from Redacted tonight: Feb 9, 2016** [the day of the New Hampshire caucus]

**She reads from the screen:** Hitler has Chelsea, Bill, Hillary and others who are part of the Nazi leadership – all in German – **Downfall** is the name of the clip. T reads the text which is translated into English.

**Audio:** From **Thom Hartmann:** The 2 hosts are Danielle and Jano who run the board for Thom Hartmann and fill in for him when he is away which he is on this day  
They play a clip from the Washington Press Club last night – Sen Lindsay Graham roasting Republicans

**Downfall w/a Presidential Twist aka Hillary**

**Published on 10 Feb 2016**

If you've been on the internet at all over the past few years - you might have noticed parody videos riffing off a famous scene in the 2004 German movie "Downfall" - in which Adolf Hitler reacts to the fact that he's about to lose World War 2. All the parody videos have more or less the same basic premise: someone powerful goes ballistic when things don't go as expected. Well - the hilarious people behind RT's very own Redacted Tonight have now made a "Hitler Reacts" video of their own - and they've given it a little presidential twist as well

**Carlton:** Asks if they know about The Hubertus Society where Scalia was found dead; this was the secret society holding the meeting – a hunting order going back to the 1600s

- the website is considered a cover – probably more activity on the dark internet.
- An all male organization

**T:** they were killing kids, not quail – yes, Carlton did read the article – Vatican not mentioned – there is some Bavarian connection; biggest chapter in the US is in San Francisco; one in South Carolina, the one in Texas

- Origins in Bavaria = Illuminati = the Vatican. They ethnically cleanse inside and out – when it is considered in their best interest, will ethnically cleanse their own

**CA:** The Washington Post did mention the people are connected with them: had cases taken right up to the supreme Court

**T:** all of the refusal to even hear or have a hearing that Obama might make was a republican gov of Nevada

- she played the ditty because Hillary did not win Nevada: she is the chosen one by the Vatican and the Illuminati so that they will not be harmed. They are also conniving how to fill the position in the supreme Court. We are watching the pecking order taking each other out one by one by one.
  - Have a reading about the Knights Templar and the Round Table: it says in a number of places that Arthur was killed on the battle field around age 30: he didn't die, he ascended thanks to the Lady of the Lake. He was fighting with what might be symbolized as the first Illuminati member: Mordred who was conceived as the result of deception: Arthur thought it was Guinivere and it was Morgana who had shape shifted to look like Guinivere!

**CA:** Any connection with the Moors in Europe in 1200 and the Knights Templar?

**T:** Yes in the sense that the history of the story – the English and the Irish – goes back to the Picts of Ireland; as you follow the groups back far enough, they are black, not white. When the experiment of turning the skin white resulted in not black skin, the basis of being a Moor shifted to having to do with the teachings of Moorish principles, not the skin colour

**CA:** Scotland when you research it traces its heritage to somebody from Egyptian

**T:** Yes, Mary Toten, daughter of Akhnaton and Nefretiti; daughter was black and a moor. This was one of Tara's past life times.

- The dark priesthood, the Amon, were out to kill them all; as a Pharaoh's daughter, she knew how to build ships and navigate the waters so she set sail and went round the Strait of Gibraltar – rough water there and a storm. So they landed in south of Spain and then set sail again; another storm saw them land in France. Set out again and went to Scotland and her name became Princess Scotia.
  - The Scottish Moors escorted her ship and crew to Ireland and they stayed there. She understood that she was killed on the Hill of Tara: as Arthur did not die but ascended, she also never died, but ascended. It's hard to find the story and the hidden knowledge of the Geneva Library, Machu Pichu, Vatican etc
- Yesterday [Thursday, Feb 25<sup>th</sup>] they told us that they had done a reading back in the very early '90s for a man who had known Sam Brown – he had so many stories about the KT coming to America because they were being hunted down like dogs because they knew too much – the healing of the trauma [1991] and staying alive was a big thing.
  - All of the programs and the cases to be heard -
  - the Moors funded the civil war to help win against the Rothschilds who were funding both sides against the middle – a long and complicated history that needs to be known.

**MOTHER SEKHMET/ALCYONE [M/A]**

In the Light of the Most radiant One, and in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame

**Greetings, Children of Ra!**

Indeed, what is transpiring in these moments we have is this upliftment for all particles of every soul matrix, is bringing already this ecstasy of joy coming through. There is so much to be so grateful for at this time, in this realm. It is such an awesome time to be in a body, sharing the wisdom of the ages which all our cells know already: it is about switching on remembrance.

- It is a challenge to get past, at moments, the issues of the day, as they are pushing the river, "they" meaning her wayward children whose only goal is to see us fail. And they are the ones failing – cannot exist in the same realm as what we just heard – it is about serving humanity at this time.
- The Universe of Neadon is in this moment: she comes with the other muskateers as they are called: Maitraya, Metatron, Michael – this moment we have now, it is the story about we the people, as Bernie says every day: it's not about me, it's about you, about us – that story of how we bring hope, the healing of planet Earth in this time.
- This is why she continues to say his Holiness the Mahdi is here, sharing the wisdom of the ages about the simple realities: there is more than enough food, time, love, air to breathe, the funny stuff we call currency – currency does not have to be coins or papers, it's about energy.

**T:** Currency is about vibrational energy

**M/A:** that is the deal here. We are exchanging currencies with the universes as we move from the isolated, xenophobic relationship with the rest of the universes. Casting aside our xenophobia, it is the destiny which has already been brought into focus – earth makes it, we all make it –

- there is a Rumi poem that is about us, we – the whole picture. And when you live in that ecstasy of that moment, it changes everything and this is what's happening in this moment in spite of mr hair on fire –
  - the only thing on fire is his skewed ideas about life that are regulated by consciousness that is confined to the parameters of what we like to call petty tin horn dictators that hold no power except through the use of violence and brute force and we know the outcome of that.
  - It is why she shows up when she is needed as the one who was here before the gods were here to level the playing field. The ocean of blood surrounding mr trump and the rest of these folks - she won't go there this night.

- Yet let's say that all the souls that have been left in the wake of what they have done as their ideas about how they can rule a planet, let alone a universe, are already in ruin.
  - This is about the salvation of soul matrix as they wish to play it with creation in and of itself: and she repeats it again: the mitochondrians, the force, cannot be turned to the dark side.
  - It has already shifted. What we are experiencing, witnessing, watching each moment, is a passion play of how not to go to the realm of despair; she would say they – her wayward children – are more petrified of us all than of what is coming.
  - And what is coming is about the story as we change the particles from matter to anti matter, to put it in a clean way of talking about it: it is energy that no longer serves humanity even as there are odd ones joining the ranks of some of these dragon forms who have already been given amnesty by her Highness Princess Ardola and her father King Dracos yet they heed not the call to come back to wholeness even on those terms.
  - So she [Mother] does what she must do. It is about the healing of Planet Earth and about hope – energy that serves no purpose other than to copy the activities of a black hole. Well, it is about experiencing what it is like to go through a black hole from matter into anti matter – it's a relatively simple process and it is already happening with that which is not of the Office of the Christ.
  - This level of – she has no words, other than to say – as we watch the insane story of who is going to be on top. One man he speaks from his heart in this place where . . . you had a good man on this planet and he got compromised by the gangster bankers –
  - FDR was a good man, yet he got compromised

**T:** he was part of the 13 families: either do what you're told or get killed!

**M/A:** Yes, use them until they are dog food! it is at this point will change the comment to cat food! No difference – just a little finer grind! Yes – she is talking about her dinner! Colourful metaphors to describe how heinous are the crimes these ones have committed and she has no words and does not want to wish to share her moments with us crying oceans of tears!

- Yet this story is about divine love in action, as we are all servants of peace – it changes the consciousness – like what James Twyman is doing in spite of the risks, the issues, the jokes – it is something very tangible. We heard what Jim Carrey said –
  - At his graduation from the TM university, Jim Carrey said that when you meditate in huge groups – 100 million – it changes energy, space/time, matter. As she [Mother] says in this sacred moment; those ones on Lord Maitraya's ship repeating the Om – it overcomes whatever obstacles there are in the moment here
  - Lord Ganesh does what he does best : removing obstacles; and Shiva doing the dance of the dead – and after all, in that sense, it is the day of the dead here: death of the ego – that which is an energy. A secret about Mr Trump: every time he has to be in his private quarters, he uses full length mirrors to stare at himself – what kind of life form is so narcissistic – a reality that is not based in truth, but based in the false ego of Lucy in the Sky with Diamonds [Mitt Romney] – and Lucifera has already come back to love, along with his mother, father
  - What we are experiencing in these moments, we are all experiencing: we are at the end of the cycle and moving into the Age of the 6<sup>th</sup> Sun
  - Quetzalcoatl has returned with his brothers and sisters, the Kumaras : all the folks are back – and the ones who haven't gotten it are those who watch the transmission box which sucks your very soul.
- Not a pretty picture, yet send them more love – they cannot exist in a realm of love – have to choose between love and fear: there is nothing else. Mother chooses love; we choose love.
- Someone has stood in the face of this empire even though she may not have real power –
  - Aung San Suu Kyi stood in the face of the empire, the juntas, the tin pot dictators

- it's a board game on the planet called Risk: if you want to risk the crown jewels or our life force for 2 drachmas to rub together? Mother does not think so.
- Aung San Suu Kyi - It is this story that is about love, and only this. Everything that is transpiring in these moments now is about how we have already changed the course of this time. Mother keeps repeating it: she is from our future which is their past: we have already made it and Bernie Sanders is a key ingredient to the story – do not underestimate this man. The other players in the field of dreams has to do with the dreamers waking up and realizing it is just a dream & it changes everything: Is this universe is just a hologram, a dream that we once had in a moment of ecstasy with our twin flame? Think about it!

**T:** all time is now, right, Mother?

**M/A:** Greetings in the Light of the Most Radiant one

**T:** Mother, the story is over now?

**M/A:** Yes, the story is very much over and we are experiencing, witnessing, golden moments in these times as we take our power back with love; temper it gently.

- Remember we are divine orchestrators of this symphony; the music is all around us
- It is all we have to do – just listen.

- Kadoish kadoish, kadoish

it is time for all of us – truly love ourselves now! Time for love and peace and healing!

**R:** he was Uluruh – Ayers Rock, Australia; it is moving from summer into autumn there.

- The dream time people are saying 'call upon the energies of the force – that energy of LM ISIS of the aboriginal people: this is the true story about the return of the goddess at this time.
- All that is happening – the dream time people are saying that the crystals are speaking, the energies are being raised at such a deep core level, – we need to meditate every day to keep ourselves in the centre or we get crazy like Donald Trump. They call Trump the insane red devil: it's playing with the energy of Lucifer and it's not going to fly - they already saw that story come to a bad conclusion – just go and look at the city of Aleppo on YouTube – this will not be allowed – no more Mordor.

### 2016-02-15 Of Course Scalia Died While On Vacay With An Illuminati Hunting Club

It turns out that Supreme Court Justice Antonin Scalia was murdered by the Illuminati. JK! We don't know that for an absolute fact (*and we never will...*). Scalia did, however, die while on a hunting trip with [members of the International Order of St. Hubertus](#), an exclusive, male-only hunting fraternity at the Cibolo Creek Ranch in Texas.

Cibolo's owner, John Poindexter, is also a member of the order. He told the post:

"There is nothing I can add to your observation that among my many guests at Cibolo Creek Ranch over the years some members of the International Order of St. Hubertus have been numbered. I am aware of no connection between that organization and Justice Scalia."

Oh, *sure*, Poindexter. I see you. Poindexter was also, by the way, the person who pointed out to reporters that Scalia's face was partially covered by a pillow when he was found. Coincidence? *Probably.*

To be totally real, though, how secret and exclusive can a society be when they bother to [have a web site](#)? Is it just me, or does it seem like a real secret and shady order would be operating on the dark web? Or maybe the Order of St. Hubertus *is* operating on the dark web, and they're just posting pictures of themselves looking like Harry Potter LARPerS to throw us off their scent.

After all, their U.S. chapter was inaugurated at the Bohemian Club, home also to Bohemian Grove gatherings. The Order of St. Hubertus has an investiture meeting in Charleston, SC on March 10 — so perhaps we will be finding out more about the growing mystery surrounding Scalia's death soon. *Or not.*

## 2016-02-24 "When you hurt, when your children hurt, I hurt." Watch Bernie Sanders' Moving Explanation Of Why Faith Matters

**There is a video in the original**

**Sen. Bernie Sanders (I-Vt.) tied spirituality to his [longtime battle](#) against inequality in a poignant speech about the importance of caring for others.**

"Every great religion in the world -- Christianity, Judaism, Islam, Buddhism -- essentially comes to do unto others as you would like them to do unto you," he said during CNN's Democratic town hall event on Tuesday night.

Citing [his early support](#) of the civil rights movement, he said, "I believe that in my whole life, that we are in this together. The truth is, at some level, when you hurt, when your children hurt, I hurt. And when my kids hurt, you hurt."

Though Sanders was raised Jewish and believes in God, [he identifies](#) as a secular rather than a religious Jew. He [doesn't often address his](#) religion, and [The New York Times notes](#) that he sometimes even shies away from using the term "Jewish."

But asked about his faith on Tuesday, he boiled it down to the belief that "we have got to work together."

"It's very easy to turn our backs on kids who are hungry or veterans who are sleeping on the street, but I believe that what human nature is about is that everybody in this room impacts everybody else in all kinds of ways that we can't understand." he said. "That's my religion. That's what I believe in."
