HARD NEWS

R: gofundme site: \$ 5890; please send Rama good vibrations to keep blood pressure level, normal

- MR does an instaneous energy transfer by calling everyone to focus on Rama – we lend our energies to use in the most appropriate way to allow him and the Universe to use those energiies

R: rent money needed by month's end; also some bills left

T: need a new refurbished transmission for the car; a millenial brother is paying for it! Spirit is manifesting!!!!

- They will be able to travel to NV – hopefully to be done by next week.

R: everything we're looking at is about the higher frequencies moving in: the love frequency that is riding the wave into our present moment. So many facets to the story that fit in with what is being brought forward by Bernie in the context of keeping things down to earth

- Bernie had a 2 hr town hall at the Univ of Chicago: Chris Matthews, Chris Hayes as hosts

- Lots of different stories about the 13 families collapsing – it's an absolute race to the bottom of the pile – please send more love to those life forms

T last week thought that one of the pile that will be taken right down; last week, they thought it was Hillary; now it might be Kissenger

- everything is tied by threads to other stories which are tied to others

BBC News from London: the story of Jimmy Saville, written about by David Icke: a major child entertainer on BBS; involved at the highest levels with Queen, Gordon Brown; Tony Blair, Pr Philip, Charles and also raping and molesting young people, mostly girls: over 75-80 people were raped, etc while on BBC property – all coming out now:

- they can no longer contain the horrendous stories that have gone onfor eons. Ties in with other stories about how the criminals are trying to distract us – Hair, Cruz, Rubio, etc
- Bernie is the only sane one; he's not part of the blood lines, but the outsider who is a master from Venus: he is one that was persecuted – parents were Jewish immigrants, poor, and he made it through that time.
- The **3 Pleadians ladies** who go to St John's College: talked of the frequencies getting higher and higher; everyone is feeling it - it's about dimensional shifting at a deep core level – as Aluna Joy describes in her message, as we might be doing something and we turn and we shift our consciousness and we are totally in a new dimensionality
- Everything **is right now!** This ties in with his experience of the shifting of dimensional reality –
 - he had an intuition to go the Tibet House, on Canyon Road: the house was part of what the Dalai Llama has done to help Tibetans move to western countries
 - 3 llamas approached him; the telepathic energies are working at a high level – asked him if he was the same Ram who had gone to the Blue Lake in 1998:
 - they took him to another part of the store in the back, and showed him a section where there were lots of tibetan rugs –
 - they lifted the rugs and there was a door under the rugs and they lifted the door as

though it were made of paper: he was amazed that this part of the store was there & that they had never seen it before – T & R had been in the store many times

- he knew something was up with the dimensional shifts when he had never seen it in this way before; they went down stone stairs – he stopped counting after 500 – lost track of time! He went down – at least 10 minutes and they got to the entrance of a long tunnel, lit by torches which were lit by yak butter. It was big enough for a semi truck to go down it.

- Then they walked down the tunnel for another 10 minutes, reached a canal, got into a long canoe and 2 llamas did the rowing. They rowed along the water way and entered a huge cavern.

- In the cavern was 100' buddha sitting in a lotus position, with a glowing and pulsating crystal skull in each hand

- He asked them where they were: about 5 miles under the city of Santa Fe – he knew some time shifting had been happening: everything felt magical and light. This room has been there longer than Rama has been in a body!

- It tells him it is connected with the various super civilizations along the west coast and the SW when this part of the area was connected to Lemuria & Atlantis

- and this part of Santa Fe was part of Atlantis – they have Atlantis and Lemurian land on either side of them; can tell the difference when you move from one area to the other.

MR: feels like where they are connected with the Tibetans on the other side of the world

T: In 1990, Hopi elders came to **Rio Rancho** and so did the Dalai Llama and other llamas – they all had the same facial features, high cheek bones, slanty eyes! The only way you could tell who was who by what they were wearing!

- The elders passed Hopi prophecies on to the Dalai Llama, and the DL gave them some Tibetan tablets. The DL took Rama aside, gave him an olive branch at the time so he could finish his mission!

- **One important thing on Tuesday: the shift of the ages is real** – so much racing to this finish point. • **Aluna Joy – phase one is complete in the symptoms of dimensional !**

And don't be surprised if a whole bunch more of us have the same experience Rama has had • if you get led to follow intuition to do something: **do it**

Bono, KOS talked to Rama: talking about global reset that Cobra put out is are tied in with the dinar story which is tied into the major players at the top of the 13 family pyramid, in particular Phil and Wendy Gramm who got their NESARA blessings [got enough rope to hang themselves] – they are leading the people who call themselves good christians which means C Street, K Street and Wall Street, mega evangelical leaders, Donald Trump and the Tea Party: all of the above tie in with the agenda makers, the Mossad, the creators of the murder of JFK's clone and all the 38 years up to 9/11

- ties into Kissenger, Sarah Palin, what Hillary is doing

- the **Global Reset is a front story cover-up – it's a Trojan Horse** – and so many lightworkers are buying this deception and both Bono and KOS said **stay as far away as you can**

- as we are following the teachings of Jeshu Pistis Sophia, Jesu of the House of Mary faith in divine wisdom and the beloved Magdalena, overlighted by LM Nada

- they taught that first item of business is to help the least among us.

- the global reset is helping the rich!!! They are promising the world and will not deliver.

- in the last 24 hours, **Saudi Arabia** has launched a military operation in the middle east as we've been hearing Ed Shultz on RT; we've been hearing in a roundabout fashion from Ben Fulford, the story is that Saudi Arabia will be carved up and become an autonomous region –

- and other stories of the ancient families who do not represent the Mahdi [Lord Maitraya returning] they are playing with fake story about nuke: [Ashtar has said no nukes, and he means it, and they are pumping the fear story – remember to stay in a state of

balance and love because these stories can knock you off centre; – he's experienced this unbalancing too

- **let go of the money, and all of the programs about money – NESARA is NOT about money** - Cobra is not in charge: **ST GERMAIN IS!!**

MR: in earth time, how long does Rama think he was gone?

- He was gone a couple of hours, though it seemed that maybe it was 20 minutes each way in the tunnel – in reality, he went through a time shift!
 - Yes, he was in a canoe for a while

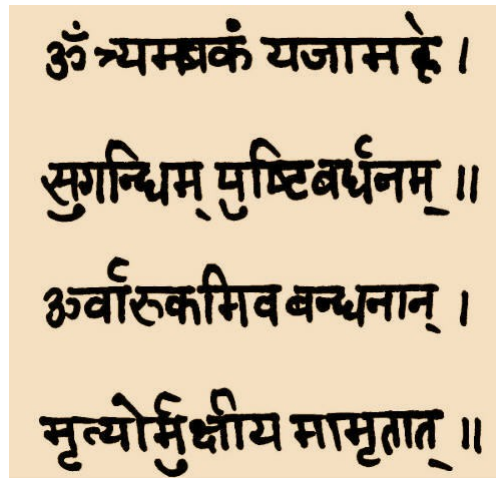

- They told him he could come to the sitting buddha with the crystal skulls if he wanted to talk to Asthar at any time, come here with them and do so
 - they bowed to Rama and said "Thank you for coming and doing your mission. Do not worry: Maitraya has arrived"
 - R asked about world peace and the ending of wars : they told him "There is a great movement - of our galactic brotherhoods and sisterhoods and Maitraya, the 10th incarnation of the Mahdi, to end all of the wars going on the planet right now"

R asked How? They said Lord Maitraya has a great weapon: a remover of all obstacles, a huge mothership that is 1000 miles across that vibrates to a particular mantra – we meditate on www.swamij.com/mahamrityunjaya.htm

- This is one of the prime mantras that removes obstacles that are of a nature like what is going on in Syria, Saudi Arabia, Ukraine – big, big stories!

Mahamrityunjaya Mantra

Mahamrityunjaya Mantra (maha-mrityun-jaya) is one of the more potent of the ancient Sanskrit mantras. Maha mrityunjaya is a call for enlightenment and is a practice of purifying the karmas of the soul at a deep level. It is also said to be quite beneficial for mental, emotional, and physical health.

Om Tryambakam Yajamahe
Sugandhim Pushtivardhanam
Urvarukamiva Bandhanan
Mrityor Mukshiya Maamritat

We Meditate on the Three-eyed reality
Which permeates and nourishes all like a fragrance.
May we be liberated from death for the sake of immortality,

Even as the cucumber is severed from bondage to the creeper.

<http://www.swamij.com/Sounds/mahamrityunjaya.mp3>

- Rama and the llamas chanted it together at the buddha's site
 - the llamas told him there are about 4000 families who live on the ship and they were chanting along with Rama and the llamas; there are 6 levels on the ship with gardens and various new plants, flowers, trees that can be used on the planet. Fairies, hobbits and elves, dwarves also live there in peace with the others.
 - Lord Maitraya will make his presence fully known along with the other brotherhoods and sisterhoods of light and the realms on heaven here on the earth

MR: What a week! So interesting is the timing: the opening meditation with Angelsu and the cards she drew, and how it fits in with the Mayan calendar – it's giving us confirmation and it seems things are out in the future and we sometimes don't get any confirmation – yet this gives us so much confirmation given to us, gives us something good to hang on to.

R & T: The Pleiadian women reminded Rama: **NESARA is very old!** The preparation for Nesara in the most recent of times goes back to St Germain / Sir Francis Bacon because he started the Renaissance: he taught merchant banking to Amschel Bower's family, who changed his name to Rothschild so he could hide the family origins. They used the "red shield" on everything - all kinds of religious organizations to cover up what was happening. They thought they made JFK a sacrifice to abort the changes!

- They met a man who has been working on NESARA since 1949; he knew the original note holder Sam Brown of the House of Charcoal; it represents the wealth of The New Atlantis – which is why St Germain is in charge - these ones took the wealth that was earmarked for the people to get their power
- the Violet Flame teachings are very important regarding the new Age of Enlightenment
- this yuga will be 4x longer than any past yugas, so we'll go for 125,000 years of peace
- The man was a Knight Templar who came for a reading from Mother: they spent 6 hours a day for 3 days with him, and then did a healing.
- He told them that most of the KT driven out of France came to California, went underground and stuck together; they went after the Hitlerian stuff: retrieving money, gold, dynastic items and also information from the great libraries: Geneva Library, Machu Pichu; the Luxor library, the Alexandrian Library - this has been going on every since the time of the middle ages -
- we're talking of the 1800s – the first of the programs goes back to Abraham Lincoln – 156 years ago. This is because the country was ordained by the Declaration of Independence signed by 56 signees yet that was not the whole thing – that is why this is called the 2nd Declaration of Independence –things were cut out of the original Declaration of Independence which was created with the Native American people who were here at the time - this is taking all the usurpation of the european royals and the other reptilians and reversing everything.

GUEST: FRANK CHILE

lots to cover:

- a woman from Ohio – a life long contactee; communicates from animals to humans and in reverse. Like Sherry Walt who'd been contacted as a child and knew about Star beings.
 - The Star Beings have been interested in thanksgiving – they opened a portal in her home in Ohio and 30-35 came through: she prepared juices and food – they touched the food and got the sensation of the food and juice and they danced and had a great time!

- Unusual footage of a craft – Oct 23/15 – photo taken by a father and son: a butterfly shaped craft. Could see port holes under the wings. Filmed it and put it on line: Frank sent it to the lady from Ohio who told Frank who they were: a group of star beings, look like humans but taller. They had come here to be part of the graduation process of the Earth. Had never been here before – just wanted to see the place and be part of the graduation process.
 - Things have been so accelerated – we'll see more and more ships of different kinds and shapes
 - MR:** the butterfly – symbol of transformation, shift and change. A butterfly ship is something to be in contact with.
- FC:** July 3, 2014 – a colleague and his wife held a gathering. Shaun and Rhonda were taking a walk, and they saw two F16s take off and suddenly there were ships that showed up and they did barrel rolls etc around the F16s - what a sighting! It was like watching a cat and mouse game as they were playful with the F16s.
- Jan 23rd the night of the snowstorm: Shaun was out walking again – took a photo and there were 22 white dots - it was Shaun's 2nd sighting of ships – Shaun's brother who works with Frank thinks it's all nuts, so Frank has to be careful what he says
- More and **more things being made known** to us: Col Ware – integrated space plan from 1970s to 2025 regarding plans able to go into the galaxy – all these things were accomplished a long, long time ago.

- FC:** a physicist saw the ships that McDonald Douglas wanted to pass off as swamp gas etc
- Someone went to Mr McDonald and said he needed to fire Bob Wood as he is not playing ball with us & denying the existence of the ships: Mr McDonald refused to do so.
 - Dr Bob Wood started to work with Bill Tompkins – Selected Extra Terrestrials – Wood found out that Tompkins had worked in another secret section of McDonald Douglas. As a teenager, Tompkins had perfect memory and could re-create what he had seen
 - before the 1942, Dec, a huge craft came over California: Tompkins saw the craft come in from the Pacific – 2400' in diameter: small crafts came out of it – set a forcefield
 - Tompkins was brought in to the Navy; answered to an Admiral – there were spies working for the navy in Germany – the spies were giving info to the Admiral and wanted Tompkins to hear this so he could design things.

THERE IS SO MUCH DETAIL IN FRANK'S REPORT, IT IS BEST TO LISTEN TO THE PODCAST, STARTING AROUND 1:08
