JUNE 2009 INTERCESSORY PRAYER - June 14, 2009

Theme: Spiritual Understanding

Just as the individual needs spiritual understanding, so also is the household, the family, the community, the society and the nation. Unfortunately, when spiritual understanding is lost or missing at the individual level, it affects the household, the family, the community, the society and the nation. The people who needs spiritual understanding most are the leaders. When leaders receive spiritual understanding, their mindset will be renewed, and they will be able to have a vision that is human-oriented and not materially or selfishly oriented.

In the Bible, we are told about the story of Rehoboam, the only known and official son of King Solomon. We know that because of the wisdom that God had given to King Solomon, he started out his life by being a wise king, full of spiritual understanding. At a certain time, he shift away from the divine source of wisdom and began to do foolish things, and lost all his spiritual understanding.

So, we are going to use this prayer to intercede for Nigeria that the Lord may give us spiritual understanding, as individuals, as families, as households, and communities, as societies and as a nation.

We will pray that the Lord gives us a new sight, and open our mind and inner heart to do his will, remember those that are suffering, and work together to remove and stumbling blocks and hindrances for our progress as individual, families, households, communities, societies, and nation.

We are going to pray that the Lord should up for us among the children, the teens, the adolescents, the young adults, a new breed of Nigerians who will put the fear of God first, and then be able to lead the nation out of decadence and woes.

We can pray that the Lord should send his light back to the country. This is possible. The Lord can send us his own divine light so that we may see his glory and follow in his footsteps.

"... For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ (2 Corinthians 4:1-7).

I have seen the light, The Light of God
I have seen the light, O Amen, Amen,
I have seen the light, The Light of Jesus
I have seen the light, O Amen, Amen.

Jesus Is the light, The light of God
Jesus is the Light, O Amen, Amen
Jesus is the Light, The of the World
Jesus is the Light, O Amen, Amen.

Come and See the Light, The Light of God
