**HARD NEWS:**

- R:** people honoring the energies coming in: northern hemisphere is longest day, shortest night; southern hemisphere is longest night, shortest day.
- We don't need more advisors in Iraq: we need Nesara now! As it is enacted, the soldiers come home
  - **The story is only about NESARA; other things are distractions.**
  - Dennis Kuchinch at the Democratic Convention was saying "wake up america"
  - Those getting paychecks from Mr and Mr Koch will find them turning into D O A tags!  
The goddess is back: she's black, she's beautiful, and she's calling the shots!  
It is only about NESARA – everything else is a distraction.
- T:** need whole-hearted focus on NESARA – the more we focus on it, the closer into actualization it comes
- God is watching us, and that god is KOS, Sananda Kumara in body; and his consort, LM Nada, the special lawyer of the International Court of Justice

**R:** asked Rana Mu about Angela Merkel speaking in front of the ICJ: she said what is going on in the Ukraine is not Mr Putin, but the Nazis in the west and their fuhrer over here, called the Tea Party, and Phil and Wendy Gram – the ones trying to push their ideas of the world re-set of currency: it is about completely erasing NESARA – if you are involved in the dinar scheme, you are slapping N in the face.

- You have answers to the Iraq, Afghanistan, Pakistan, Turkey story – these countries border the story called The Golden Temple were the Sikhs are
  - Brings up Zacharia Sitchen, the Lost Books of Enki, and Mother's people; How this gets played out is anyone's guess, but they were wrong about Nibiru and about Nibiru causing the events in the 2012 movie: will not happen; **that scenario has been cancelled**

**T:** Does not mean that we don't have work to do: the real concern for California running out of water in 2 years; for anything to happen, means

### **Camp Lovewave:**

- Played part of the video of Greg Palast: **Vultures, Bandits** and Voter Fraus
  - Paul Singer is truly evil, a multi millionaire up – has \$27 Billion of his own – up there with the Kochs; funds Chris Christie
- The BP gulf oil disaster in the Gulf: the dispersant they put in the water to hide the oil – it is affecting the wild live, the people – several witnesses spoke to Greg Palast and talked about children coughing up blood from the dispersant; in Mississippi

**T:** A friend now in Santa Fe used to live in Mississippi has serious lung issues; almost died

- the radioactive fire, the Dome fire in 1999, sent up a huge plume from that fire was reported on Texas radio – people were saying there was something wrong with the fire: had green flames Over 100 of the most experienced fire fighters refused to go and fight it because it was radioactive, and they knew it.
  - The plume landed over the little town of Dixon, the children were coughing up, throwing up blood, oozing pus from their ears, eyes, mouth
  - There was a meeting in the area; a lady brought her baby and was crying because of the issues
- **Hawaii: in Maui**, spray the pineapple fields, it is 25x more lethal than the next most lethal spray; also spray the cane fields – the little kids are throwing up blood from the same sort of thing.
  - The GMO issue is a big thing in Hawaii – the lightworkers there are insisting on labelling and seem to have been successful in making this happen
- **Berlin Natural Bakery in Ohio:** the grain is grown in Germany, INDOORS, in a hermetically sealed place, due to the Chernobyl plant in Ukraine, which is still radiating poisons.
  - There is more strictness regarding the use of GMOs in Europe than in N. A.
- **Issues with candida** come up as a result of \_\_\_\_\_ and eating compromised grains also contributes to candida – doing sugars on any regular basis, including honey, also adds to candida
  - A clay bath will relieve the problem of contamination on your skin
- The **planet is seriously contaminated:** this is not discussed; most of GMOs are going into US food and diet
  - China, Europe, Russia will not accept the GMO foods from the US. Bolivia won't accept the food, either – yet huge swaths of soybean fields in Bolivia: children die from working in the fields. GMO requires the use of agent orange in Roundup;
  - **GMO: a genocide operation** started by Hitler, brought here in 1949; 100,000 Nazis who did not get tried in Nuremberg; the Nazis went to Argentina and then came up here; they particularly want Americans to go under because this republic is the dream, the ideal
  - **This Republic is the grand experiment that Beloved Ascended Master** St Germain came to the Founding Fathers and said “sign here; I'll be back” and he is here: Office in Langley & DC – he means business the Koch Bros, Mitch McConnell, gov Chris Christie all those playing with this

- **There are 2 sets of stories here: The Matrix** with The Koch Bros, Mitch McConnell, Christ Christie all the rest who have been playing; the other is our **brothers and sisters of the most wonderful kind in the West Wing** with Mr 19.5\*, and McConnell and the rest do not know who's who!
- Dr Robert Scheer – **Truthdig.org – a really good website.**
  - War is not the answer; NESARA is the answer – he said both things 3 times each;
  - as NESARA is enacted/publicly declared, peace is declared and all the troops world wide come home – it AFFECTS THE WHOLE PLANET. This is because the single currency that controls all currency is the US one; the “ global reset” discussion is thievery; stealing the NESARA principles in hopes of staying power
- As we continue to play with not having the Sherman anti Trust Act and the Taft Hartley Act and others – our banks are gambling casinos and we can knock on the right door and say “I have 5 grand, lets do a roll” and no one is putting silver bracelets on them, and they do, behind the scenes.
  - They have to suppress the votes more and more and more; voters rights were obliterated when the supreme court pulled out the most valuable part of the Voter Act;
    - **Gov Kasich** pulled all the early voting – yet the people there are pushing for return of voting rights
    - **In Mexico**, your name is on a list; don't have to show ID of any kind; don't frisk you at the door

**Rana Mu:** we are at the critical juncture with this longest day and shortest night;

- as the aspects are so exact with the frequencies today, these ones are doing all they can to distract us with stories that are not real, about money showing up. This is the final card of the banksters who know it is over.
- **Max Keiser** broke the table on the set today he was so angry! “Bpndzilla is coming to get you!”  
Another fraud
- Talks of Kevin McCarthy, cousin of Joe McCarthy, is majority house leader – a real Nazi collaborator and a half!
  - Terran Lovewave: a matter of time before you are asked “Are you now or every have you been a member of the Communist Party?”

**T: Reading:** from **The Secret Destiny of America**, preface to latest addition. Manly P. Hall

**Manly P Hall** was the reincarnation of Madam Blavatsky who started the Theosophical Society, first in Madras, India; then London, England, and finally in Chicago, Illinois

• **CIA has messed with the teachings**, covered up the references to galactic ancestors & relations

Andy and Patti Cota robes started Avatro

- T knew Alma Bell Brown, an old I AMer, a granddaughter of Alexander Graham Bell who knew the a lot about CIA operatives inside out, and knew the Ballards
  - **Daddy Ballard** was Ben Franklin; **Mommy Ballard** was George Washington.
  - They had no veils and could remember the entire darkness that infiltrated the founding of the country.
  - She sat with them with Kalki Maitreya and they went into the teachings I also what got skewed and how for 8 hours at a stretch, they discussed with the Ballards what had happened in the past – In order to do divine gov't, we have to know the history as well as the spiritual side, how things can get skewed and how human nature can be overshadowed
  - Recall that they also downloaded a whole series of clones through Mt Shasta and programmed them to the Black Op kind; tons of people say they are channelling AA Michael, St Germain, and others, yet they are only getting the Black Ops programs
  - In **1993 Dove** thought she was talking to 3 Wingmakers; turned out to be infiltration by Bush Sr
    - She was having difficulty in aligning herself with what she used to do; she had a big ego, wanted to tame it, yet she did not manage it: her habits regarding her health were not good
    - It is time to call on **Serapis Bey, the master disciplinarian** – nothing with a face, eating cooked meat putrifies your system on a regular basis: once it's cooked, it's dead!

**Caller:**

- Yes, Lord Maitraya is back; Benjamin Creme has been working with this energy for a long time
  - There is one being that Creme has been working with particularly, and there are many more – they are anchoring this energy for 7.4 billion people on the planet, so we need these voices
  - individuals who bring through such a large energy have probably lived for billions of life time and worked with so many aspects of the divine that they are able to bring forth this wisdom through their physical .
  - We need to get over setting people on a pedestal & realizing there is much more of that going on ; there is a dispensation right now called WORLD GROUP SERVICE which means we are working with higher rays & synthesizing these rays – we are working with energies that have never been here before BECAUSE OUR PLANET IS NOW ON AN UNKNOWN COURSE . We are going to a new place in the whole universe.
  - Our planets are each spiraling on their own path, not a known orbit, and they are following Sol which is spiraling on its own path; Sun Sol is following a star Vega in the Lyran constellation and it is following the Pleiades
  - They are travelling through a worm hole and you need to know how to navigate it or you're dead.
  - Means we have to be able to go the centre of our MWG and then to the Centre of the Super Galaxy, the Super Centre where the Hunab Ku originates; 27 galaxies which converge there and the energy gets greater and greater stronger and stronger
  - If you don't have a pure vedic satvicway of life in your physical, emotional, intellectual, spiritual, you cannot get through those things.
- This is spoken about the 2 superman movies: superman's father talked of the 27 galaxies

**Caller:** the past week has been interesting: Facebook down for /12 hour:

- Anonymous was busy hacking into some stuff – taking care of business which is removing the cabals who are running for their lives
- Mark Zukerberg / Rockefeller: just killed or disappeared Richard Rockefeller was taken out because he heard the words of Kalki Matiraya and said he wanted to help the people: went and joined Patch Adams / doctors without borders.

- There are 14 Grand Juries investigating Chris Christie with Eric Holder though he is beholden to Wall Street – some good things are being done, but maybe too late.

**Caller:** a small bird talking about several ladies running for president? Who?

**R:** Miss O has been in a huddle with Michelle Obama and Randi Rhodes – she's thinking about running as VP with Michelle: she has more money than the Koch Bros and they do not like a black woman having more money than they do!

**Caller:** meaning of the Kadoish  
Holly, holy, Lord god of Hosts 3x  
Illumine, Illumine, Illumine my life  
An ancient Aramaic

**T:** there is a Key in the **Keys of Enoch** that discusses this [Key 3-0-5]

**R:** yes, Jupiter has become a sun; it changes the whole of our solar system

- There are beings on the planet – it is a holographic program – there is a methane shield around Lord Jupiter; it will be the 2<sup>nd</sup> sun in our galaxy
- Rama met a lady at harmonic Conversion - had a different name for Earth: Plantavia

**T:** This has to do with the gardeners

The 1<sup>st</sup> creation – Pleiades

The 2<sup>nd</sup> Creation - Vega

3<sup>rd</sup> creation story – here on earth, Adam and Eve has to do with the Adan Kadmon –

- 100,000 years ago we had an infusion of DNA
- We were always supposed to come from the high heart and not fall as low as we did

**Caller:** the animals are evolving much quicker than we are: speaks of a dog and a dolphin

Dog fell out of boat, dolphin rescued him from a great white shark and put him back on the boat!

**T:** the animals are not evolving faster than humans, as we do not often see what is happening

- Dolphins have human souls, the whales, the octopus – same thing

**Caller:** refers to last week's call and **Noah: 20,000 Leagues Under the Sea**

**R:** There was no wooden boat – the **arc was an amphibious starship**; a huge cargo starship that could hold 1000s of life forms; there were lots of things happening when Atlantis was going down and Noah / Nemo and the Melchizedek saved who they could

- **Whatever has been found about the past has been changed:** they tried to hide the 520 years, and the people of North and Sought Amexum, the Moorish people – brings in that the black people were here before the Indians.

**T:** Eastern Ukraine, the **miners have taken up arms with the so-called pro-Russians** separatists against Kiev; they have been completely disenfranchised like the people in Mississippi – if you are not for the west, and for NATO etc, we want you dead!

**R:** Mr Putin, Obama, Xi do not want a 3<sup>rd</sup> World War; Ashtar has said NO NUKES! AND HE MEANS IT.

**Reading: Key 3-0-5 The keys to future luminaries**

## Conference Call:

**Caller:** Discussion about current financial situation – consulting website called [www.getoutofdebt.org](http://www.getoutofdebt.org)

**T:** did he get a real person to give him advice?

**C1:** describes what is happening regarding bill collectors

**T:** what he is doing seems to be good: giving them a dose of their own medicine Also, we have to have the criminals gone before we are free; brings up [www.movetoamend.org](http://www.movetoamend.org) and the people walking from northern CA to Sacramento where they will address Gov. Brown about amending the state constitution that money is not speech.

**C1:** Los Angeles City council took a vote about corporations are not people and they agreed they are not, about 2 years ago. Hasn't seen anything on it since.

**T:** need follow-up to make sure it gets turned into law. Refers to the socialist city councilor in Seattle who got passed that the hourly wage is \$15; other cities are pushing the same idea – an avalanche is beginning. Also legalizing marijuana is good too because there are so many things that can be made out of the plant, let alone the medical applications. Refers to the Democracy Now program and the children having seizures in incredible numbers, and the use of the oil brought her back to almost normal.

**C1** asks about the hemp and if something is added to make it strong.

**T:** no, it is a 40 foot tall tree – the drug war is so insane; now 54,000 kids are coming from the drug triangle in Guatemala and there; kids running around in gangs with guns, killing and raping and working with hard drugs. The children are walking out! Older kids carrying the younger ones – going to Texas, where the ICE people ship them to AZ – a form of concentration camp.

**C1:** what is Obama going to do about that situation?

**T:** has Nazi collaborators in the Congress that won't help him: Kevin McCarthy is the younger cousin of Joe McCarthy era. Nixon was the worst president ever in US history – Nixon worked for McCarthy before he became President. Daniel Ellsberg did a skit once: was Nixon first, then Henry Kissinger – memorized both conversations. So time to get sober!!! Light workers do not understand how deadly the current situation has become: the murder of Michael Hastings at 33 – he stripped Petraeus and McChrystal to the dirt, and they set up the murder: rigged the car so he was basically burned him alive. The wife was on Alex Witt this am but could not tell the truth about what happened.[and Alex Witt does know what is going on]

**C2:** comments about how Rachel approached what was going on [The Rachel Maddow Show]

**T:** Rachel was hysterical about both sides of the congress not wanting to take responsibility for Iraq – they took Article 1 of the Constitution and flipped it.

**C2:** you can tell what her favourite stories are! **T:** he was the last Jew; all the rest are fundamentalist christians and thieves! **C2:** and we are just getting started!

**T:** asks if saw Christie dancing with Jimmy Fallon – he's got some rhythm! T says he'll be in an orange jumpsuit now! Understands he's lost about 100 lbs in last month – can tell; has more to go! Remember he did 9/11 – he's showing signs of stuffing self with stress. At an interview with David Letterman, he took a donut out of his pocket and started to eat it right there! Had to do with the NY gov at the time who was trying to tax sugary drinks.

- She reads Section 8, article 1 of the Constitution about the Congress having the authority and power to deal with the money issues & all other things – Thom Hartmann rants about copyright: should not

be longer than 3 years because what you think is a new invention is not new: it is built on the shoulders of the ones who went before – yet corporations won't have it.

- From 1929 – 1974, they did the biggest sterilization program – bigger than Hitler! Men and women in North Carolina; congress has the power to declare war – the one Rachel said they gave the flipper to! Are you running away from your duty? They are pissed off with themselves for not doing their duty in the first place
- Reads about the Aramean people, not to be confused with Armenians; they are the indigenous people of Aram-Nahrin, in our days, Mesopotamia. Other Arameans became known as Chaldeans.
- Comments that there is no more border between Iraq and Syria: the border of the area around Qaim between Syria and Iraq; they are all Arameans

**C1:** Question about ISIS:

**T** corrects the division: 95% Sunni; smaller amount is Shia – which makes the current situation in Iraq really nasty: Maliki is a schill for the West. No: McCain armed the people, not Hillary – also the Bandar Bush from Saudi Arabia

**C1:** talks about having had dinner with Bandar Bush; had to do with the caller's father: Bandar only had one eye, as his mother had ruined the other so he would not be taken into the military: he came to California to go to UCLA – caller got to know him a little bit back in the 60s when they were both young.

**T:** such stories personalize things; and we are all in this together – imagine Bandar talking to his Saudi friends saying he met an American while he was in college; caller can use this connection to help the situation.

- Talks about what happened in Mosul and how the monks etc left a monastery near there: refugees have been taken there and are being looked after. The dark ones set up the situation so it could be laid on Obama but he is not buying it / getting involved in the sectarian war in Iraq

**Reading:** about the Aramean People

[SEE BELOW]

**Aramean people:** Aramean people (not to be confused with 'Armenians') speak Aramaic, the language spoken by Abraham, Moses and Jesus. They are the indigenous people of what was called in ancient times Aram- Nahrin, in our days it is called 'Mesopotamia'.

### **Synopsis**

Shadows of Liberty reveals the extraordinary truth behind the news media: censorship, cover-ups and corporate control.

Filmmaker Jean-Philippe Tremblay takes a journey through the darker corridors of the US media, where global conglomerates call the shots. For decades, their overwhelming influence has distorted news journalism and compromised its values.

In highly revealing stories, renowned journalists, activists and academics give insider accounts of a broken media system. Controversial news reports are suppressed, people are censored for speaking out, and lives are shattered as the arena for public expression is turned into a private profit zone.

Tracing the story of media manipulation through the years, Shadows of Liberty poses a crucial question: why have we let a handful of powerful corporations write the news? Media reform is urgent and freedom of the press is fundamental.

## INFORMATION RELATED TO THE NOTES

**2014, June 19**      **The Caucus Room conspiracy is alive and well!**

Submitted by Thom Hartmann A... on 19. June 2014 - 14:15

The Caucus Room conspiracy is alive and well right here in the nation's capital. Earlier this afternoon - House Republicans voted in Majority Whip Kevin McCarthy as their new Majority Leader. McCarthy was the favorite to succeed outgoing Majority Leader Eric Cantor - and easily beat out his only challenger - Idaho congressman and Tea Party favorite - Raul Labrador.

The beltway media will - of course - say that this is a victory for the GOP establishment - and they're right. But there's another element to McCarthy's election as majority leader that the DC media probably won't be talking about. And that's his part in the conspiracy to take down the Obama administration and what that says about how he'll flex his muscle as Eric Cantor's replacement.

On January 20, 2009, the night when the Obama's were attending inaugural balls and most Americans were out celebrating the end of the Bush years, a group of powerful Republicans was planning the end of Obama presidency before it even got going.

At the Caucus Room restaurant right here in Washington, DC - GOP leaders drew up a plan to intentionally sabotage Obama at every point possible. The whole thing was orchestrated by Republican propaganda mastermind Frank Luntz and over the course of four hours, a group of the most powerful conservative lawmakers in the country committed to a plan of action.

They promised each other that they would filibuster and obstruct any and all legislation supported by the new President, Barack Obama. They would do everything possible, for as long as it took, to make his a "failed presidency." On the guest list for this "invitation only" meeting were Republican Senators like Jim DeMint, Jon Kyl, Tom Coburn, John Ensign and Bob Corker. Also in attendance were Congressmen Paul Ryan, Pete Sessions, Jeb Hensarling, Pete Hoekstra, Dan Lungren and - you guessed it - Eric Cantor and Kevin McCarthy.

Make no mistake about it: it's no coincidence that Eric Cantor and Kevin McCarthy - tried and true members of the Caucus Room conspiracy - both have now held the position of House Majority Leader. Republicans may seem divided right now - but there's one thing that always unites them: electing a leader who will sabotage the Obama presidency.

2014, June 16 – 22 NorthPoint Astrology Journal: Your Guide to Planetary Energies for June 16-22,  
2014 by Pam Younghans

**LIFE CONTINUES** to feel a bit blurry around the edges this week. Neptune has just begun its retrograde (backward) phase, so the planet's dreamlike effects are still strong. And retrograde Mercury is a focal point of the coming week as well, adding to the sense that nothing is quite real in the way that we normally expect it to be.

Mercury re-enters Gemini on Tuesday, and then passes by the Sun on Thursday, right before the Sun leaves Gemini and enters Cancer. This emphasis on the themes of Gemini tell us that it's an important week to rethink our usual ways of communicating. We will want to pay especially close attention to being clear in our intentions and in our words. Miscommunications at this time are likely to reflect a lack of clarity we're feeling internally about the subject at hand.

By the time Mercury turns direct again on July 1, it will be back at the degree it originally crossed on May 22. This means we may also benefit from reviewing the past three weeks of our experience (as much as we can remember!) and see if there are some things we would change, given the chance for a "re-do."

**CHIRON** joins the group of retrograde planets this week, scheduled to station on Friday and then go backward in Pisces until November 23. Chiron's retrograde phase is an opportunity for us to go more deeply into a spiritual healing process, especially with regards to our ability to trust the universe and to accept the unfolding of our lives even when our choices or outcomes are not yet defined.

The issues of boundaries and control are also a part of Chiron's work in Pisces. The twelfth sign is known for compassion, understanding, and receptivity — qualities which, when taken too far, can become martyrdom, servitude, and a need to bring everything into alignment with one's personal vision of what would be ideal. With Chiron's station this week, we are working with these polarities, and starting to release unhealthy patterns in these areas.

**THE MOST CELEBRATED** planetary event this week is, of course, the June Solstice, when the Sun enters Cancer. This solstice marks the beginning of summer in the Northern Hemisphere, and the beginning of winter in the Southern.

A chart drawn for the exact time of the solstice is said to be the "birth chart" for the next three months in our experience, until the next season is born on the September Equinox. The solstice chart shows the Sun aligned with retrograde Mercury, so we will have opportunities over the next three months to do some important realigning of our goals and intentions, based on the inner work we will do.

**THE SOLSTICE CHART** also shows Mars, Pluto and Uranus forming a cardinal "T-square" configuration. Our grand cross that was strongest in April has lost one of its cornerstones, now that Jupiter has moved out of range.

A T-square is an unstable relationship formed between three planets, one that requires self-awareness and a good attention to staying in balance. Here's a slightly abridged version of astrologer Bil Tierney's writings on the effects of a cardinal T-square with Pluto at the apex (90 degrees away from Uranus and Mars):

"Apex Pluto indicates we are intensely self-driven, and may not easily integrate with others. We may reject assistance and support out of fear of losing control of the situation. We are able to quickly gather and activate our power reserves as needed in situations that demand immediate, decisive reactions."

**THERE IS GREAT POWER** in this configuration, but we will need to be very aware of ways in which we carry a chip on our shoulders, or resist cooperating with others. Any patterns that we carry of resentment and resistance will likely be very clearly reflected to us in the mirror of our experience.

In other words, this coming season is an exceptionally powerful time to do release work on those patterns of fear that manifest in power struggles and confrontations. And just think how sparkly clean — and ready for new beginnings — we will be after this release process!

Blessings,

Pam

PRAYING MANTIS IN SHADOW FROM WISE OWL WAYNE

## Cancer Cycle June 27, 2014: Shift in the Game

Saturday, June 21 - Sunday, June 22, 2014

**Third Quarter Moon Phase: complete**

**Moon in Aries**

**Ruling Mahavidya: Bagalamukhi (The Paralyzer, The Storm-Calmer)**

**Skill: accept personal responsibility**

**Negative Imprint: recklessness, carelessness**

**Positive Imprint: attention, renewal**

Saturday brings the energy of the entire cycle to a head. We accept or assume personal responsibility for where we are in the process of our growth and development. It's the Solstice, the longest or shortest day, depending where on Gaia Sophia you are, and we reach a turning point in how we see and understand things - particularly ourselves.

This energy enables us to take charge and rise to the occasion. What have you wanted to stand up and change, like an aroused striker around a factory? What is your standard now? What is being reborn in you? What have you wanted to find?

All of the newness and change sometimes has us overlooking or rejecting "the old" too quickly. We build the new from the old, so honor the contribution of what has been meaningful in the past as it morphs into the future.

Power issues and power struggles are inherent in this energy. This happens when there are dramatic shifts and turning points. When people feel like they are losing their place, losing their value, or losing the familiar, they can become fearful and reactionary. Anger ensues.

If the struggle is within yourself, accept responsibility for it. See it for what it is and then stand up to it. The power to end the internal struggle is strong today, and you can call on this month's Wisdom Goddess, Bagala, to paralyze or end the struggle.

Sunday brings the ability to get "unstuck" or out of limbo. We rise above the challenges we've faced over the past month with a larger perspective. This energy is intense. It can feel relentless with one thing after another. The pummeling of energy serves to strengthen us on the last day of this lunar cycle. (Sunday is the last full day of the Third Quarter Moon phase, the energetic ending of the cycle.) Whatever has been welling up inside us has a strong push on Sunday.

Enjoy the Solstice and I will see you back on Monday as we move in between the veils of the worlds for the Balsamic Moon phase. <http://www.oraclereport.com/>

Welcome, sweet ones. It gives us great pleasure to be with you in this month of June as you experience a deeper integration of the Divine Feminine archetype of Light, and the activation in particular, of the Planetary Goddess archetype of Light, amplified at the time of the Solstice on June 21st. Sweet ones, this is a glorious moment in time as you experience the activation of this beautiful flame of Divine Love within your hearts, and within the hearts of all humanity ~ of every man, woman and child on this Earth Plane, within the freewill aspects of Creation. For, through the many planetary activities of Light, a clearing, transmutation, and an embracing of the negative ego aspects – the old cellular memories, judgments, false beliefs, and human miscreations, are being purged and transmuted back into the Cosmic Heart of all Creation. This Divine Dispensation calls forth the Sisterhood of the Rose to assist in the activation of the Planetary Goddess archetype of Light so that all Life may know themselves as these sacred transfiguring Flames of Divine Love, and Master Beings of Light.

Sweet ones, the Sisterhood of the Rose was created in the time of Lemuria, and later as priestesses in Atlantis they gathered together in circles of twelve to activate this Flame of Divine Love, of harmony, of abundance, of joy, and peace, through the hearts of all humanity. There were twelve groups of twelve women who formed the Sisterhood of the Rose. The goddess symbol is the rose, but it is through Self Love that this beautiful Pink flame of Divine Love activates within your hearts.

The *Sisterhood of the Rose* took this beautiful Pink Flame of Divine Love out in the four directions of the earth to assist Mother Earth and all her Life, also working directly with the energy of Sirius, the Pleiades and the Galactic Center. For it is Sirius and the Pleiades that draw into alignment the influx of energy that activates through the Galactic Center, and the Sun and Central Sun, to a greater knowing of your multi-dimensionality as Initiates of Light. And what you are called upon, sweet ones, to assist as these physical vessels of Light in this sacred month of June, is the activation of this beautiful Pink Flame of Divine Love within your hearts ~ and the healing too, of your lower bodies, so that you may experience your full magnificence and Light, so you may embrace your pain and anger, your guilt and your shame, and your

perceived separation, as the lower bodies are purged. As the *Sisterhood of the Rose* Overlights this process, you are initially invited into the Healing Temple of Isis within the etheric of Sirius and from here, into the Temple of Divine Love within the Pleiades constellation. For Isis, known as the *Goddess of Great Healing, the Lady of the Words of Power, the Divine Queen, the Great Goddess and Mother of Creation*, brings forth the activation codes that ignites the Flame of Divine Love, and the re-emergence of the Planetary Goddess of Light.

So let us set our sacred space, sweet ones, as we take you on this journey into the Healing Temple of Isis, and to assist through this, in the clearing, the releasing, the transmuting and the healing of the lower bodies of all humanity.

Sit comfortably now within your sacred space, breathing deep into the body ~ expanding the lower abdomen as you breathe in, contracting the lower abdomen as you breathe out.

You have a sense now of the Christed timelines merging into this Now, as you experience a greater level of the Knowing of yourselves as Initiates of Light, and of choosing to be of service to Mother Earth and all her Life. You have a sense of knowing too that you are an innate healer ~ able to tune into the Divine Intelligence of the physical body, as well as the emotional and mental bodies, and being able to assist in the transmutation and clearing of the negative pockets of energy and cellular memories within yourself that create these oscillations within the emotional body in particular, sweet ones. These emotional oscillations have increased for many of you, as you are experiencing these Light frequencies amplifying through the lower bodies, moving into every aspect of the shadow that needs to be embraced, loved, accepted, appreciated, nurtured, transmuted, and understood as you come into a greater balance and a deeper alignment into the Cosmic Heart of all Creation.

You are surrounded now in a beautiful Silver-Gold, Pink and Purple Flame of Light. This is the Healing Flame of Isis and connects through the heart chakra and into each one of the chakras, allowing for this recalibration, allowing for this transmuting, allowing for this healing and rebalancing, and in particular, the activation of the Divine Feminine blueprints of Creation.

As you ground into the crystal heart of Mother Earth, and connect through the Unity Grid of Divine Love to your Soul and Star family and friends of the Light, you call in all the Beings of Light from On High that you personally acknowledge, and your Beloved I AM Presence who is guiding you in this Golden Age of Light. And in this support and in this Love, you are now invited into Isis's Healing Temple of Light within the etheric of Sirius. You find yourselves traveling in Soul consciousness through the portals and stargates of Light, through the grids of Divine Love, and now, you enter into this beautiful Isis Temple of Healing. As you look around you, you notice that you are surrounded by the Sisterhood of the Rose, welcoming you to Isis's Healing Temple of Light. They surround you in their Pink Flame of Divine Love and place within your heart, a beautiful pink rose, a symbol of the Sisterhood. And now, sweet ones, they take you into this beautiful golden Temple of Light where you see before you Goddess Isis. She is dressed in a beautiful white flowing robe with gold embroidered symbols across this robe ~ she has magnificent white wings, and wears a vulture headdress combined with cow-horns encased in a solar disc. She sends you her Love and lets you know that she is delighted that you are here, sweet ones. She understands that you have chosen the experience of being human, and says to you that you can let this go now, you have understood what it is to be human, and to experience the human miscreations to know yourself as Divine Love.

Isis is here to awaken the hearts of all humanity and to assist in the healing of the lower bodies with the support of the *Sisterhood of the Rose* and the many Legions of Light from On High. For in order to fully

experience the Divine Feminine aspects of Creation and the Planetary Goddess of Light, the Flame of Divine Love must be steadfast through open hearts, and you are these open hearts, sweet ones. Understand too, sweet ones, that you have made the soul contracts with soul brothers, and sisters, and soul family, so that you are never alone, and even as you experience the human nature, the lower bodies, the distorted human miscreations and your own pain bodies, you understand the courage that you have in choosing these lessons, for you are clearing not only for yourself but for all Life. Isis now activates her Healing Flame of Light, Overlighting by the Sisterhood of the Rose and the many female deities and Beings of Light from On High.

As this beautiful Healing Flame activates within the base chakra, amplifying through this Red Flame, and this Silver-Gold, Pink and Purple Flame of Light you now say:

*"I am grounded and centered in the knowing of my magnificence and Light, as I draw upon the energy of the Divine Feminine Beings of Light, the Isis Healing Flame, and the Sisterhood of the Rose. I allow myself to fully manifest my magnificence as a sacred transfiguring Flame of Divine Love through the purification and transmutation of all that I no longer need to experience along the karmic pathway to know myself as Love."*

As this beautiful Healing Flame of Light now activates within the sacral chakra, this Silver-Gold, Pink and Purple Flame of Light activates within the orange sacral chakra flame. As this Healing Flame of Light releases old false beliefs and judgments between men and women and activates the goddess energy of Light, the kundalini energy gently moves through each one of the chakras. As you experience this Healing Flame of Light, you bring a focus to the healing of your relationships as you now say:

*"I honor all the karmic contracts I have made to know myself as Love. As I forgive and Love myself and all those with whom I have experienced any level of abuse and misuse of power, I understand that these karmic contracts at their Higher Light level were made in Divine Love. I now release these karmic contracts as I experience the Pathway of Divine Love in full appreciation of myself as a sacred transfiguring Flame of Divine Love."*

And now as Isis takes this beautiful Healing Flame, this Silver-Gold, Pink and Purple Flame of Light through the solar plexus chakra it merges into this Yellow Flame of Light and you find yourselves coming into a deeper level of power, of clear boundaries, and also clearing these issues of victim and persecutor consciousness. You are starting to feel more loving and gentle with yourself, sweet ones. You are starting to experience a greater level of nurturing, of Self-Love, and of Self-appreciation as you now affirm:

*"I create healthy boundaries and magnetize and attract into my reality those of an equal or greater Light. I flow with grace and ease, abundance and joy, harmony and Love, trusting and surrendering to Life, trusting and surrendering to the Divine."*

As you move into the heart chakra now, as this beautiful Isis Healing Flame activates into the emerald-green flame of the heart, you release the sadness, the separation, the pain, the loss ~ knowing that you truly are this beautiful magnificent, sacred transfiguring Flame of Divine Love. And now you affirm:

*"I allow myself to be healed through the Divine Love that surrounds me and imbues within me the knowing of my magnificence and Light. My heart is the expression of Divine Love and I am One with all Life. I am Love in embodiment and I am loved and appreciated, as I love and appreciate myself. In gratitude I receive this beautiful Isis Healing Flame of Light. I allow myself to make the changes I need to, to know that I am Love, and I allow myself to be an open heart in this Golden Age of Light"*

And now as Isis takes this beautiful, sacred healing Flame of Light into the throat chakra, this beautiful Silver-Gold, Pink and Purple Flame of Light activates within the blue sacred flame of the throat chakra, as it releases the old expressions of self that no longer serve in this Now. As this vibrational frequency activates within the throat chakra, a deeper expression of your Soul note expresses itself as you now affirm:

*"I express the utterance of my Spiritual reality in such a way that I am seen and heard, understood and appreciated. I observe each Now moment and each perceived challenge through my Master eyes as I express myself clearly, lovingly and gently as this sacred transfiguring Flame of Divine Love."*

And now, as you bring a focus to the third eye, as the Healing Flame of Isis, this beautiful Silver-Gold, Pink and Purple Flame of Light activates within the third eye and through this Indigo Flame of Light. Your brow chakra opens to your dreams and visions, beyond the veils of illusion, taking into your heart's passion, and your heart's joy, and your ability to ground your Soul purpose. And now, a recalibration takes place between the pineal, the pituitary, the thalamus and the hypothalamus, and as this occurs, you have a deep sense of aligning into the Cosmic Heart of all Creation. Wonderful sweet ones. You now affirm:

*"The veils of illusion lift for me, as I bring into this Now the parallel realities of my Highest Potential through the Christed Timelines and my many creative gifts of Service in Love. I live my life in joy, following my heart's dreaming, following my heart's passion."*

And now, as Isis's sacred Healing Flame of Light activates within the crown chakra, a thousand-petalled lotus appears within the crown chakra, as the Shekinah energy activates through the chakras and out the crown chakra, as you are now surrounded in this beautiful Silver-Gold, Pink and Purple Flame of Light. You now affirm:

*"I am here in this Now to activate the Planetary Goddess archetype of Divine Love through my heart, and to assist in this activation of the Flame of Divine Love for all humanity."*

Wonderful sweet ones. Isis now tells you to focus on the Knowing of yourselves as healers, to connect into to the Divine intuitive intelligence of your energy bodies and your physical body. You now find yourselves tuning into your body and seeing where it needs this healing and Love. You bring your focus to each body part and organ ~ the lungs, the heart, the spleen, the pancreas, the liver, the intestine, the oesophagus, the kidneys, the stomach, the bladder ~ whatever part of the body needs this healing and Love. You now take this beautiful Healing Flame of Light, this beautiful Silver-Gold, Pink and Purple Flame of Light into every area within the body, and now, around and within the energy body.

Good sweet ones. And now, as you link with the Sisterhood of the Rose, the Beings of Light from On High, the wayshowers and starseeded ones, you take this beautiful Healing Flame of Light, this beautiful Silver-Gold, Pink and Purple Flame of Light around and within the Light Body of Mother Earth and now, into Glastonbury Tor in the United Kingdom, the heart chakra of Mother Earth. And now, this beautiful Healing Flame of Light ignites within the hearts of all humanity as the Planetary Goddess of Light anchors within the Unity Grid of Divine Love, clearing the lower bodies of all humanity, so that all Life may know themselves as Love. And to assist in this transmutation and clearing, we speak in the Language of Light.

Wonderful sweet ones. You thank Isis and the *Sisterhood of the Rose* for allowing you to partake in this beautiful journey of the knowing of yourselves as the Divine Feminine aspects of Creation as you are now invited into the Temple of Divine Love within the Pleiades. You now find yourselves traveling through the grids of Divine Love, of stralim radiation, into the Temple of Divine Love within Alcyone. As you enter into the Temple of Divine Love, you are surrounded by Soul family, and your Star family and friends of the Light.

You are welcomed and greeted in Love, as these sacred transfiguring Flames of Divine Love. The *Sisterhood of the Rose* now surround you, wrapping you in this beautiful Pink Flame of Divine Love, as they again activate the pink rose of Divine Love within your heart chakra. At this Now moment sweet ones, you align completely into the Cosmic Heart of Mother/Father God in the knowing and experience of yourselves as Divine Love. You come into your heart's temple, in Self-Love, Self-nurturing and Self-appreciation of your magnificence and Light. Wonderful sweet ones.

And now, as you link with the Sisterhood of the Rose, the Beings of Light from On High, and your Soul family and friends of the Light, this beautiful Pink Flame of Divine Love activates around and within the Light Body of Mother Earth and now, into Glastonbury Tor in the United Kingdom, the heart chakra of Mother Earth. And now, the beautiful Pink Flame of Divine Love activates within the hearts of all humanity as the Planetary Goddess of Light activates within the Unity Grid of Divine Love and the New Earth Templates of Light. As this occurs, the key codes of the Divine Feminine activate within the Unity Grid of Divine Love, healing and transmuting the abuse of the Divine Feminine. Wonderful sweet ones. And to assist in the activation of the Flame of Divine Love, we speak in the Language of Light.

As you now experience a deeper sense of the Divine Feminine encoding of Light through the Unity Grid of Divine Love, you find yourselves traveling in Soul consciousness into the Portals of Light that connect into the fifth dimensional Templates of Light. Surrounded now in the beautiful Silver Flame of Interstellar Christ Consciousness, of insight, illumination and understanding, you enter into the *sixteenth Stargate Portal of Light*, as you experience the *Law of Discipline*. The *Law of Discipline* is indeed the greatest way to achieve wisdom, independence, freedom, and Knowing, as it involves commitment to your goals and to your spiritual aspirations. Commitment requires a daily focus to be in each Now moment and you know, sweet ones, that you are ready to experience greater levels of discipleship, as you trust and surrender to the Divine. And now you activate the sixteenth Cosmic Christ Holographic disc, this silver disc of Light, along the spinal column into the appropriate vertebra that links you into the Pathways of Discipleship. You are humbled in the knowing that you are indeed this Christ Conscious Being of Light walking this Pathway of Divine Love, and the knowing too that all Life has this opportunity, for all Life is presented with the choice to align their will to the will of the Divine.

As this recalibration occurs between the lower bodies, between the chakras, the nadis, and the New Earth Templates, you experience a greater level of rebalancing and the expression of yourselves in Self Mastery. You now find yourselves entering into this *seventeenth Stargate Portal of Light* as you experience the *Law of Disintegration*, the final casting off of the lower sheaths to experience the I AM Avatar Body of Light. This transmutation process of the letting go of the old to make way for new amplifies in this Now moment, and you know that you are finally in this place of experiencing your full transformation as a world teacher, healer, leader, and Flame of Divine Love in this Golden Age of Light. Wonderful sweet ones.

As you now anchor and activate the *seventeenth Cosmic Christ Conscious Holographic Disc*, this beautiful silver Disc of Light, through the vertebrae and spinal column, you find yourselves moving the body gently, backwards and forwards, and from side to side to integrate these Light frequencies, knowing that all is Divinely Perfect and that Love will always prevail. Simply trust and surrender to this, sweet ones. Trust and surrender to the Divine.

And now you find yourselves entering into the *eighteenth Spiritual Stargate of Light*, as you experience the *Law of Cycles*. Everything in Life has a natural rhythm sweet ones, an ebb and flow. We mention this so that you can know that every Now moment has its own perfect rhythm, much as there is day and night, light

and dark. There is a rebalancing that occurs too, in this Spiritual Portal of Light. As you experience the *Law of Cycles*, you find a greater level of equilibrium and balance within the dance of the shadow and the Light, embracing your full range of emotions, embracing yourselves in the Light and magnificence of who you are as these sacred transfiguring Flames of Divine Love. You now activate this *eighteenth Cosmic Christ Holographic Disc* into the appropriate vertebra along the spinal column.

Wonderful sweet ones. As you experience this recalibration taking place through your lower bodies, know too that the Cancer New Moon on June 27<sup>th</sup> will bring a greater level of reunion of your Inner Masculine and Feminine Spirits of Light. You trust in the knowing that in this Now moment all is Divinely Perfect and you are finally being able to release the lower energies at a cellular level, at an etheric, emotional and mental level, as you activate the Flame of Divine Love within your hearts.

You now find yourself back in your sacred space, grounding into the energy of Mother Earth, feeling this blessed Knowing that now truly you are walking this Pathway of Divine Love as this sacred transfiguring Flame of Divine Love. It is a time of celebration sweet ones ~ celebrate yourselves, your magnificence and Light as you come into a deeper level of Self-Love, Self-appreciation, and Self-nurturing. You ground into the crystal heart of Mother Earth, sweet ones, as you connect into the Inner Earth Sun, into the Golden Solar Sun Disc of Light within your hearts, to the Sun, the Central Sun, and now, the Great Central Sun, and the Cosmic Heart of Mother/Father God. You are doing well, sweet ones, very well ~ and we thank you for your service work, and with this we bless you as we bid you a most magical day.

**Aramean people:** Aramean people (not to be confused with 'Armenians') speak Aramaic, the language spoken by Abraham, Moses and Jesus. They are the indigenous people of what was called in ancient times Aram- Nahrin, in our days it is called 'Mesopotamia'.

Some Arameans today identify themselves with "Assyrians", because of the spiritual colonial hate generating activities of the Western missionaries and diplomats in the Middle-East in 16th and 19th centuries. Other Arameans became known as "Chaldeans". However all of them are Arameans.

## 1. Introduction

**Younadam Khanna, leader of "Assyrian Democratic Movement" in Iraq.**

**George Sabra, leader of "Syrian National Council" in Istanbul**

Looking at the situation of Iraq and Syria, one does not need to be expert to understand that the utter destruction of these two countries had nothing to do with “democracy”, “human rights” and “freedom”. These terms are used to camouflage modification of the map of Middle-East. In this modification process, horrific crimes are committed by the colonial illuminati powers against amongst others the Aramean nation ([fake “Assyrian”](#)), living since thousands of years in this part of the world.

In the past we informed our beloved reader in various analyses on the demonic plan for the Middle-East which amongst others includes the extermination or disappearance of the Aramean indigenous nation. To achieve this unholy goal, the apostate Islamic terrorists and the apostate Arameans who call themselves “Assyrians”- the spiritual children of Nimrod and Samiramis- will be used by the illuminati powers.

[In our analysis of 2<sup>nd</sup> of august 2012](#) we wrote this about the coming extermination/ethnic cleansing of the Arameans of Syria:

So what will happen with the Arameans of Syria? Well, the anti-Aramean colonial spiritual slavery product “Assyrians” are again engaged in a spiritual fornication with their Western masters and creators that will result in the downfall and extermination of the indigenous Aramean nation of Syria. This is perfectly in agreement with the demonic colonial plan that has been concocted in the antichristian Western colonial laboratories of these wicked powers. And their spiritual children and creation “Assyrians” are a useful tool to achieve this unholy goal of extermination.

And therefore, the Aramean and other Christians of Syria are indeed not of interest to the demonic colonial Western powers and thus there is no place for them in the future of new Syria. That is the antichristian and anti-Aramean demonic colonial plan. They simply will be trampled and will be trusted to the mercy of the Western backed “Freedom Fighters” – Al Qaeada- Death-Squads.

.....

The question is **not if, but when** the ethnic cleansing of the Arameans of Syria will start. It depends on how strong and stable the Syrian army is. If in the coming weeks/ months the army disintegrates fast enough, then the hell will break loose and the colonial Western backed death-squads and mercenaries will start with their work on full scale.

And those responsible for the bloodbaths, blowing up of churches, chasing away of Aramean people, killing and extermination of men, women, clergy and families and other unparalleled misery they will be facing with, are nobody but the anti-Aramean, antichristian, criminal, colonial product "Assyrians" who commit spiritual fornication with everyone. They call themselves "Christians", but have totally nothing to do with Christian faith (this is probably the reason why some western "Christians" love them so much). They use "Christian" faith only as a mean to open certain doors that normally would be closed.

They have committed spiritual fornication with the PKK resulting in horrible consequences for our people in Turkey, including the present problems and law-suits with the Aramean St. Gabriel Monastery.

They have committed spiritual fornication with Bush and Blair that have resulted in the downfall of our people in Iraq.

They now are engaged in an unholy marriage with Muslim brotherhood that at the end will result in the downfall of our people in Syria.

What we feared, back then, is now unfortunately unfolding in details before our eyes and has become daily news.

In case of Iraq, the "Assyrian Democratic Movement" (ADM) and its leader Younam Khanna was instrumental and in case of Syria, the "Assyrian Democratic Organization" (ADO) will be used as instrument to destroy the Aramean nation of Syria.

## 2. Arameans of Iraq

Mr. Bush and Blair managed masterfully to win the hearts of the unholy spiritual colonial product "Assyrians" of their forefathers to side with them in toppling the regime of Saddam Hussein. The "Assyrians" went into ecstasies when Mr. Bush and Blair made reference to them in their speeches.

**President Bush:** (October 7, 2002) "*The oppression of Kurds, **Assyrians**, Turkomans, Shi'a, Sunnis and others...*"

**President Bush:** (March 16, 2003) "*.....All the Iraqi people -- its rich mix of Sunni and Shiite Arabs, Kurds, Turkomen, **Assyrians**, **Chaldeans**,.....*"

**President Bush:** (April 28, 2003) "*Whether you're Sunni or Shia or Kurd or **Chaldean or Assyrian** or Turkoman or Christian or Jew or Muslim ...*"

**Tony Blair:** (March 30, 2003): "*I want all Iraqis - Arab, **Assyrian**, Kurd, Turkoman, Sunni, Shiite, Christian and all other groups...*"

To completely win their hearts, Mr. Bush added the organization of Mr. Younam Khanna (ADM) to the list of opposition groups who were supported by the US to topple the regime of Saddam Hussein. In "[Presidential Determination No. 2003-05](#)" we read:

.....I hereby determine that each of the following groups is a democratic opposition organization and that each satisfies the criteria set forth in section 5(c) of the Act: [the Assyrian Democratic Movement](#);

I hereby designate each of these organizations as eligible to receive assistance under section 4 of the Act.....

This resulted in that the fallen Arameans who call themselves "Assyrians" welcomed Mr. Bush and Blair as "heroes" to please come and "liberate" them from that "ruthless" dictator Saddam Hussein and were eager to assist Mr. Bush and Blair in every possible ways to get rid of Saddam Hussein and bring "democracy", "freedom" and "human rights" to Iraq. The result of this shameless spiritual fornication was just terrifying to our people in Iraq. Already more than 70% of the Aramean indigenous nation has left Iraq and the remaining Arameans are also considering leaving the country. And with that, the spiritual children of Nimrud and Semiramis have fulfilled their task under supervision of their colonial illuminati masters.

On 2<sup>nd</sup> of May 2004, the local News Paper "The Modesto Bee (<http://www.modbee.com/>)" reported in an article "*Sign bashing president shocks Assyrian visitor*" on the visit of Younam Khanna to the United States.

On the love of "Assyrians" for Mr. Bush, we read: "Walking through Dulles International Airport on Saturday, Younam Kanna, the leader of the Assyrian Democratic Movement political party in Iraq, saw a sticker on a newsstand that read: [Bush is the Butcher of Baghdad](#)."

..... "I could not believe what I read," ..... "To us in Iraq, he is not a butcher. **He is a savior**. Yes, maybe he is a butcher to terrorists, [but we appreciate that](#)."

"**Bush is a hero in Iraq** — he brought **freedom to our country**," he said. "Yes, (Osama) bin Laden thinks Bush is a butcher. But Americans think so, too? It is a tragedy to think that some Americans share viewpoints with a terrorist like bin Laden."

On toppling of Saddam Hussein, Khanna says: "The vast majority of Iraqi people [are happy that Saddam is gone](#)," ..... "We have a **normal life** now....."

On the role of media concerning coverage on Iraq, Mr. Khanna says: "The media is exaggerating only the negative side," ..... "Ninety percent of the new Iraq is good. Ten percent is bad. But the media only focuses on the problems. Where are the stories of [our new life](#), of [our liberation](#), of [our freedom](#)?"

[In the National Review Online of 19<sup>th</sup> of may 2004](#), Mr. Khanna says in an article entitled "*Kana's Iraq, a story you can't hear enough of*": "We are calling on...[America not to stop; to go on](#) with us on [this blessed mission](#), ..... this blessed mission [of liberation, of democracy](#), and of [freedom](#)."

On the regime of Saddam Hussein Mr. Khanna says: "Under Saddam's sectarian, [apartheid policies](#), we were [fifth-degree citizens](#)," Kana explains. "....."

On the "glorious" liberations and the rights of "Assyrians" he says: "The Iraqi people [are free now](#)," ..... "For the first time in the history of Iraq — ..... our neighbors, and the majority of people today, [recognize us \[Assyrian Christians\]](#)....."

“Bush is hero”, “Bush is savior”, he brought freedom”, “our new life”, “our liberation”, “our freedom”, “blessed mission”, “liberation, democracy, freedom”, “we are free”, recognize us” ? Well beloved reader, what to say about such foolishness, blindness and sorcery? Mr. Bush had impressed the apostate Arameans who call themselves “Assyrians” so much so, that they were attributing him kind of messianic qualities in describing him as their “savior.”

Please note that Mr. Khanna proudly states “our neighbors, and the majority of people today, recognize us [Assyrian Christians]...”

This has been always the ultimate goal of the apostate Arameans who call themselves “Assyrians” and that is: glorification and advertising the unholy illuminati product “Assyrians”, no matter the killings, ethnic cleansing, destruction of the life in Iraq, blowing up Aramean churches and forcing the Aramean indigenous nation into Diaspora. All these sacrifices are okay, as long as they can benefit from it to advertise the colonial illuminati invention “Assyrians” in reference to all the Aramean denominations in Iraq and abroad.

Such statements by Mr. Khanna and other “Assyrians” to “glorify” the work of Mr. Bush in Iraq, did not contribute to the wellbeing of the Aramean people in Iraq. On the contrary, these kind of extremely dangerous statements were serving as grist to the mills of fanatics in Iraq to target the defenseless Arameans in Iraq.

The result of this foolishness, spiritual fornication and blindness was that under the watchful eyes of the Americans and British, the Aramean churches were blown up and burned, their clergy abducted and killed, their men, women, sons and daughter killed and more than 70% of them have expelled out of Iraq. But, beloved reader, who cares about this terrifying misery that is happening to our people in Iraq? World powers, media.....who????..... You see, this is the way the evil works!!!

Mr. Khanna however cannot get enough in expressing his admiration for the “liberators” of Iraq no matter the daily flying around of human body parts, bloodbaths, indescribable horrors, disrupting and extermination of life in Iraq.

On 15<sup>th</sup> of august 2008. The Modesto Bee reported in an article entitled “*Visiting Turlock, Iraqi official says his country is stabilizing*” on the visit of Younadam Khanna: “**Thanks to God we got rid of the Saddam Hussein regime, and we appreciate all the Americans** and other friends who gave their support to **get rid of this bad guy,**” Kanna said”

We cannot imagine beloved reader that it was the will of the God YAHWEH, the God of Abraham, Isaac and Jacob to plunge Iraq in this hopelessness, sorrow and misery. On the contrary, the daily bloodbaths, havoc, destruction, deformed children due to use of uranium, extermination and devastation of the life in Iraq are a delicious sacrifice to the god of illuminati lucifer/satan. This are however matters where Mr. Khanna and other apostate Arameans who call themselves “Assyrians” are not able to understand anything from it. Do not try to explain them that the so-called “terrorists” are nothing but an unholy product created and developed in the insane and antichristian colonial illuminati laboratories. They give you the impression as if they are completely hypnotized and cannot look outside the box they have been put in.
