AthensArt Annual Report 2016

Dearest Friends,

As we all know 2016 was another very crucial year for Greece, Europe and the whole world. In AthensArt we believe that the humanization of the brutal markets' social system will not come with political terms, revolutions and bloodshed, but only by cleaning up our emotional household, means with Self-reference and Anger Management...

In this context, AthensArt continued on 2016 to spread the message of Friendship through Art, exhibiting our works without any fees and without selecting artists but only artworks. This year we were present with our AthensArt International Arts Festival in several cities of Colombia, with many parallel Events: Bogotá / Muysca Soy Bosa , Pereira / Mural painting in Asociacion Cultural "Casa inclinada", performance and Academic Activities in Facultad de Bellas Artes y Humanidades, Universidad Tecnologica de Pereira, Manizales / Collective Exhibition in Pinacoteca de la Universidad de Caldas and in Galleria de Arte, Chia / Grand Concierto.

We also participated in the Special Exhibition "AmArte con Inspiration" with ArteBoca in Galeria la Escalera in Bogotá, donating all our artworks, after the end of the exhibition, to disabled artists.

We also started to create an e-book about the Power of Friendship through Art that may be, later on, will also be published. All Friends can participate in this publication with every kind of artworks, poems and short stories.

During 2016, we continued to share our clothes, books, artworks, olives, olive oil, eggs and various agricultural products, from our Centre, to refugees, unemployed, homeless and poor. Our Guardian Molly gave birth to six puppies and, the population of our community has increased with more chicken, ducks and Bees.

Furthermore we continued to develop our Site, creating two

new “Groups”: San Pietro Infine/Italy History, Culture & Arts and Friendship through Art. In the “e-catalogue” tab, everyone can find our e-catalogues from all our Events and in the “e-book” tab all translations of the essay “The Power of Friendship”. Additionally in “Blogs”, as always, we keep our members informed about the events of all AthensArt members and in “Announcements” we publish information about other events that come to our knowledge, organized by cultural organizations all over the World. We also continue every week to change our Site’s Head, selecting artworks from the most active members of our Site and we continue to publish, from week to week, words of wisdom from East and West.

For the first time, we decided to extend our activities, being also present in Facebook, creating several pages, promoting the idea of Friendship through Art, which could change our World peacefully.

Finally, always in this concept, our new music CD “Touch of Love” is already distributed, having in mind that as long as we remain uneducated in Love, violence will prevail in all its forms!!

We wish all our Friends a Happy and Creative New Year 2017, guided always, beyond Truth, by essential relations with ourselves, our fellowmen and our societies. With Love and Friendship, yours, Takis, Chairman CA4S-AthensArt
