Instructions: Using the drawing in the box as a guide, have students draw in the missing part in each picture.
Instructions: Have students color in each pair of matching bees with a different color.
Instructions: Have students connect the dots to find out what’s eating the leaves.
Instructions: Have students write the beginning letter of each picture on the line below it. Have them use the letters to name a tricky day.
Instructions: Have students find seven creepy crawlies in the picture above. (earthworm, ladybug, spider, butterfly, snail, bumblebee, and dragonfly)
Instructions: Have students use at least one word from each column to write one complete sentence. Have them use correct punctuation at the start and at the end of their sentence. Then, have them draw a picture to illustrate their sentence.
Creepy Crawlies Worksheets

Directions: Research the life cycle of a butterfly. Use this graphic organizer to record your findings.

Metamorphosis

**Egg**
Description: ________________________

**Teacher Instructions:**
- Create a call sheet using the worksheet. Cut out the word squares and put them into a bowl.
- Hand out 25 pennies, pebbles, or other small, similar objects. Have students use the objects to cover the words you call to complete a predetermined pattern—a line, an X, the entire board, etc.
- Have students use the Bingo cards they created to play the game.
- Select and call out a word from the bowl—one at a time—until someone calls out BINGO!
