Assistant Mike Becker, Community Director

Committee Members Jeremy A. Jensen GK#1722

John Bock GK #838

Bruce Swyter GK#7504

Joseph A. Latus GK#1228

Report of the Committee :

We pledge our renewed support for Our Holy Pontiff Pope Francis, who is truly a "Pope of the People" and we commend Him for showing us by His humility that We were placed on this earth to help those who need our help.

We urge all councils to continue their generous participation in the many important programs that make our world a better place to live, such as American Wheelchair Mission, Habitat for Humanity, Coats for Kids, Iowa Charitable Foundation, Food for Families, and the many other programs that help the less fortunate. We urge those who have not been participating to get involved as soon as possible. Remember "Together We Stand, United For All"

We ask that all Knights become more involved in the "Culture of Life" by making your voice heard at local, state and national levels at every possible opportunity.

We ask that all councils include in their meeting agenda a few minutes to discuss our Catholic faith and how we as Knights can be better examples to those whom we come in contact with in our daily life.

We recommend that all councils conduct more family oriented activities such as picnics, game nights, Ladies night out for our wives, volunteering as a family for parish activities, and any other activities that involve the children and Wives.
