

Jeff's 2017 NASCAR Rubbin's Racin Fantasy Racing League

The entry fee is **\$10.00** per team
You may have as many teams as you like at **\$10.00** per team.

Fantasy Racing League Rules:

- Select one car from each of the four groups to form a team. POINTS ARE TIED TO CAR, NOT DRIVER as multiple drivers may drive one car.
You will also pick a **Qualifying Driver**. **THIS DRIVER MUST BE PICKED FROM GROUPS 2, 3, OR 4 AND CANNOT ALREADY BE ON YOUR TEAM.**
The **Qualifying Driver** will be awarded points as to where he qualifies...not where he starts (43 for 1st, 42 for 2nd, and so on). In the event qualifying is rained out, points will be awarded based on starting position.
- The combination of Sprint Cup points for each driver on your team plus your qualifying driver points for each race will determine your score. **We will go for 26 weeks** in the regular season. After 26 weeks, the top 16 teams will enter the "Chase for the Championship." To qualify for the Chase, we will follow the NASCAR structure. The team that scores the most points in a given week will be awarded a "win."
 - If you win during the regular season, you will be in Round 1 of the Chase. If we do not have 16 winners, the top team(s) without a win will qualify for the Chase to make up the 16 Teams. If more than 16 winners, the top 16 in points at that time will be in the Chase. All points for the Chase teams' will reset to 2000. The regular season winners will then get a 3 points bonus for Round 1 ONLY. Round 1 of the Chase will last 3 races and the Top 12 will advance to Round 2. If a Chase team wins during Round 1, they will automatically qualify for Round 2. The rest of the 12 teams will be made up by best total points for the 3 races.
 - All remaining Chase teams' points will reset to 3000. Round 2 of the Chase will last 3 races and the Top 8 will advance to Round 3. If a Chase team wins during Round 2, they will automatically qualify for Round 3. The rest of the 8 teams will be made up by best total points for the 3 races.
 - All remaining Chase teams' points will reset to 4000. Round 3 of the Chase will last 3 races and the Top 4 will advance to the Championship Week. If a Chase team wins during Round 3, they will automatically qualify for the Championship Week. The rest of the 4 teams will be made up by best total points for the 3 races.
 - Championship Week will be the last race of the season. Best team of the remaining 4 will be the Champion, with 2nd, 3rd, and 4th respectively.
- Only Sprint Cup Points Races will affect the team standings.
- The 2017 Rubbins' Racin Fantasy Racing League will pay the **TOP 4** points positions at the end of the Chase, Regular Season Champ (Total points for 26 weeks WITHOUT bonus for Wins), as well as **\$10 for LAST place**. (In the case of a tie for a position, all teams sharing that tie will also share the monetary reward for that position. i.e., if three teams tie for first place, the first place prize will be split three ways, not 1st, 2nd, 3rd.) **SO TRY TO PICK SO YOU ARE NOT A DOUBLE.** ****Payout structure could be modified depending on entry count****
 - Champion: 40% of prize pool
 - 2nd Place: 25% of prize pool
 - 3rd Place: 15% of prize pool
 - 4th Place: 10% of prize pool
 - Regular Season Champ: 10% of prize pool
 - Last Place: \$10
- The deadline to enter your team(s) is no later than **Sunday February 19, 2017.**
