APP of the Week

Beginning with 'We the peoples of the United Nations...', this app contains all Articles of the Charter of the UN as well as an introductory note that outlines past amendments. It also includes the Statute of the International Court of Justice that forms an integral part of the UN Charter. <https://itunes.apple.com/us/app/charter-united-nations-un/id446755408?mt=8>

Africa on the Net *(Thematic links of interest relevant to the work of the ECA)*

HEALTH

[Lessons from Africa: developing a global human rights framework for tuberculosis control and prevention](#)
Tuberculosis is a highly contagious disease, some countries have taken strong action, including the compulsory detention of non-adherent drug-resistant patients.

[Ebola: the missing link](#) What is also vital in West Africa right now is the interface between the essential efforts of the international community and the needs of the populations affected

[Preventing the Emergence of Ebola Disease in Unaffected Countries: Necessity of Preparedness](#)
In addition, the outbreak has unmasked the ever-growing socio-economic disparities in the different sections of the world...

ENERGY AND NATURAL SCIENCES

[Renewable energy investment in Nigeria: A review of the Renewable Energy Master Plan](#) This paper reviews the Renewable Energy Master Plan (REMP) which identifies this improvement and presents a draft on how an increase in investment in renewable energy resources...

ENGINEERING SCIENCES

[Skills Needed by Engineers in the Platinum Mining Industry in South Africa](#),
The results of the study indicated that theoretical knowledge, technical skills, management skills and engineering principles were skills needed for technology-based engineering in the platinum mines under study.

AGRICULTURE

[Lowering food price spikes for a resilient food system](#)
The objective of this chapter is to review the latest literature and developments related to actions taken in preventing and managing food price spikes.

[Like under nutrition, micronutrient deficiency or hidden hunger is a violation of a child's right to a standard of living adequate for the child's physical and mental development](#) 2014

Since 1990, significant progress has been made in the fight against hunger. Despite this progress, the number of hungry people in the world remains unacceptably high.

[World Investment Report](#) / UNCTAD, 2014.

Points saillants à la Bibliothèque

La bibliothèque de la CEA offre une variété de services et de collections et est sans aucun doute l'une des plus vastes collections de documents sur le développement économique et social en Afrique sur le continent africain. Pour plus d'informations sur les services disponibles voir ici <http://libguides.uneca.org/ecalib>
