## APP of the Week

### Humanitarian Kiosk

This app contains information from humanitarian emergencies from around the world

<http://www.humanitarianresponse.info/applications/kiosk>

## Africa on the Net *(Thematic links of interest relevant to the work of the ECA)*

### Geography and Earth Sciences

[Assessing the Effectiveness of Land Restoration Interventions in Dry Lands by Multitemporal Remote Sensing – A Case Study in Ouled DLIM \(Marrakech, Morocco\)](#)

Atriplex nummularia has been extensively planted in Northern Africa to combat desertification. However, few studies evaluated the effectiveness of these interventions. This study aimed at assessing the dynamic performance... Jan 2015

[Furrows in Africa — canals in the Americas?](#)

The use of the term furrow system for locally developed irrigation in Eastern Africa is misleading in an international comparative perspective. It is at odds with the terminology in irrigation engineering and also with the archaeological terminology... Dec 2014

[The archaeology of northern Nigeria: trade, people and politics, 1500 BP onwards](#) This paper offers an overview of archaeological work car-

ried out in the northern part of the Federal Republic of Nigeria and dealing with sites of the past 1500 years ('Historical' and 'Iron Age'). 2014

### Knowledge Management

[Advanced techniques for knowledge management and access to strategic information](#)

This publication discusses advanced knowledge management techniques based on information splitting and sharing algorithms for secret, strategic information. April 2014

[Plans versus people: Comparing knowledge management approaches in IT-enabled business projects](#)

This paper evaluates the impact of two approaches to knowledge management in projects - one focused on aligning project documents ("the Plan-based approach") and another focused on developing shared understanding between different teams within a project ("the People-based approach"). Feb2015
