

Perspectives on International and Intercultural Service-Learning

This 3-part reading group will focus on discussion about international and intercultural service-learning. Topics include issues related to culture, context, and student learning outcomes in international, community-based service-learning settings. Reading selections (5 per session) will be made available to registered participants. Although participation in the entire series is encouraged, you are welcome to attend individual session(s). Bring your lunch!

Co-sponsored by the Center on Democracy in a Multiracial Society

Theoretical Foundations of International Service-Learning

Monday, September 28, 12:00-1:30 p.m.
