

AT A GLANCE

RM EASITEACH SOFTWARE

Do you have a question about the RM Easiteach Next Generation software?

If you need direction/assistance with the download/installation process for the latest version on the software, visit the following link

<http://www.easilearn.com/global/EasiteachDownloadRegistration.aspx>

If you are being prompted to enter the registration code and are not certain what it is, you can locate it on the back left corner of the installation disk sleeve. Your disk sleeve may be grey or green in color.

If you have any additional questions or concerns regarding this software contact Easiteach tech support via email easiteachsupport@toolfactory.com or 1-888-401-5023.

Office hours: 8:30am - 5:30pm (Eastern Time),
Monday to Friday

If you would like to learn more about the ETNG software, visit the following link
