**Directions to our training rooms**

Our training suite is located at Unit 22 Deane House Studios and our main office is at Unit 17. Our offices are fully accessible.

Starting at Kentish Town underground station, turn right out of the station, then when the road splits take the left hand fork (Highgate Road).

Greenwood Place is a through road, so it is possible to take the first turning into it (next to the Forum) and to follow the road around, or to take the second turning into it.

Deane House Studios is straight ahead as the road starts to bend.

Please take the lift to 3rd floor and turn right. Unit 22 will be immediately in front of you, Unit 17 is to the right.
