Greetings from the CLN!!

What happened to December and January? I'm sure all of us find ourselves coming and going in all directions these days. If you have not visited the CLN lately, take a look at the interesting discussions and respond to questions that have been posted lately.

New Classification Resource Update

Our new edition of the book [A Classification System for Church Libraries](#) is off to a great start! Some of you may have missed the information from the LifeWay copyright attorney about the use of the new format. He suggested you may want to ask an attorney in your church as well. His opinion is that you can print one copy of the pdf per purchase. However, you can have the pdf on more than one device that is owned by the purchaser. So if the church purchases the book, you can put it on church owned devices. If you purchase it, you can put it on your devices. And you can print one copy per pdf in the same way you would purchase one print book. This book is now only available in pdf format. The book stores no longer carry hard copies. I've heard positive comments about the typesize and placing it in a binder for ease of use.

In addition, if you have difficulty **downloading the book**, my first suggestion is to ask someone in your church office to purchase it via [LifeWay.com](#) then download it to your computer or the church's computer. For assistance, contact the LifeWay Web Support Team. I've heard they do a great job in assisting people with the download process. Their direct toll-free number is: 1-866-627-8553 (8:00 A.M.-4:30 P.M. CST M-F) or go to [lifeway.com/chat](#), or email them at: websupport@lifeway.com.

New Mediagraphy: Children Books

Very pleased to introduce a new mediagraphy of books for children! Eva Nell Hunter has done a beautiful job of collecting titles to recommend for your library. She has intentionally included a few titles published before 2014 because she does not want you to miss them! Join me in expressing our gratitude to Eva Nell for all the time and energy she has given to this project. Click [here](#) to open the mediagraphy and download it on to your device. You may make as many copies as you need! Do I hear you asking what the focus is for the next mediagraphy? Juvenile.

Valentines Season in Your Library?

What are you doing in your library for Valentines? Be sure to take pictures and [post them](#) on the CLN. We are all looking for ideas for 2016!

One Church Library Making a Difference

A couple of years ago, Fay Hudnall wrote an article for the LifeWay Church Library eNewsletter. Her story is a great match to our Valentines season. This story shares how one library team loves people and their church family. As you read it, reflect on how God is using your library ministry in the life of your church family and community. Do you have a story to share? Let's

start a new “column” for our monthly broadcasts called “Church Libraries Making a Different World.” Take a few minutes to write 500 words or less about an experience your library team has used to glorify God. Email it to the CLN (morlee.maynard@lifeway.com). Can't wait to see what God is doing in and through our libraries! Read [more](#).

Let's stay in touch here at the CLN!! May our circle of prayerful support strengthen our ministries.
