

Webinar Workshops 2012-2013

Early Childhood – High School Educators, Administrators & Parents

- Webinar Workshops provide an innovative way to train audiences of ALL teaching & learning levels, while saving time + money!
- Choose from the Menu below or... request a custom-designed topic of your choice!
- All Webinars are live + interactive 1- hour workshops.

OUR MISSION

Through education and multicultural arts-based experiences, we improve learning and teaching success, nurture social & emotional skills, develop creativity and encourage global citizenship.

WEBINAR FACTS

- Each Webinar is 1 hour long and can be delivered morning, afternoon or evening time-slots.
- All Webinars require Internet access.
- All Webinars require access to a phone to call into a Free Conference Call number.
- All Webinars are facilitated LIVE by professional Education, Training and/or Cultural Arts experts
- Webinars accommodate 5 – 50 participants at the same time- in different locations.

WEBINAR INCLUSIONS

- All Webinars use an upbeat, engaging, interactive format. Participants listen to the live presentation through a phone and interact with an exciting visual presentation via the Internet
- Participants are invited to learn, reflect, ask questions & interact with the training facilitators + fellow attendees.
- Upon completion, all participants receive a Certificate of Completion and a Workshop Packet
- SACC and P.D. credits are available
