

## **2014 Diocesan Chaplain Awards Friday**

### **Davenport - Fr. Robert Harness Council Holy Family 14678 Davenport**

Fr. Bob is a huge supporter of the Knights of Columbus and particularly Holy Family Council 14678. He always announces K of C activities from the pulpit to generate parish support. He supports our membership drives held each year and aids in our recruiting.

Our council values his opinion when it comes to parish activities. He attends almost all council meetings unless he has other commitments. Fr Bob made the recommendation to start assisting the parish handicapped and elderly from their cars to the church elevator so they can attend Saturday evening mass. This has been ongoing now for 3 years with one or two knights meeting, greeting and assisting our parishioners that need the help.

The Iowa State Council Recognizes Father Robert Harness as the 2014 Davenport Diocesan Chaplain of the Year and thank him for his dedication to God and his people.
