## Spies' Report 2008

In October of 2003, ten people from Beit Emet and Yahshua HaTikvah Yisrael Congregations went to Israel as witnesses to "spy out" the Land and see how B'nei Ephraim (the scriptural Northern Kingdom in dispersion) would be received, by their brother Yehudah, upon their return from exile.

The reports as they appear on the original Spies' Report page have been one of the most popular parts of our website. Now, after five years, Worldwide Biblical Zionists hosted the opportunity for us to return and see how Yahweh is moving in the hearts of our brothers and sisters in Israel toward us and our return home. This time, sixty people made this journey. We are posting the reports of those who came with us who want share their observations and thoughts.

May these testimonies be a blessing and encouragement to all who read them. For as Torah states in Debarim (Deuteronomy) 19:15 and as Sha'ul paraphrases in 2 Corinthians 13:1, *"By the mouth of two or three witnesses every word shall be established."*

Our sincere thanks go out to Joel & Pamela Bell, Asaf our cameraman, our tour guides, bus drivers, and everyone who hosted us and shared their homes and hearts.
