pain killah art x dmc.

So the actual model itself was made and designed by this guy by the name of pain killah art. However the design you see before you was actually by this kid by the name of dmc. he of course had no idea what he was doing so he decided to throw in an axe and while hes at it kill a super cute character. for more of this guys stuff, go to www.dmc.dmcblog.blogspot.com or for that pain killah art guys stuff, go to www.thefallengubies.blogspot.com
