Hard News:

T: Tom the Ring-tailed Cat: the whole story around Ferguson was pre-meditated – the cops, the prosecutors, some levels of government before this ever happened .

- the police hand-picked the boy and told the officer to be sure and get him in the car!
- That did not happen – but he was also told to get the boy dead!
- And a British national cutting off the head of an American Journalist!

R: as D'yanna said there are also many miracles happening!

T: Tom the Cat said that the 5th Element is involved in this: yes, we have the responsibility to push president Obama and we do it with more meditation, more awareness of the deeper truths of what is here, more prayer – we need to bring more people to this kind of awareness.

- T & R are getting stuff ready about their show, and BBS is going to spread the word about this show all over the rest of the BBS programs
- Laurence O'Donnell, on Wed pm, said in response to a lawsuit to the ACLU, the St Louis County Police released an incident report which said nothing essentially: just that it was a homicide and gave the name of the victim. The time was on it which means the report not filed until 10 days AFTER THE INCIDENT!

- the police et al pre-meditated this because they had plans to create an incident a lot bigger than this and get a lot of people rioting so they could shoot and kill more & then declare martial Law
- R:** there are stories coming from Rumour Mills and other places: yes, they are petrified about what is about to happen; it is about the cat showing up – their momma is bad, she's black and she's beautiful.
- It is not about revolutionary energy, but the original energy: Mother is the original Empress of the Moabite Aboriginal Nation – brings up the anima / animus, primordial energies, the powers of creation, the masculine and the feminine
- The story in our face right now is from y are the Powers That are No More:
 - they want to create a scenario that ends up as Martial Law; they want to create another war, they want to spread Ebola, and they want to use the ISIL group to create another 9/11 by Sept 11 – ACTUALLY, They want to take out the President and his entire family! This is what reptiles do when they are terrified!

R: asked "When?"

Tom: if I tell you, then the timelines change and then we are both up shit creek, so I cannot tell you!

- I won't take your hand but I will show you: here is how:
- "it's tag, we're it" - what to do – get in the face of our elected officials and, say with all due respect, sir, it is time to get the clarity and accountability in order – and make sure you are in a walking meditation at all times

T: The policeman **did not write or file the incident report** – he is supposed to do this immediately after the incident: his lawyer told him not to!

- When the ACLU pressed them for the incident report, the COUNTY police wrote the report!
- It had nothing on it – indicated it was filed on the 19th, 10 days after Michael Brown was killed.

James Cavanaugh: it's a blank – contains nothing but the victim's name, the time and location, nothing else. No circumstances around the incident – when you have a homicide on your beat, you have to write a long, **detailed report**. What the first witnesses say, you write it down & include in the report

- you list the witnesses and all kinds of information.
- Once you are done on the scene, you go to the office and write a LONG report!
- the whole situation cries for the DoJ to take the case – something has to happen here.

Laurence: so far, the police dep't is textbook for a bad shooting, something they do not want you to see.

Lisa: when the officer goes into the Grand Jury, he has the advantage of knowing what happened and not having shared it with anyone else; he can listen to what everyone says and make up a story & present anything he wants to the Grand Jury!

- The officer DID NOT HAVE A FRACTURED forehead, just a few bruises
- All kinds of information is just not available that should be available

Cavanaugh: It would be easy for the police dep't to give out the results of the hospital visit: when there is trouble getting information, that means the information is not good!

Liz Browne: has never seen anything like this case before; has never seen, either, the fact that the potential defendant is being invited to walk into the Grand Jury and present his case? No Prosecutor seeking an indictment ever invites someone in to argue his case.!

- It may very well be that Darren Wilson has testified before this Grand Jury before on another case; so there is the potential for the issuing of an indictment on a man who might have some credibility with the Grand Jury and they have to decide if they are going to do that.

Laurence: a very strange case

The Last Word With Lawrence O'Donnell 08/21/14

(1) As Lawrence predicted, no incident report

St. Louis County prosecutors office confirmed that Ferguson PD didn't file a report after the shooting death of Michael Brown. Our panel joins Lawrence [Lisa Bloom, Liz Browne, James Cavanaugh]

(2) New witness's crucial info in Brown shooting

Michael Brady, a new eyewitness to the Michael Brown shooting, describes moments leading up to shooting. He gives those details to Lawrence O'Donnell.

T: talks about the 3rd witness who took pictures from an apartment window

WILL BE COMPLETED AFTER THE CONFERENCE CALL

Conference Call:

C1: was talking to two journalists who shut down when the caller told them about Hillary as Hitler's granddaughter – where could she get the proof of that?

T: will never get it - same as the subpoenas: there is **no back up for any of this until AFTER THE FACT.**

- Remind them that Angelca Merkel is her cousin!
- The information about Angelca being daughter of Hitler is accessible
- Hillary is from the duPonts on her mother's side, one of the 13 families - the truth about the father is never told!
- Bill's father is Winthrop Rockefeller – his mother's brother-in-law [his uncle]
- George Bush Jr – father is JFK Sr – done by petrie dish!
- Jimmy Carter's father is Joseph Kennedy [ie, he's a Kennedy]

T: Faction 2 does not have and cannot have any tie in with Faction 3 –

- as Tom the Cat said today, if I told you more than I did, we'd change the timelines. Rama knows better than to change the timeline, but he's been there
- Faction 2 is our Congress, and the military & this includes the good, the bad and the ugly;
 - to tell them the outcome before the outcome comes? Then you are violating the Prime Directive about not interfering with a civilization's development when they have to figure out things for themselves

T: they fell out of power 23 weeks ago – they have been doing fraud since that time

C1: still looking for information on F 3 people

T: Sam Seder is F 3 but he has a gag order and if he says too much, he gets dead.

- **Rama CAN GO FURTHER BECAUSE HE HAS NO GAG ORDER!**

C1: is there info on the Alien Contact Intelligence Organization [ACIO]?

T: this is **38 levels above the president** which means **no one below that gets access.**

- This president has access BECAUSE HE WENT TO MARS AND OTHER PLACES WHEN HE WAS 18
- Andrew Basiago has been on the George Noory show; he was in the Pegasus Project and identified that Obama went to Mars- it is about 6 hours long

C2: Laura Eisenhower knows about this too

T: And there is **The Hyper Dimensional Election of Barack Obama** – 2.5 hours by Richard Hoagland

- He brings 19.5* energy to the White House, a very high vibration which we need to move upwards
- The whole design for divine governance is brought by NESARA

T: the way that each person gets \$10 million is no business of other people – IT IS TRUE!

- The 2nd month after NESARA is enacted, there will be a re-valuation – the \$10 million will be worth \$100 million
- By 2023, we won't need money any more – there might be some things
- Richard Wolffe said it's a funny thing about people involved in capitalism – all the “isms” have only lasted for 200- 300 years, and capitalism has been here for 200 years – time for capitalism to go, and people are protesting, wanting to keep it
- a whole lot of people will be leaving, moving to another planetary systems because they are so much into the programming that they cannot accept anything else
- As we progress, we help them move forward too
- Cities of Light – some are / will be under the ocean, some are/ will be very high above: these will house the elders who are the bio-transducers, living in the 5th dimension

- then there will be a medium level of Cities of Light – those who have worked through the patterns of discipline and beyond the “mine is the right religion” - at the Initiate level – the Nazarene Essene teachings will come into play [not the Quamran Essene teachings]

C3: asking for a review of what happened in Iraq with the journalists

- T:**
- Lindsay Graham, John McCain, Bandar Bush funded the entire affair
 - David Cameron is in the mix – they funded the British national who cut his head off
 - Jim Foley was abducted in 2012; was in Syria – the 2nd reporter is also in Syria
 - in August, the US went into a site where the journalists were supposed to be – as Graham, McCain, Bandar Bush knew what was going to happen, they told the ISIS ones who then moved the journalists!

T reads the article with the name of the treasonists:

[SEE BELOW]

- when Bush lowered the taxes for the wealthy, **each member of Congress got \$1 billion!**
- in response to a question: yes, some Democrats are as bad as the Republicans – there are only 64 good members and they are all Democrats

Mother Sekhmet

T; Pray love, pray peace, pray joy; pray that it is here now – the highest good that we can imagine and the energy of Mother that embraces all of us

- Ma'at – reverse the syllables and you get Atma – the ascended state of the monadic state of pure, unity consciousness, the state where there is no negative – as we all work with that attainment together, the state of Ma'at exists which is the future self of Mother where we all work in unity consciousness and in peace.

T: we ask that the denouement of the Kali Yuga happen quickly!

Greetings, Children of Ra!

- In the Light of the Most Radiant One, and in the Office of the Christ and only in the Office of the Christ, we invoke the loving energy of St Germain and the Violet Flame

- Indeed the time is nigh: we have the power of love to change this story now to one of love and not of war
- Now is the time when all the folks have said Step up to what you have the power to do. It is that place: you are in the midst of such ecstatic transformation of the planet and her inhabitants. Your friends with the 4 legs will begin to talk and walk along side you. You won't need a Whisperer / interpreter.

- There is a story out there: we are all One. The telepathic universal language called Solex Mal – we all speak it, all the kingdoms - it is the universal tongue – what is happening in the electrical atomic structure down to the microscopic particles called protons, electrons; they listen and hear the call of the one hand clapping that is the nature of the business of this day
 - even those ones we call the darkest of the dark – they also hear the thunderous call of that hand clapping; part of the nature of what makes up this Universe which has said time for qpeace, time for joy.
 - Yes, we are looking through the eyes in these temples of the living god, and it very much looks like Mordor walking forever through the valley of the shadow of death
 - there s a movie called **Zombie Nation** or something – of course, when we play with scalar frequencies which we are made of, and we play with technology substances that alter the chemistry of this temple and we are not in the right consciousness, we will lose it:
 - if we are not conscious of what we are doing in each second and they are looking for that one second we are not awake and aware

- The intensity of the last moments of this super moon leading up to the last super moon – one more is coming in September
 - It is about the facts of the matter: all matter, anti – matter. Since it is all a matter of the mind at hand here, it would be in our interests to use super consciousness, Atma – this place of the high heart: where we were supposed to be activated in since the time we came here & we forgot!
 - now we are in a crash course on how to get to the high heart
 - People are looking at the depths of Mordor every day they put on the transmission box, there is no truth; maybe are only 3 or so telling the truth – like Abby Martin on a good day when she is not bashing Mr 19.5* about drones –
 - yet it not him, but the cadre of criminals around him, at his behest, knowing full well that ultimately they would fall due to their addiction to power without love: they care not one atom for our existence, only what they can make make on our death
 - as Mr Spock would say, it is illogical for them to care about you, and therefore you are excess trash that must be emptied! [They genetically engineered themselves out of that one! (love)]
 - In the midst of this love them even more – it may sound ridiculous yet it is the key

T: The Shield of Hope has gathered over \$200.000 for Darren Wilson because they feel sorry for him

Mo: She knows of many others who are justly in need – what is the first law that the Man with the Plan taught – the least among us

of course they would crucify Michael Brown for their own dark deeds WHICH IS CANCELLED

- all of this is their very terrified actions, as we are already in the midst of that surrounding our planet and that which is coming in:
 - there is a visitor coming into this neck of the solar system – has a rendezvous with that point on Mars: Richard Hoagland speaks about this – there is something – the final cotter pin in the whole –
 - we are already out matched, out gunned and out witted - if they were to de-cloak, there would be so many ships, we would not see the sky, WE WOULD ONLY SEE SHIPS.
 - It is not about invasion, but about the request of the earth and us who have asked for help
 - the real call of duty is serving this planet as Warriors for Peace – that is how it is completed.
- The timelines have changed; we are in the final few seconds where something radically shifts
 - It is called WE the People when something happens that galvanizes things into one Unified Field
 - it is about the Mahdi, the Maitraya showing up: no accident that the entire Islamic world is ready for this – it is not about jihadi but about the Boddhisatva Vow
- Out of the tear comes this One who represents that energy of Quan Yin with Buddha that changes the entire story now; Maitraya, the Buddha comes and it changes the entire landscape; they would wish to call him anti Christ but it is not that but about fulfilling the story
 - According to the fake completion, the contrived country of Israel has created the Book of Numbers, ending the story; Revelations – the Mahdi comes and it is **not about** Armageddon, but about the Rainbow Bridge which has already manifested on this planet
 - Why are the indigo crystal children always talking about rainbows, and use the rainbow to represent the LGBT and all humanity – it is because there are 12 rays + the 13th called platinum
 - It takes all 12, 13 of us to complete the circle / cycle

T: how much more of this? Can we end this now?

Mo: it is about a small group of life forms who are so xenophobic they want to separate themselves from the rest: you want to be xenophobic you can hang out with her in the void:

- xenophobic means to be so isolated from contact that you have your own universe

T: but then you have to feed off everyone else to exist

Mo: they choose to go to the Dark Rift of their own volition because they are without conscience – it is about their own process of the force which they have chosen to follow. Enshallah – let them go their way

- The rest of us are on active duty, healing this earth and ourselves from how many eons? Since the beginning: it is only about the place of coming from the high heart with love for others who might spit on us as they choose, like what is being said about . . .

T: they see something on TV that is funny

Mo: Andy Griffiths needs a bazooka to take on Goddess and the Annunaki warriors!

- it is the story which is science fiction which is science fact.

T: from some Hindu traditional info she learned that Kali Yuga embraces both the Aquarian and Piscean Age – they still believe that in the tradition writings - where did that come from?

Mo: Breaking the Set: every one has a thought that they know the way: she comes in and shatters the illusion by coming as the 5th element, the naqual, that people have when they think they have figured out

T: how could we live through this for another yuga?

Mo: NO MORE – YOU ARE ALREADY IN SAT YUGA!

- this is the real story – what we are sitting in is the maya, **the real illusion** where we hear the sound of one hand clapping, and the ripple as one drop of water falls into the pond and the noise it makes is like the sound of Niagara Falls in your ear, it is so loud!
- The one eyed transmission box has people's attention with its latest thing – a new g-string! - makes no sense. It is about the fact that we are all one!
- At this moment, she says if we must know, there is another reality unless we really have bought the electric Kool Aid that was laced with cyanide! Wake the f*** up!

T: we just listened to the first half of Bobby Kennedy Jr's riff on giving babies vaccines with mercury in them before they even get started; said that the only thing more dangerous is radioactive plutonium

Mo: why do you think the Pentagon has given all the police forces across the country their excess equipment: It has depleted uranium in it - they are getting radiated with it all, the clothing, the equipment, the bullets

T: even people with private guns

Mo: the dark ones know that with a few twists of knobs on their craft, they can remove the radiation

T: we are in Sat Yuga and that is done with now

Mo: this is ended: time to talk about ecstasy

T: you guys and the Ashtar Command said you were going to stop all this – how about it?

Mo: Mr Clean is here

- We are erasing the timelines
- Now is the time to wake up: tag, we are it as we are the ones on active duty to change the course of the Ship of State, right in this moment

T: you can tell it has to be this way because they have such ugly plans

Mo: they want to stack bodies up like firewood and set them on fire: **this has been cancelled**

T: as a sister was asking, has people who would like to know where they find the proof that all this exists?

Mo: It exists in the Wingmaker Caves in Chaco Canyon; and you need to get past the force fields to get into the caves in the canyon

T: slept there for 4 nights – she was in a different dimension for sure

T: one near Santa Fe, the one in AZ, another one she was at: she met the people all dressed in white, from Kenya, asking where she came from, and they walked the canyon in bare feet

Mo: Now is the time that what we have asked for is being made manifest in our physical reality

- we are god men and god women, and we have the ability to understand, overstand – what we think shows up instantly – keep the tongue pure, the thoughts pure - focus on the Mighty I AM decrees – it changes the vibration in us

T: in the article about the Yugas – the age of innocence is one with the Divine & self-realization is present in every thing; then another yuga manifests and the silver age when the power of truth was weakened to ¾ of its strength & the being became weak

Mo: These are stories from the different vegas - someone else talked about this: the copper, silver, bronze, gold ages having to do with enlightenment for humanity

- in the golden age, we are immortal and the temples last for as long as we wish, until we want to change bodies

T: the copper age was when man worshipped god in the form [from the Hindu writings]

- Now we are in the finish like of the Kali Yuga, the Dark Age, the Machine Age
- 432,000 human years of the Kali Yuga – which is about the time the Annunaki came in and degraded our DNA to the point where they could control us.
- We are finished with the 4 cycles -

Mo: That is why she says that we passed through one version of the Mayan calendar; on the other side, earth and the people are not going to go through what was seen in the I AM America maps – yet at the same time, there is still a lot to be done, as Bernie Sanders always says

- It is about righting the ship of state as well as our consciousness
- We are all equal regardless of what colour we are! The 12 rainbow rays make up the joy, the beauty

T: then square that: there are 12 within each 12 – quite a few dimensions out there!

Mo: There are places in the Universe of Nebadon not yet discovered with the Hubble telescope, where people have never known war – they wish to come here as emissaries of peace and teach us the magic of the single thought form energy and we can create universes like we all know how to do

T: reads more from the writings: each wheel overlaps the other and the shape of the infinity is formed when they turn

- As we can pass this test, we can do anything: when it began, the Age of Darkness had a head start – they had $\frac{3}{4}$ of the energy, and only $\frac{1}{4}$ of the light, the truth was revealed - and we had to work with that!
- So we can cancel going through another yuga in the Kali Yuga, right?

Mo: Affirmative, Commander!

T: We are entering Virgo, the virgin purity

Mo: it is about love and how we get through this with divine humour!

T: finally let 100 of the 180 Russian trucks went across the border in place where Kiev did not stop them

- had only food, water, sleeping bags – no guns, etc

Mo: because of the nature of what makes up this reality construct . . .

T: talks about the story that was made up; people now know what is going on

Mo: all this is orchestrated: wish to create a firestorm of confusion so no one knows what is up

- Meditate every day, do your Decrees daily – this changes the reality as much as they want to play with the scalar stuff – the Office of the Christ energy is more powerful than the dark energy

T: pointing out that tear gas does harm to the body, yet they used it for 5 nights in a row – and the police wore gas masks. [Ferguson]

Mo: send them love, walk the razor's edge, be true Jedis!

Kadoish, Kadoish, Kadoish

Rama: was on Saturn, looking at some kind of council meeting concerning the situation in the Middle East and in the US; he observed one of the galactic councillors giving a dissertation on how to heal the most egregious acts that the US is doing as the aggressors

- As Jeremy Scahill says, we are the ones creating the darkness.
- All the legions, legions upon legions, of the ships are all here – these ones are shit out of luck – love them as they leave!

T: talks of Dorian who walked with Michael Brown – he was interrogated for 4 hours, and he was essentially forced to say that he and Michael walked into the convenience store and took the cigarillos

- this whole story has to be stripped down to the truth.

R: there are so many gazillions and gazillions of ships surrounding our atmosphere that when they decloak, Homer will have something to talk about – and we will be the counsellors who just say “Gotta chill, dude!”

T: the Russian young people in their shorts have the courage to just drive through the border and pass out the food & other things

R: and they call this an invasion! What do you have – James Madison and the others who asked what have you got when you have people standing around with sidereal weapons? Need Master Yoda and Obi Wan to save the day – and that's us, folks!

T: continues with the rest of the story about Michael Brady, the new witness, and what he saw the day that Michael Brown was killed – from *The Last Word of MSNBC on August 21st*
This is a heavy duty confirmation of what happened!

Audio: Conversations with Great Minds – Thom Hartmann interviews Robert Kennedy Jr.

President of Waterkeeper Alliance, Senior Attorney for NRDC, Chief Prosecuting Attorney for Hudson Riverkeeper

As he went around the country, women kept telling him the biggest source of mercury was from vaccines. Took him a while to get up to speed

Thimerosal: Let the Science Speak: The Evidence Supporting the Immediate Removal of Mercury—a Known Neurotoxin—from Vaccines
Hardcover – August 4, 2014

From New York Times bestselling author Robert F. Kennedy, Jr., comes a science-based call for the immediate removal of the dangerous mercury-containing preservative Thimerosal from vaccines.

Over a decade ago, following a sharp rise in developmental disorders such as autism and ADHD, the mercury-containing preservative Thimerosal was widely believed to have been eliminated from vaccine supplies in the United States and abroad. However, dangerous quantities of Thimerosal continue to be used, posing a significant threat to public health and leading to a crisis of faith in vaccine safety.

In this groundbreaking book, Robert F. Kennedy, Jr., examines the research literature on Thimerosal and makes a very clear statement about its potentially dangerous effects. In the past, the CDC, FDA, NIH, and AAP, as well as the US Congress, the American Academy of Family Physicians, the US Department of Agriculture, the European Medicines Agency, and the California Environmental Protection Agency have expressed concerns over the use of Thimerosal in vaccines. But despite the many voices calling for action, the media and policy makers have repeatedly failed to adequately address the issue.

Now, with **Thimerosal: Let the Science Speak**, the science supporting the elimination of this toxic chemical from the world's vaccine supplies, and its replacement with already available safer alternatives, is all in one place. Making this change should increase vaccination rates by restoring the trust of concerned parents in the vaccine program—a program that is so vitally important to public health.

Episode 642

August 18, 2014

http://img.rt.com/files/episode/2c/28/40/00/keiser1908_480p.mp4?event=download

In this episode of the Keiser Report, Max Keiser and Stacy Herbert ask why, if fracking is so great, is it a state secret? A UK government report looking at the economic consequences in rural Britain is so heavily redacted that none are allowed to know the third “major social impact” the fracking process may cause. They also discuss one energy analyst’s call for fracking as the ‘dotcom bubble’ of our age. In the second half, Max interviews an activist from Germany, Lars Maehrholz, who has seen tens of thousands across Germany attend his weekly Stop the Fed rallies.

August 21, 2014 13:30

http://img.rt.com/files/episode/2c/48/80/00/kr2108_480p.mp4?event=download

In this episode of the Keiser Report, Max Keiser and Stacy Herbert imagine a 3D-printed lawyer glut and bankers having their way with subprime mortgage bonds and then dumping them on unsuspecting pension funds. In the second half, Max interviews Jim Rickards, author of “Currency Wars” and “The Death of Money,” about the financial environment looking a whole lot like 1987 when markets tumbled by 22 percent in a day. They also discuss whether San Diego leveraging up on risk, or Japan running out of steam, could be the trigger for the big sell-off.

I think we should all remember that on January 20, 2009 (inauguration day) GOP House Leaders & GOP Senators plotted to sabotage the US Economy with Newt Gingrich and GOP Propaganda Minister Frank Luntz.

Here are the Facts:

FACT 1. In Robert Draper's book, "*Do Not Ask What Good We Do: Inside the U.S. House of Representatives*" Draper wrote that **on inauguration night, 2009, during a four hour, "invitation only" meeting with GOP Hate-Propaganda Minister, Frank Luntz, the below listed Senior GOP Law Writers literally plotted to sabotage, undermine and destroy America's Economy.**

FACT 2: Draper wrote the guest list included:

The Guest List:

Frank Luntz - GOP Minister of Propaganda
Rep. Paul Ryan (R-WI)
Rep. Eric Cantor (R-VA)
Rep. Kevin McCarthy (R-CA),
Rep. Pete Sessions (R-TX),
Rep. Jeb Hensarling (R-TX),
Rep. Pete Hoekstra (R-MI)
Rep. Dan Lungren (R-CA),
Sen. Jim DeMint (SC-R),
Sen. Jon Kyl (AZ-R),
Sen. Tom Coburn (OK-R),
Sen. John Ensign (NV-R) and
Sen. Bob Corker (TN-R).

Non-lawmakers present **Newt Gingrich** - Failed GOP candidate for President

I'd like to know:

- 1) Why are media outlets continuing to interview these GOP Leaders who literally plotted, in secret, to undermine the United States?
- 2) Why are no media outlets demanding each one of these GOP leaders explain their involvement of plotting to undermine the US Economy?

FACT 3: Newt Gingrich confirms meeting took place in an [interview](#) with Al Sharpton's Politics Nation on June 12, 2012

SHARPTON: In fact, let's go to a book that Mr. Draper wrote about the night of the inauguration. There was a meeting at a hotel near the inaugural ball, about a mile away ... He writes about that night the plan was to show united and unyielding opposition to the president's economic policies ... And Draper writes that you told the group -- you, Newt Gingrich, "**You will remember this day...you will remember this day the seeds of 2012 were sown.**"
If there was a commitment from day one, before he ever took a seat behind the desk of the

Oval Office, that everyone was going to obstruct him, then what he's done has been almost unbelievable, against those kind of odds, Speaker Gingrich.

NEWT: The first is, it was an important meeting and **I was glad and honored to be part of it** ... I said to Callista when we left the wall -- because we were at the Capitol for the inaugural. As we left, I said, you know, if he sticks to the kind of moderation and bipartisanship he's been describing, he will split the Republican Party. **He'll govern like Eisenhower and he'll get re-elected. Now this is -- this is the inaugural day.**

SHARPTON: I'm glad you admit you had it.

FACT 4: Two months after **Paul Ryan's covert meeting** where they plotted to sabotage the US Economy, in March 2009, Rep. **Pete Sessions said Republicans should follow the model of the Taliban** in its battles against President Obama.

In the March 2009 interview with [National Journal](#) Rep Sessions said:

"Taliban Insurgency, we understand perhaps a little bit more because of the Taliban. Insurgency is the way they went about systematically understanding how to **disrupt and change a person's entire processes**. And these **Taliban** -- is an example of how you go about to change a person from their messaging to their operations to their frontline message. **And we need to understand that Insurgency may be required when [dealing with] the other side"**

~Rep Pete Sessions, March 2009 to National Journal

Rep Pete Sessions went on to say:

"If they [democrats] do not give us those options or opportunities then **we will then become Insurgency** ... I think **Insurgency is a mindset** and an attitude that we're going to have to search for and find ways to get our message out and to be prepared to see things for what they are, **rather than trying to do something about them"**

FACT 5: Also, at the January 20, 2009 meeting they plotted to **suddenly stop** supporting any Stimulus Legislation, even though, they **all** supported Bush/Cheney Stimulus legislation.

At the meeting, **Rep Kevin McCarthy** said,
"We've gotta challenge them on every single bill."

"Show united and unyielding opposition to the president's economic policies."

FACT 6: Remember, these same Republican members of Congress supported the very Bush/Cheney policies that caused America to teeter on the brink of the 2nd Great Depression and caused the 2007 US Economic Meltdown.

Here's how they **all** voted:

- "Yes" to Bush/Cheney January 2008 Stimulus
- "Yes" to Bush/Cheney bailing out Bear Stern
- "Yes" to Bush/Cheney bailing out AIG
- "Yes" to Bush/Cheney TARP (sept 2008)
- "Yes" to Bush/Cheney TARP (oct 2008)

And these same Republican members of Congress:

Supported Bush/Cheney keeping cost of two wars out of the Budget.

Supported Bush/Cheney spending \$4Trillion while giving Top 1% Tax Cuts; ignoring the fact that **taxes pay for wars**.

Not only did these Senior members of Congress plot to destroy the American Economy more than it already was destroyed? They actually carried out their mission:

Every one of these Senior members of Congress have threatened **Government Shutdown** over things like:

- Funding planned parenthood,
- Raising the Debt Ceiling which, in-and-of-itself, would cause US Economic turmoil.

FACT 7: During the Debt Ceiling negotiations, **Eric Cantor and Sen. Jon Kyl** abruptly walked out of negotiations and refused to renew discussions with Democrats. As a result, America's credit rating was lowered which put a smile on Republican's faces.

FACT 8: Meanwhile, the 2009 Sabotage the U.S. Economy covert meeting members, **Senators:** Jim DeMint, Jon Kyl, Tom Coburn, John Ensign, and Bob Corker have:

- **Filibustered** more Bills (over 300) than any Congress combined in US History.
- **Voted NO** on every single piece of Legislation brought to the Floor including:
NO on Al Franken's Anti-Rape Amendment,
NO on Lilly Ledbetter,
NO on Fair Pay Act,
NO on Anti-Outsourcing Bill (2010)

FACT 9: The House members who attended the 2009 Sabotage America meeting have been busy rejecting legislation that helps victims of natural disaster.

Representatives: Paul Ryan, Eric Cantor, Kevin McCarthy, Rep. Pete Sessions, Jeb Hensarling, Pete Hoekstra and Dan Lungren have voted **NO** on every single piece of Legislation including:

NO on increasing FEMA during natural disasters.

FACT 10: Paul Ryan and these other same failed Congressmen have been on tv constantly chanting the [lie](#) that they were guilty of ... the lie that "President Obama's policies undermine the US Economy."

FACT 11: Other Legislation used to sabotage US Economy

Paul Ryan and the Republicans in Congress refused to negotiate or even discuss passing President Obama's **American Jobs Act** that independent economists claim would create 1.3 million new jobs

Gawd forbid Eric Cantor, Paul Ryan or Kevin McCarthy support an actual Bill that would put people to work building needed infrastructure and provide funds to pay to rehire hundreds of thousands of teachers, firefighters, police officers and other public service workers that have been laid off in droves by cash-starved states.

FACT 12: Paul Ryan and Republicans blocked **President Obama's 2012 Anti-Outsourcing Bill** - which is a Bill to discourage the outsourcing of American jobs. Naturally, journalists in India celebrated GOP efforts to undermine American Workers.

FACT 13: The [Washington Post](#) reported that Republicans have made it clear that the Federal Reserve would face fierce Republican criticism if it takes further actions to stimulate the economy before the election. The Washington Post wrote that,

Republicans... have expressed deep concern about measures taken by the Fed to support the economy -- and could be doubly upset if new efforts goose the stock market and are perceived to work in favor of President Obama's re-election.

Bottom Line: The media has failed ... completely failed ... to acknowledge and report that on January 20, 2009, before President Obama ever took a seat behind the desk of the Oval Office, Paul Ryan, Eric Cantor, Kevin McCarthy & other GOP Leaders literally plotted to sabotage the U.S Economy by obstructing 'the People's' work.

The People should be told the facts about that 4 hour covert meeting so the next time they know the GOP motives when they hear the GOP leaders bitch & moan & spew their BS propoganda -- talking points.

On January 20, 2009, House GOP Leaders & GOP Senators became Traitors against America. It will truly be a god-damn shame if voters are not told of what GOP Leaders did at that 4 hour covert meeting on January 20, 2009. All voters should see the depth the GOP will go in order to screw the American workers and f*ck over America in general.

P.S. In considering whether or not these GOP leaders who plotted to undermine America were "Traitors" I looked up the definition and decided -- yes -- in my view the GOP Leaders who met in a secret meeting to plot to undermine the United States are Traitors whose subversive actions were plotted to intentionally weaken the power of the United States.

Under Article III, Section 3, of the Constitution, any person who levies war against the United States or adheres to its enemies by giving them Aid and Comfort has committed treason within the meaning of the Constitution. The term aid and comfort refers to any act that manifests a betrayal of allegiance to the United States, such as furnishing enemies with arms, troops, transportation, shelter, or classified information. **If a subversive act has any tendency to weaken the power of the United States to attack or resist its enemies, aid and comfort has been given**
