Family Day

December 27, 2013

Dave Lerer presided over the meeting since the Pres, Pres Elect and Vice President were all absent! Also there was no secretary so he was secretary Dave too.

Guests: **Mark Stoner** brought his wife, **Karen**, his mom, **Dot**, and his kids, **Allie** and **Max**. **San Croson** brought her granddaughter, **Isabelle**. **Jim Lee** brought his wife, **Janice**, and granddaughters, **Emma** and **Kate**. **Dave Bittner** brought his wife, **Ilana**, and sons, **Scott** and **Jack**. **Sherri** brought her niece, **Rachel**.

No announcements or "moments" today to allow for more fun!

Program: **Mark Lohr**, Vaudeville Clown Extraordinaire from Young Audiences joins us today. Mark Lohr has been wowing global audiences for more than 2 decades with his unique blend of slapstick

vaudeville baggy pants comedy and circus arts! An entertainer who has studied the masters of his craft (i.e. Charlie Chaplin, Buster Keaton, and Bill Irwin), trained with one of the greatest Physical Comics of the last century (Thomas Dougherty), and fine tuned by well over a decade of performance experience entertaining audiences across North America. He is at home plying his trade in the Streets of Baltimore to the Beaches of L.A., from the stages of restored Vaudeville Houses to the Stage of the Kennedy Center in Washington D.C., from the tents of the Circus to the Myerhoff Symphony Hall home of the Baltimore Symphony Orchestra.

Mark involved all the kids (except Allie and Max who preferred to stay with their Mom and Dad) in the show. He also got Dave Lerer to join the action.
