

.: FREMONT FIRST :. .: NO STADIUM! :.

The Oakland A's will meet with 25 people at Warm Springs Elementary at 7pm on Tuesday February 10, to sell their stadium proposal. Even though it is invitation only, use this opportunity to have your voice heard.

Do you like the weekday late afternoon traffic on 880/680, Dixon Landing Blvd., Warm Springs Blvd., Auto Mall Pkwy, Grimmer Blvd., Fremont Blvd., and Mission Blvd.? How about the extra 10,000+ cars during game days?

If police can't respond to burglar alarms any more, how will they handle increased crime and activities with the new stadium?

Can citizens around the East Bay afford to have longer commute times?

Will the Oakland A's stadium in Fremont bring positive or negative economic impact? Should Fremont take the risk?

How much will our taxes rise to support additional city services and road widening/maintenance a stadium requires?

Who will benefit from the new stadium? (the Oakland A's, commercial developers) Who will suffer? (the residents, taxpayers)

How will the city deal with potentially drunk baseball fans half a mile away from an elementary school?

How will Fremont's public schools handle the children from the Ballpark Village when the school district is undergoing budget cuts?

What impact will this stadium have on our house values, home insurance and car insurance?

JOIN US FOR A PEACEFUL PUBLIC PROTEST

TUESDAY, FEBRUARY 10TH @ 6:30PM

WARM SPRINGS BOULEVARD SIDEWALK

(Bring posters/signs, flashlights, cameras/camcorders)
