

# FREMONT FIRST NO STADIUM

The Oakland's A's and the city want to build a 32,000+ people baseball stadium in Warm Springs. The Oakland A's will meet with 25 people at Warm Springs Elementary at 7pm on Tuesday February 10, to sell their stadium proposal. Even though it is invitation only, use this opportunity to have your voice heard.

## JOIN US FOR A PEACEFUL PUBLIC PROTEST TUESDAY, FEBRUARY 10TH @ 6:30PM WARM SPRINGS ELEMENTARY SIDEWALK

(Bring poster/sign, flashlight, cameras/camcorders)

- Do you like the weekday late afternoon traffic on 880/680, Auto Mall Pkwy, Mission Blvd, Warm Springs Blvd and Dixon Landing Blvd? How about the extra 10,000+ cars during game days? Can citizens around the East Bay afford to have longer commute times?
- If police can't respond to burglar alarms any more, how will they handle increased crime and activities with the new stadium?
- What impact will this stadium have on our house values, home insurance and car insurance?
- Will the Oakland A's stadium in Fremont bring positive or negative economic impact? Should Fremont take the risk?
- How much will our taxes rise to support additional city services and road widening/maintenance a stadium requires?
- Who will benefit from the new stadium? (the Oakland A's, commercial developers) Who will suffer? (the residents, taxpayers)

## FREMONT RESIDENTS DESERVE THE TRUTH!
