Specialist and library team leader for
Central Baptist Church, Decatur,
Alabama.

This mediagraphy features suggested titles
for church libraries. The titles are
alphabetized by authors’ last names.
Mediagraphies are presented as an aide to
librarians. All titles should be evaluated
against your church’s selection policy to
determine if it is appropriate for your
individual collection. Some titles may be
classified differently to suit the needs and
placement in individual libraries.

Most titles may be purchased via LifeWay
Christian Stores.
