A Gathering Place for Families Living with Alzheimer's and other types of Dementia

**The Last Friday Every Month at 2:00 PM
120 Miracle Strip Parkway ~ Downtown Fort Walton FL
<https://www.facebook.com/becausehopematters>**

SUMMARY:

On the last Friday of each month, starting at 2:00 PM, the *Synergy Organic Juice Bar and Cafe* will host the "Neighborhood Memory Café" –where individuals and their caregivers living through Alzheimer's and other types of dementia will find support and fellowship in a space reserved exclusively for them. Inside the Neighborhood Memory Café, serving love is the celebrated routine. Families can relax and chat over refreshing drinks, delicious coffee and healthy snacks while listening to music, creating a keepsake, benefiting from an activity, and enjoying the company of those walking in the same shoes (all at no cost).

According to the Center for Disease Control, there are more than 18 million individuals diagnosed worldwide and numbers are expected to quadruple by 2025. The Veterans Administration estimates that severe dementia now affects over 600,000 veterans' lives. There are over 65 million caregivers nationwide.

Thanks to a community of sponsors, family and friends can create new memories while loving one another through life's toughest journeys. The *Neighborhood Memory Café* meets the last Friday of every month for a two-hour period.
