

## A Gathering Place for Families Living with Alzheimer’s and other types of Dementia

**The Last Friday Every Month at 2:00 PM**  
**120 Miracle Strip Parkway ~ Downtown Fort Walton FL**  
<https://www.facebook.com/becausehopematters>

On the last Friday of each month, starting at 2:00 PM, the *Synergy Organic Juice Bar and Cafe* will host the “Neighborhood Memory Café” – a place where individuals and their care-partners living through Alzheimer’s and other types of dementia will find support and fellowship. Being forgetful or behaving differently is embraced rather than viewed as unusual.

Inside the Neighborhood Memory Café, serving love is the celebrated routine. Families living through Alzheimer’s and Dementia can relax and chat over refreshing drinks, delicious coffee and healthy snacks (at no cost). They can listen to music, create a keepsake, benefit from an activity, and enjoy the company of those walking in the same shoes.

*Synergy Organic Café* will host the *Neighborhood Memory Café* on the last Friday of every month, with activities lasting for the two-hour period. Thanks to a community of sponsors, family and friends can create new memories while loving one another through life’s toughest journeys.

Directions – [Map It Out](#)

Parking available on Brooks Street SE, behind Synergy Café  
 Look for the *Neighborhood Memory Café* banner and the purple balloons
