

# CONVENE

Convene is a partnership between the Institute at the Golden Gate and Cavallo Point – the Lodge at the Golden Gate committed to bringing high-quality conservation and environmental programming to the beautiful surroundings of Fort Baker. From November through April every year, we offer a special discounted rate to nonprofit and government groups gathering to address these issues, especially those resulting in specific action. Our unique program supports those fostering new ideas, sharing best practices, encouraging leadership, and supporting public policy changes that will benefit people and the planet. Convene helps groups aligned with this goal access this national park site.

Cavallo Point is a LEED-certified national park lodge that also serves the broader community. It was built with the shared vision to maintain the surrounding historic and natural features of Fort Baker while providing inspiring meeting space for the exchange of ideas and discussion of environmental issues. We welcome all organizations and meetings, especially those that:

- Are action-oriented
- Represent diverse perspectives and sectors
- Inspire organizational commitment and action
- Have national and international impact
- Serve as a model for others

## QUALIFYING FOR THE INSTITUTE RATE

The discounted Institute rate is available with the following qualifications:

- Be a non-profit, government, or cross-sector institution
- Host or sponsor an event addressing conservation or environmental issues
- Hold the event between November 1 and April 30 (holiday weekends excluded)
- Book a minimum of 10 lodging rooms per night
- Submit an application

## INSTITUTE AT THE GOLDEN GATE

Institute at the Golden Gate, a program of the Golden Gate National Parks Conservancy in partnership with the National Park Service, reimagines parks as catalysts for social change, making them more vibrant, relevant, and valuable for everyone. Our programs support the role of parks as a preventative health tool, as a classroom for climate education, and as a key resource for building healthy and sustainable urban centers.

## CAVALLO POINT - THE LODGE AT THE GOLDEN GATE

Cavallo Point—the Lodge at the Golden Gate is an elegant LEED-certified national park lodge and meeting venue situated in Fort Baker, part of the Golden Gate National Recreation Area. Nestled at the northern end of the Golden Gate Bridge, it is an eco-friendly inspiring destination for retreats, conferences, and other events for groups of 10-300.

A program of the Golden Gate National Parks Conservancy in partnership with the National Park Service
