

# I-GROUP FACILITATOR TRAINING

## Supercharge your I-Group with IGFT

I-Group Facilitation is the art of directing a process in which a man discovers a deeper truth about himself, others, and the world. In the IGFT we explore how to pace facilitation, ask good questions, and practice skills for developing powerful intuition. Over the two days you will have an opportunity to practice your facilitation skills in eight processes, being the facilitator, being facilitated and being an observer.
