

Resources for Church Librarians

Church Library Ministry Information Service

A comprehensive how-to resource for church librarians. This starter-pack (164 pages with 6 tabs; three-hole punched) contains the best practices in church library administration, classification and cataloging, collection development, and promotion. It is a tool for organizing all of the information that guides your church library ministry—web site articles, conference handouts, and LifeWay Christian Store releases. A 20% discount is available for this resource.

Hard Copy (Item Number: 001243063) \$21.99

eBook (Item Number: 005506819) [2013 Updated edition] \$19.99

A Classification System for Church Libraries, Revised 2014

This easy-to-use abridged volume contains the Dewey Decimal Classification System numbers most used in church libraries for classifying every resource in their collections. This recently revised edition reflects the 23rd edition of the Dewey Decimal System in a pdf format (not available in hard copy). It is only available for purchase through Lifeway.com. If you need assistance, contact the Lifeway Web Support Team through email (websupport@lifeway.com) or call toll free (1-866-627-8553 from 8:00 A.M.-4:30 P.M. CST M-F). The library 20% discount is not available for this resource.
