HARD NEWS

R: a text message from Angelique the Cat who lives in Paris:

- saying that as the wikileaks come forward, will get very convoluted: some of the e-mails concerning HRC's e-mails about running for President go right up to Black budgets and into the Secret Space program! A BIG DEAL!

• Talked to **Mr X, KOE; Dodi and Di**

- they are all at a monastery in an area between Bhutan and the Wesak Valley; monastery is thousands of years old; the children are the same age as Melia and Sasha
- they are leaning all sorts of things, including drunken boxing, a form of self defence
- they are learning the way of the Force, with no confusion from the education of the western World

T: which is going down the tubes

R: and where textbooks are edited and redacted by the Koch Bros – no history, no truth

- the sphere ships and the Blue Avians are coming into inner portion of our solar system from Saturn's rings to Jupiter, and then they navigate the asteroid belt
 - these ships are planetoid size meaning they have a gravitational field – earth is getting it from all sides
 - they reflect sound vibrations off themselves to the other planets, and also inside our earth which has a crystal grid

R: yesterday **Rana Mu** told him:

- the You Tubes of unusual sounds going on around the planet – the sounds have been analysed: can only be heard by those with sensitive ears – cats and dogs
 - the sounds are the tectonic plates moving – hope it is good, as they can create seismic activity
 - the fairies, the mineral, the plant, the vegetable & all other kingdoms are making various sounds: saying "Welcome! We greet you in peace"
 - this solar eclipse is a big deal!
 - the galactics are helping us stick to it and go all the way
- the tetrarchs and the blood moons are coming around again: last year there was talk of the whole revelation story –
 - the country called Palestine – there is an intense but good story about the zoo where the animals are getting moved because the zoo in the Gaza Strip was bombed; they are moving to Jordan, South Africa & somewhere else – bombed by Israel!
 - The whole story about the Khazars and the fake his/her story has not been told
 - Angelique the cat, and the others he talks to all say
 - as the stories leak out about unacknowledged black budget operation: trillions disappear into black holes; the Clinton Initiative is feeding it – trillions and trillions and trillions through this route

Article: Hillary Clinton is spreading Islamist Extremism

[SEE BELOW]

- Islam is not the great satan – it is the West! The "clash of civilizations" has been made up, and ISIL is not Islam
 - as we move closer to 911, we'll learn more about the 13 families as it bubbles up – they are corrupt and toast!
- largest pedophile ring in the world – **the red circle** **[SEE BELOW]**
 - Includes, among others, Janet Yellin, Knights of Malta, NATO, Council of Foreign Relations, royal family of Belgium and the Netherlands; Supreme Court of the US, the federalist society, [see the list in the article]

- Angelique the Cat said the stories will come out about the rape of the girls on the island in the Caribbean – where Clinton, Epstein, Trump, McCain, Lindsay Graham and many others who have played in the Red Circle
- Goddess will have her way; can't have peace without justice
- There are people who are supposed to be protectors

Caller: about chemtrails - has been getting lots of calls from thoses with respiratory problems; dizzy, nerve problems and various symptoms

R: Yes, it is going on; when Clifford Cornicum on Camp Lovewave with Alanna Frielander talk about Morgellan disease – look like wires in your skin.

T: Joni Mitchell pulled out of it, yet it took a long time: look at the solfeggio scales, diet – keep it lighter, organic; there is radiation in the chem trails.

- The higher the vibration we have, the less it affects us: don't get into retaliatory moods - keep diet super clean, do your meditations
- there are particular energies that can be addressed – all kinds of help on the internet
- there are stories of chemtrail planes being shot out of the sky around the world: we are the ones doing the chemtrails – brings up Operation Clover Leaf and Nebraska's navy: there is not need for a navy in the middle of the prairies
- the story is that one of the things sprayed is intended to detect the warp signature of the interstellar star ships so they can be taken out - yet they can't ! the exotic chemicals used in the chemtrails is part of the deep stuff they don't talk about it much.

T: this is pushing us to a higher spiritual level & seeking real solutions for specific things; there is also ascension – anything that is up that has not been covered from within

Caller: after congress gets back and Obama gets back from China, has heard that the Provost Marshall is ready to act - what about it?

T: The Provost Marshall takes orders from St Germain & no one else, so no one on the ground knows when it will happen; those are false flag stories – THEY ARE NOT IN CHARGE!

- Jupiter is crippled; its nemesis has it tamped down; Jupiter is about expansion, abundance - its ability to expand

Caller: Ascension!

T: before Enlightenment, chop wood, carry water. After enlightenment, chop wood, carry water – we still do what we have always done; will only enhance the good stuff we have been working on.

- We can't go into our light bodies without death, and have command of the visible worlds and invisible realms - learning the ways of the force- which is why Inanna and Omar have been growing up learning about the ways of the force: not part of western education. It is about bringing heaven into the earth – and Sept 9 is 2 days before 9/11
- These powerful things are on the table; it all happens on Sept 9 and then we have Jupiter with us for 2 years or so. Since the Jupiter effect of 1976, April, it's becoming a sun, no longer to be called a planet – in a sense, like us: Jupiter is leading the way – there is a sea change:
- the question is how come so many lightworkders are getting together and getting in the face of the 13 families? Halting the pipelines eg - this is going on all over the world

Caller: Tony Blair's immunity is over, and so the citizens arrest can happen

T: since the Chilcott Papers report of last month which stated that Blair and Bush committed war crimes with Bush; – as far as she knows, Blair is subject to the World Court as GB is signed on to the World Court, and the US is not

- They are intergalactic war criminals and we know nothing about that; we barely get to hear what they are doing on the ground here, never mind what they are doing inter galactically! Do hear a bit from ET Corey, Michael Salia, a few others who risk their lives.
- As these things come out in our face on main stream news, all other stories take a back

seat because this is equal to the return of Commander Admiral Sananda – who has been in our face as the King of Swords! The first order of business is the least among us – the people of Syria, All lives matter etc etc

- Orange Hitler wants to play his Armeggedon game – the army he plays with is the people who have been lied to by all media agents who think that the black man in the white house is the enemy so are getting their guns - and that is not true!
- We need to learn the real history – we are all co-creators in how we get this done!

Caller: HRC is in big trouble; the rest of the 13,000 e-mails are getting ready to come out – she's been collecting money from the sale of arms from our friends and our allies

T: has been going on for a lot longer than we know; now we will hear the dark side coming out – Ellen Ratner had to lie to stay alive today because they murdered her brother, Michael Ratner knew what was going on because he was one of Julian Assange's lawyers – and there was a second one too – and there is Chelsea Manning sitting in solitude: it is up to us to help our brothers and sisters – they are torturing her!

- journalism has taken a back seat as the media has been paid off by Lucifer
 - Thom said it all happened in 1980 when CBS signed up to the info-tainment division
 - Reaganomics, austerity politics – Thatcher in charge of this
- Libertarianism is a subtle form of FORM OF THE 4th REICH & oligarchy

Caller: understands that Pope Francis to make an announcement about ufos

R: he has a forked tongue; can't trust him - he will have to answer to Mother

T: The way they work is to say something that sounds very nice, give a kernel of something nice, and then a worse thing happens!

R: Kevin D. Arnett came out with more stories, and Neil Keenan and the lies about money showing up – BS.

- Cobra has a pack of lies out there, so does Ben Fulford

T: Ellen Ratner said Assange would rather have Trump as President, so Assange is going to let out some fake emails against HRC – getting tougher and tougher

Caller: WAL MART – NO PICK UP OF FOOD ON FRIDAYS – CUTTING BACK ON LETTING people call in, or order on line, to pick up – why are they doing that?

T: they are trying to kill everybody: want as many people dead as fast as they can – we have to wake up and work around them;

- this is an all or nothing deal: it will happen all at once or not at all - whatever we are being challenged with is where we are being called to make a difference

CONFERENCE Call

T: Info from **Veterans Today** – Aug 24 – pedophile ring being busted

R: Angelique the Cat has come forward to talk about

T: Janet Yellin is a full blooded reptile, same as the head of the IMF!

Reading: Hillary Clinton is spreading Islamist Extremism, Hillary's Saudi Sponsors support Terrorism **[SEE BELOW]**

- the disheartening thing is to watch people be so happy about having HRC as president and knowing what she is really about.

- **KOE, Dodi, Di** were saying that inside the political stratosphere, in Hollywood and the media, many are so sick of lying they are getting together to pull a coup on their CEOs.

- T & R saw Danny Glover a while ago touting Hillary, having trouble saying it.
- the Hollywood folks will start japping at the same time: trouble for the CEOs!

Stories from Skype

- Los Angeles has highest level of **wage theft** \$26.2 million stolen from workers every single week
 - People experiencing wage theft – working off the clock; other kinds of cheating - they are at higher risk of experiencing diabetes, hyper tension; also depression, anxiety, sleep deprivation
 - only 17 % only receive any returns if they win the claim

- Tim Canova is running against Debbie Wasserman Schultz - suing her for illegal activities against his campaign

[Debbie Wasserman Schultz's Opponent, Tim Canova, Is Denied Access to Democrats' Voter File](#)

POSTED ON: Tim's website

This feels like a bit of political déjà vu.

Florida congresswoman Debbie Wasserman Schultz serves as chair of the Democratic National Committee. As such, she's supposed to support Democratic candidates for office at all levels of government. But in December, she blocked Bernie Sanders' campaign from accessing the DNC's voter data files, which contain email addresses and telephone numbers for constituents. Wasserman Schultz was accused of playing favorites and intentionally tanking Sanders' campaign to give an advantage to Hillary Clinton. Though Sanders sued and got the data he'd sought, critics have since called for Wasserman Schultz's head.

Now, Tim Canova, a law professor at Nova Southeastern University who is running against Wasserman Schultz for her seat in Congress, found out that he too is blocked from accessing DNC voter data, even though he's a Democrat. A state party executive told him last Friday that anyone running against an incumbent is not allowed to access that data.

"I was astounded, quite frankly," Canova said. "I would have thought that given the bad publicity the DNC and Wasserman Schultz got, this would have led to some change in policy."

- Discussion about **Bernie Sanders:** we have to support what he is doing and trust him: we have to be active; don't think someone else will do it
- **things will happen all at once,** and the mission continues: the energies continue to increase, and the challenges continue to increase too; America as people might have thought of it no longer exists – if it ever did at all! There is a new road to be created
- will see **Redacted Tonight:** Lee Camp – we want to laminate Trump, put him in a museum to show our children what we were like back before we evolved.

MOTHER / ALCYONE [M/A]

Greetings in the Light of the Most Radiant One; in the Office of the Christ and only in the Office of the Christ, we invoke the loving energies of St Germain and the Violet Flame.

Greetings, Children of Ra!

Indeed we pray peace; let it begin with us in this sacred hour of all that's happening for the highest good of all concerned. So much is coming to pass in this nano second of so much joy and, in the midst of it, gotta walk that dance across the bridge to nowhere – which is right here!

- It is the story she keeps bringing full circle: all the issues are coming round for all to see: first order of business is the least among us; this is why Bernie is making a difference with what he is saying. The issues of his staff will get worked out [in due course]
- iI is a wild beloved time to be alive in this moment of ecstasy; we are all connected through this universe of love; everything that is transpiring is about love and power within that love, as we are in service to humanity in all its forms – the joy coming forth now already in our midst; just gotta focus on the joy
 - and at the same time that which is taking us to a place of contemplation as the issues before us are about this planet and them [the ET s]; as she has said for eons of times, they are the ones coming here to make it so, we are meeting ourselves in this sacred nano second. We asked; they have shown up
- The next step is how we do this in love, grace and beauty in this sacred moment. All the issues around her wayward children – first and foremost, rest assured there are no accidents that our stories are aligning with all the other stories out there, about them coming and being in our midst - ie, visitors from the stars, and the issues that are up for everyone to take a good look at.
 - As she/ A are here to see to it that all of us make it: we have already made it – they can only say from their vantage view point of the future: we've made it. How it gets done is this little moment here which has been pushed over the edge
- The flooding in southern US; climate change of how when a butterfly flaps its wings in the Amazon, there are issues of weather in Myanmar. A little fairy comes and says "I'll show you how to believe in the magic if you have forgotten!"
 - It is about believing in the improbable, the impossible, that is highly probable, highly possible in the moment as we move this divine cosmic dance into our heart space. So much of what is happening is about us simply waking up and doing what we have been asked to do with this mission.
 - And it may seem like the hardest task ever – to get past the forgetfulness, ascension symptoms and everything that gets thrown into our present day moments where we must take time to meditate, focus on the good things happening in spite of the issues of the day: Syria; Louisiana; the crisis in Yemen, Aleppo, Iraq, Israel, Palestine - all the stories that are about how we can change this story to one of love, instead of one of sorrow.

- It is so magnificent to watch what is taking place each day as humanity has gotten off the place of this amnesia being gone, and the moment here, reality of this moment is how we can tell this story to our uncle who wants Trump in office, and your parents may want Hillary, and you as millennials are looking for answers. The answers, my friends, are within us – how we move this story forward and change it in the twinkling of an eye

T: the answer is in the article they were just reading on the conference line – goes all the way to Judge Scalia who was ordered by President Obama to come to the White House; he was handed an envelope which contained pictures of him and all kinds of others committing acts of pedophilia - they were completely caught!

- The Order of St Hubertus – Scalia and C. Allan Foster who is head of St Hubertus and the co-owner of the ranch is John Pointe Dexter of the .. point Ranch which is where they took him, killed him, suffocated him – he had all the judges across the country under his control so if a pedophile case came up, it would not be brought to indictment
- they realized when Scalia got the letter from Obama they were all dead unless they killed him so they killed him at the ranch where he stayed for free.
- this is the same Red Circle operation that almost got Keshe's daughter, the same organization that Trump and Hillary are doing business with – it is so ugly.
- The kids railroaded into this sex trade activity will end up dead; the 25 who escaped from that island thanks to the indigenous people on that Caribbean island will testify - they are grown up now but are millennials.
- Rama today was told that all kinds of people in the media, Hollywood, politics are going to squawk all at once as they have had it!
 - he was told by KOE, Dodi, Di that these leaks are going to come out sooner than later – and 911, an inside job, was carried out by pedophiles who killed the children after having their way with them
- There is a Katrina vanden Heuvel type of person who is opening up the box to what we can do!

M/A: We have the power. The spheres are in our alliance of the office of the Christ, and this story is about the grace of His Holiness, Admiral Sananda Kumara and his beloved, LM Nada who come and share the true wisdom of what Pistis Sophia is all about – this grace of peace, as he said, what you do to the least among us and we are looking at it, right here!

T: and no wonder you are here – this is the end of the road, Sister!

M/A: as you violate the children, she [M] gets to step in and do what she must do which is un-creation which is not a negative thing; it is part of how universes mould and fold and unfold & have their shape, as we watch the particles move across the universe on the solar winds: just a day in the life of a universe – there is life, there is death, there is the eternal oneness, not death as we may imagine death to be – it is simply matter, anti matter interacting with each other, and forming new universes in the twinkling of an eye. Part of the laws of quantum physics.

- As we get this wisdom, it is not magic, not super science – it is what we are as living beings of living light, living joy, living ecstasy. We can take a trip inside a cell and go to the particle level and beyond to sub-atomic particles.
- There is a scene [from a movie called] *Ant Man* where he got to go inside the adversary called the wasp; he got to see what was on the anti-matter side of what makes up the universe and everything; as we go to that miniscule level, we comprehend how vast this space, the distances are between us, yet she is here, right next to us! There is so much .
- It's as Nassim [Harrimein] says: the vacuum, the particles are so vast, so much – this is what makes space black because it is full of life! It is not empty, not void!
- As we grok how terribly important we are to this story because we have the answers within ourselves how to correct this story: it is simply called the grace of love, the grace of of a feather stroking a face in ecstasy and joy.

- As they can help us grok the wonderful story unfolding before our eyes and, at the same time, bless each and every nano second we experiencing, the highs the lows, the moments we think jack is happening! And there IS much happening – as we really want to make a difference, start in the heart space – it's the only way is through the green doorway
- In loving presence, they say even orange hitler needs a little love too – not the kind that comes from the twisted, missed stories that are not spoken about; these life forms that have genetically bred love out of their cells will get it [love] back, whether they like it or not – which is causing a wild time in River City!
- They can saw with great certainly we are are in the most wonderful of times - and yet it may seem that we must go to Mordor again tomorrow when the sun rises and punch the clock to dig more ditches for Soron for more bodies to go to the river . . .
 - Rest assured it **is** maya even though it may not feel like Maya – with each moment, the energies are getting lighter and lighter, and the planet is righting itself back into pristine beauty. What she can offer is the healing of Planet Earth – it is the hope within us.

T: it feels like the bottom of the barrel – time to go up!

M/A: as we really get that we are forming the rainbow bridge of ourselves; we can honour all of life in its myriad forms – even the twisted weird stuff going on. There is a purpose to it –it is not about how far we have gone up the rabbit hole and down the rabbit hole and met Alice on the other side of the glass - to give a “for instance”

- once again, they [as Rama] saw a lady today in Office Depot with her ... her enurian horns and her rainbow hair; she said she was no longer getting flak from corporate or ugly stares from her co workers; they are embracing her divinity; yes, she has a lover of the same sex; they plan to marry in December.
- This is another story about life that is taking beautiful shape before our eyes - love in all its forms – doesn't matter what it looks like, it is about the joy when 2 souls come together and make magic happen.
- That is the joy they bring to us in this sacred hour as we approach these moments here of ecstatic infinite ecstasy; as we approach these moments coming up, as August slips into September, and we have Labour Day coming up
 - the issues about labour: the right to work for less where Mike Pence' state is pushing his agenda down your gullet, and you have ideas about slave masters, and wage theft, and the idea that if you are black, 18 or 24, in this election coming up you may not get to vote, and this is why -
 - as she spoke to Congressman Elijah Cummings who got his spine twisted to vote for Hillary, also John Lewis, many others - you push your butt and get out there to vote!!!!!!!
 - Even though she cannot tell us - if there will be an election – it is the story about the black goddess, the **black madonna**; what she said about her daughters is the issue before us

Greetings in the light . . .

T: Thank you Mother; we need to know and honour the energy she brings every single moment, knowing that she has known this dark ugly story for the last 13,000 years and then some – that kind of self -defilement - is that where it comes from?

M/A: we must take responsibility for bringing our children here in loving presenence, in joy and in sadness: for all eternity, we said Momma you want to help us build a universe? And here we are, coming full circle – not about slaves but freedom in our souls – this is the place where, as we watch as things transpire in the next little while

- Father Jupiter coming into the mix with his beloved Hera – changes the story; Hercules gets to be with his beloved, The Golden Hind - all the stories about the magical kingdoms

are so: Hercules, Xena, Thor, Jane Foster – the stories that blend together into what we are looking at as we look out across the little landscape we have here,

- when one of our gurus was told to shut up or die, Carl Sagan said the little blue green marble dot on this wedding dress of the universe . . .

T: has finished [reading] the report: at the end, it states that Keshe was almost run off the road, shot by these characters; he was told to leave the country by the Belgian royals or be buried here: they have been infiltrating all the alternative energy fields

- that Keshe is still alive means there is a big intervening force out there!

M/A: for the millenials who were not here when 911 happened – look up the spin off of the X files the 1st episode called The Lone Gunman – 1st episode brought up the story of 9/11 – around the time as Aug – Sept, 2001
[<http://www.tv.com/shows/the-lone-gunmen/pilot-14827/>]

T: they talked about it **before** 911 happened?

M/A: the fall season of 2001 – The Lone Gunman – Mulder's buddies from college talking about “what if there is a hypothetical plan to do something called 911”

- one episode was about the car that ran on water-hydrogen – look it up!
- It is about what has come **full circle**

T: they did 911 because they could not stop the development any other way?

M/A: people were giving hints, allegations, of what was coming: take a look at what your ugly politicians are playing with – a story to mess with the planet - 911 was a wake up call!
Now it comes full circle

• She has said: we are sorry; please forgive us; thank you; we love you!
• She brought all her children here to this universe in peace, in love, in grace, to heal what happened in the anti matter universe – here we are, full circle – it is coming to pass already: there are ones within our framework of articulation – the Sphere Alliance, the hawk-headed horse people, the eagles are here; all the players are here, even orange Hitler is here: let's love them on their way out – it is with grace and beauty that we do this.

2016-08-26 Hillary Clinton Is Spreading Islamist Extremism, Hillary's Saudi Sponsors Support Terrorism

By [Andre Vltchek](#)

<http://www.globalresearch.ca/hillary-clinton-is-spreading-islamist-extremism-hillarys-saudi-sponsors-support-terrorism/5542522>

If the West in general and the United States in particular, left the Arab and Muslim world alone and in peace, we would most likely never see all those terrorist attacks, which are rocking the world from Indonesia to France. There would be no Mujahedeen and its mutation into al-Qaeda; in Afghanistan or elsewhere. There would be no traces of the ISIS (or ISIL or I.S. or Daesh or however you choose to call it), in Syria, Iraq, Libya or anywhere else.

And the super-conservative Wahhabi Islam, that outdated, freak Saudi mutant, would remain in the religious schools of the ultra-regressive Kingdom, instead of gaining ground all over Southeast Asia, the Middle East and Africa.

Secular Islam

But the West embarked on a brutal, Machiavellian path: it decided to destroy socialist Islam – that (historically) moderate, compassionate and progressive religion. It smashed once secular Egypt; it overthrew the government in socialist Iran and then in near-Communist Indonesia, implanting in all these places horribly degenerate and fully outdated religious concepts. It used extremists to destroy healthy patriotism and socialism. Like the Brits in the 19th Century (“You can control people’s brains, while we will control your natural resources”), the West embraced Wahhabi teaching, because it was able to guarantee full obedience, dictatorial (pro-Western) governance and oppressive feudalism.

Islam has been used and abused, manipulated and virtually stripped of its essence. The process has gone so far that two leading Iranian scholars, during my visit last-year to Teheran, declared to me: “In so many parts of the world, the West created an absolutely new religion. We don’t recognize it, anymore. It has nothing to do with Islam.”

“If the West in general and the United States in particular, left the Arab and Muslim world alone and in peace, we would most likely never see all those terrorist attacks, which are rocking the world from Indonesia to France...”

Correct. Like a naughty, spoiled and heartless child, the West, after destroying the Soviet Union, painstakingly constructed its new enemy – “militant Islam” – so it could continue indulging in its

favorite activity, which is perpetual conflict, endless wars and plunder.

It is as simple as that.

The greatest oppressors of the Muslim people, those in Saudi Arabia, Bahrain, and Indonesia have all been closely allied to the West. The most terrible terrorist "Muslim" organizations, from Al-Qaida to ISIS, have been created, armed and supported by the West and its cronies.

In Europe and in the United States, the "fear of terrorists" is fully exploited by the Western regime—a global class alliance plutocrats, in actuality, with headquarters in Washington, where the main military and media muscle reside. It still clings to power mainly thanks to such fear implanted in the brains of 'ordinary people'. And what about the "War on Terror"? Yes, there really is such war, but the West is not the one who fights it. As this goes to print, the war against terrorism is being fought by Russia, Iran, China, Syria, Hezbollah and their allies!

The West is still closely collaborating with the terrorists. It miraculously 'avoids targeting them' when 'fighting wars against them'; it financially supports some and trains others. It criticizes and antagonizes those who are actually fighting the extremist militant groups.

Extremists have been unleashed, like Rottweiler fighting dogs, against almost all progressive governments in the Middle East, but also against China and Russia. Extremist Muslims, extremist Christians, even extremist Buddhists!

In turn, the politicians in the United States are regularly supported, financially, by the regimes (including those of Saudi Arabia, Bahrain, etc.) that are spreading, relentlessly, throughout the world, the most intolerant and grotesquely violent religious concepts.

Despite their essential servility and cowardice, even some North American mainstream media outlets are now actively discussing various schemes involving the financing of the Clinton Foundation by Saudi Arabia (alongside several leading transnational corporations and Wall Street's largest banks).

On its "Breaking News", as far back as in 2008, CNN reported:

The donations to the William J. Clinton Foundation include amounts of \$10 million to \$25 million from the Kingdom of Saudi Arabia, the Bill and Melinda Gates Foundation and real estate mogul Stephen Bing, a personal friend of the Clintons.

The Clintons came under intense pressure during Hillary Clinton's campaign for the Democratic presidential nomination to release the names of donors to both the Foundation and to the Clinton presidential library in Arkansas.

Bill Clinton agreed to the release of the list after President-elect Barack Obama nominated Hillary Clinton to become Secretary of State.

The governments of Kuwait and Qatar are also on the list, as is Saudi businessman Nasser Al-Rashid, who has close ties to the Saudi royal family. Saudi Sheikh Mohammed H. Al-Amoudi, reputed to be one of the richest men in the world, is among the donors as well. Both Saudis contributed in the \$1 million to \$5 million range. A group called Friends of Saudi Arabia and the Dubai Foundation appear in the same category.

As recently as on August 20th, 2016, The New York Times wrote something similar, essentially reconfirming the validity of the earlier reports, while adding many more details and adjusting the figures:

The kingdom of Saudi Arabia donated more than \$10 million. Through a foundation, so did the son-in-law of a former Ukrainian president whose government was widely criticized for corruption and the murder of journalists. A Lebanese-Nigerian developer with vast business interests contributed as much as \$5 million.

For years the Bill, Hillary and Chelsea Clinton Foundation thrived largely on the generosity of foreign donors and individuals who gave hundreds of millions of dollars to the global charity. But now, as Mrs. Clinton seeks the White House, the funding of the sprawling philanthropy has become an Achilles' heel for her campaign and, if she is victorious, potentially her administration as well.

Long time Clinton's top aide, Huma Abedin (who spent part of her childhood in Saudi Arabia) has been an intermediary between the former Secretary of State and pro-Saudi interests. She also negotiated financial support for Ms. Clinton from Mr. Chagouri and other individuals, organizations and businesses originating from the Middle East.

The accusations and evidence keep coming in, from different media outlets, both left wing and right wing. On August 1st, 2016, the conservative *Breitbart News* stated:

Khizr Khan, the Muslim Gold Star father that the mainstream media and former Secretary of State Hillary Clinton have been using to criticize Donald J. Trump, has deep ties to the government of Saudi Arabia—and to international Islamist investors through his own law firm. In addition to those ties to the wealthy Islamist nation, Khan also has ties to controversial immigration programs that wealthy foreigners can use to essentially buy their way into the United States—and has deep ties to the "Clinton Cash" narrative through the Clinton Foundation.

Hillary's Saudi Sponsors

Hillary Clinton's dependence on Saudi sponsors has been strongly influencing her decision to maintain a foreign policy in the service of Riyadh and support for various terrorist groups controlled by Saudi Arabia and Qatar, in and beyond the Middle East region.

In reality, she is simply representing 'continuity' of an already existing, deadly trend. The regime has been 'evolving' for decades, but especially since the Ronald Reagan years. Republicans or Democrats: it truly matters very little. Both parties spread terror all over the world. True, George W. Bush invaded Iraq, but people like Bill Clinton are close friends and supporters of Paul Kagame, the Rwandese 'butcher of Congo', with the blood of some 10 million people on his hands. Democrat and 'moderate', Bill Clinton, was also responsible for the criminal bombing and destruction of socialist Yugoslavia. And so it goes...

But under Barack Obama's rule, the last hope for an independent Middle East and the Arab world has virtually evaporated. Libya has been destroyed; the Syrian civil war was launched from Washington, London and Paris. Saudis bathed rebellious Yemen in blood using UK and US produced weapons. Virtually all 'Arab Spring revolutions' were infiltrated and diverted. And in Bahrain, the Shi'a majority was literally raped by Saudi Arabia and its own ruthless rulers, with

British advisors standing-by.

The US and Europe have kept selling arms to the Gulf, building new military bases while supporting the most appalling and bloodthirsty regimes.

The 'Obama/ (Hilary) Clinton Era' has greatly 'improved' the symbioses of Western imperialism, big business, and pro-Western fascist regimes worldwide, but particularly in the Middle East and Africa.

This toxic embrace has proved fatal to millions of people in these two parts of the world. Hopes for self-governance have been ruined. Corpses keep piling up in Syria, Iraq, Libya, Yemen, South Sudan, Somalia, the Democratic Republic of Congo (DRC), and elsewhere.

The West does not care, as long as it stays in charge of the 'show', and for as long as hundreds of billions of dollars are made by weapons' producers. Even if millions are dying, there is still an uninterrupted flow of raw materials to the West and Japan. Therefore, it is 'business as usual'. 'Un-people' and their lives are worth nothing.

At one point, Russia, Iran, China and others have said "enough is enough; let's fight against the true terrorists! Let's fight ISIS and other bigots! Let's give a hand to the independence-minded, socially-oriented patriots".

Predictably,. this led to total outrage in Washington, London, and Paris (and Tokyo). Disobedience and rebellion against the global (Western) order could not be tolerated! It had to be crushed, even at the cost of new and deadly world war.

NATO, Washington, Europe, Japan, and South Korea – all started a direct confrontation policy against Russia, China, Iran, North Korea (DPRK) and other members of the 'Coalition of Daring'. Brazil, an important member of BRICS, was recently destroyed by the extreme-right coup supported by the West.

Even the Republican Presidential candidate Donald Trump, in his rare moments of sanity, is clearly aware of the danger. He does not wish to confront Russia. He is obviously not willing to sacrifice tens of millions of human lives for some grotesque dreams of total world domination by a market fundamentalism backed by the white (or Western) supremacist dogmas.

But Trump's moments of sanity are defined as 'madness' by the mainstream propaganda. Not surprisingly! As was correctly stated by the great Indian thinker, Arundhati Roy, some several years ago: "now war is called peace and black is called white". Orwellian indeed, with a vengeance.

The Clinton Campaign

The Clinton campaign has gone into overdrive. It attempts to distract attention from its own funding scandals, by accusing Donald Trump's aides of receiving financing from abroad. Trump is now described as 'Russia's agent'.

This game – it is all self-serving: nothing to do with the interests of the world, or even the interests of the common 'American people'.

For as long as the general political trend of the West does not radically change, or for as long as the West is not stopped by outside forces, perpetual wars will continue. Monstrous genocides in

Africa, the destruction of entire states and regions in the Middle East, all this could easily spread to other parts of the Planet.

It is clear now that if provoked and confronted, countries like China, Russia and Iran would not hesitate to fight back. They also may fight for others – for their tortured allies.

The Western implants and their buddies, Mujahedeen/Al-Qaida, have already destroyed Afghanistan and the Soviet Union. ISIS, another mutant unleashed by the West and its allies, have been devastating Iraq, Syria, Libya and now what is left of Afghanistan.

These 'movements' have really nothing to do with Islam. They were manufactured in Washington, Riyadh, London, and Doha (and most likely even in Tel Aviv), for several concrete purposes, all of them thoroughly foul.

They are making sure to ruin the socialist nature of Islam, insisting exclusively on the implementation of outdated, medieval fundamentalist interpretations.

Huma Abedin's mother, Dr. Saleha Mahmood Abedin, is one of the founding members of the Muslim Sisterhood, and chairperson of the "International Islamic Committee for Woman and Child" (IICWC). She is also a well known writer and editor based in Saudi Arabia. Her organization (IICWC) had repeatedly argued that laws banning female circumcision should be revoked, as well as laws prohibiting child marriage and marital rape. During her visit to KSA, Hillary Clinton spoke at the Islamic college of Dar El-Hekma (where Dr. Saleha Abedin was a vice-dean) shoulder-to-shoulder with her favorite aide – Huma.

Was this just an insignificant episode? Like those millions of dollars in Saudi Arabian funding for Clinton's foundation? Like the US 'foreign policy' in the Gulf and in the Middle East, like spreading Muslim extremist groups to all corners of the world, from Africa, the Middle East, to Southeast Asia and even China? Like unleashing conservative Islam against socialist Muslim countries?

Too many 'episodes'! Too much blood... It is time to say what is by now obvious: "The US establishment is not fighting 'Muslim terrorism' or even 'extremism'; it is manufacturing it, and injecting it everywhere."

The only real enemy that Washington, London and Paris have, for decades, even for centuries, is the anti-colonialist struggle, and the burning desire of people, worldwide, to terminate the West's global dictatorship.

2016-08-24 VT Exclusive: Largest Pedophile Ring in History, 70,000 Members, Heads of State, the Rats Scramble

By [Gordon Duff, Senior Editor](#)

VT and Keshe take the lead in breaking the most insidious human trafficking gang on the planet

By Gordon Duff, Senior Editor

Millions read the news today, the pedophile ring “busted” or the earlier article about how the FBI actually ran it for several weeks, expanding it, drawing in tens of thousands. Those who read it thought they knew, thought they were getting the story but as is so often the case, the truth goes so much further.

When Veterans Today tied the murder of Supreme Court Justice Anthony Scalia to a White House blackmail plot and a strange tale involving the Keshe Foundation, it became clear that the highest and most powerful in Europe, the US and around the world, were tied together in a web of ritual child abuse on a massive scale. For the Scalia tale, refer to Appendix I.

Today’s story is one more aspect of this. VT’s involvement goes back to 1991 when key VT staffers worked for America’s intelligence community. A GOP high level staffer approached the CIA claiming that President George H.W. Bush was being blackmailed. It was said that the President was at a political fundraiser in St. Louis where, unknown to the President, top GOP campaign donors were having sex with young males, some of whom had been spirited away from Boys Town in Nebraska of Father Flanagan fame.

Boys Town movie trailer – Mickey Rooney <https://youtu.be/1Am2XJ-DUt4>

The rumors became more than rumors when Bush 43 took office and brought with him, according to a high level White House informant, a virtual army of Neocon pedophiles and “nancyboys” who set the tone for 8 years of crushed civil liberties, staged economic crashes and the dirtiest wars in America’s history.

The door didn’t open again until Iranian physicist, Mehran T. Keshe came to us with his own story. Invited to Belgium, sponsored by the Royal Family, Keshe was introduced to internet guru Sterling Allen and Belgian “fixer,” Dirk Lauressens. Within a short time, it became clear that he was there as a prisoner, not a guest, having fallen into a web of pedophiles that control public life in Belgium and the Netherlands, control corporations, courts, the police and do so rather publicly.

With Keshe’s story, we traced Sterling Allen, through his work with Belgium’s Royal Family, to his questioning by the FBI, to the seizure of his computers and eventually to his real task in life, webmaster for a massive pedophile ring that supplied children for the members of secret societies that control our daily lives through suppression of technology and the waging of endless war.

From NBC News:

“Massive pedophile ring busted; 230 kids saved” – US news – Crime & courts | NBC News

“An Internet pedophile ring with up to 70,000 members — thought to be the world’s largest —has been uncovered by police, a security official said Wednesday.

The European police agency [Europol](#) said in a statement that “Operation Rescue” had identified 670 suspects and that 230 abused children in 30 countries had been taken to safety. More children are expected to be found, Europol said.”

A pedophile ring, 70,000 strong, has been identified and hundreds arrested, an organization run on the internet, centered in the Free Energy Community, including websites run out of Paris, the Netherlands and Belgium.

What isn't being told is that this same organization, also known as the Red Circle, runs through secret societies around the world:

- Bilderberg
- St. Hubertus
- Federalist Society
- Knights of Malta (Rome, not KMFAP in Budapest)
- Council on Foreign Relations
- Federal Reserve Bank
- NATO
- Royal Families of Belgium and Netherlands
- SCOTUS (Supreme Court of the United States)

So much of this story revolves around Mehran T. Keshe, whose plasma related defense technologies threaten the military balance of power, disabling American stealth drones and even leaving an AEGIS destroyer floating, dead in the water, in the Black Sea.

The screenshot shows a gBay product listing for a Lockheed-Martin 2011 RQ-170 Sentinel Surveillance/Attack Drone. The page features the gBay logo, a 'VETERANS TODAY' banner, and an Iranian flag. The listing includes a photo of the drone, its condition (Used), time left (14d 01h), quantity (1 of 4 available), and price (US \$100 million). It also displays shipping costs (\$15,358), delivery dates (Sat. Dec. 31 and Sat. Jan. 7), and return policies. A 'gBay Buyer Protection' badge is visible at the bottom, along with a 'Sell one like this' link and a footer note: 'A VeteransToday.com parody by Steve Scroggins'.

Anti-Keshe “troll” and convicted pedophile Sterling Allen, former Rense Radio host, now serving a life sentence, is said to have supplied the encryption keys that allowed the FBI to take over the Netherlands based site. From NBC:

“The website operated from a server based in the Netherlands and, at its height, boasted up to 70,000 members worldwide,” it added.

“It attempted to operate as a ‘discussion-only’ forum where people could share their sexual interest in young boys without committing any specific offences, thus operating ‘below the radar’ of police attention,” Europol said.

Police infiltrated site

The Europol statement said U.K. and Australian police infiltrated the site to identify the members who posed the greatest danger to children. Police also sometimes posed as children online as part of the investigation.

Law enforcement authorities from 13 countries, including the United States, Australia, Canada, Italy, Spain and the U.K., were involved in the case, Europol said.

The statement said Europol analysts had cracked the security features of a key computer server at the center of the network which uncovered the identities of suspected child sex offenders.

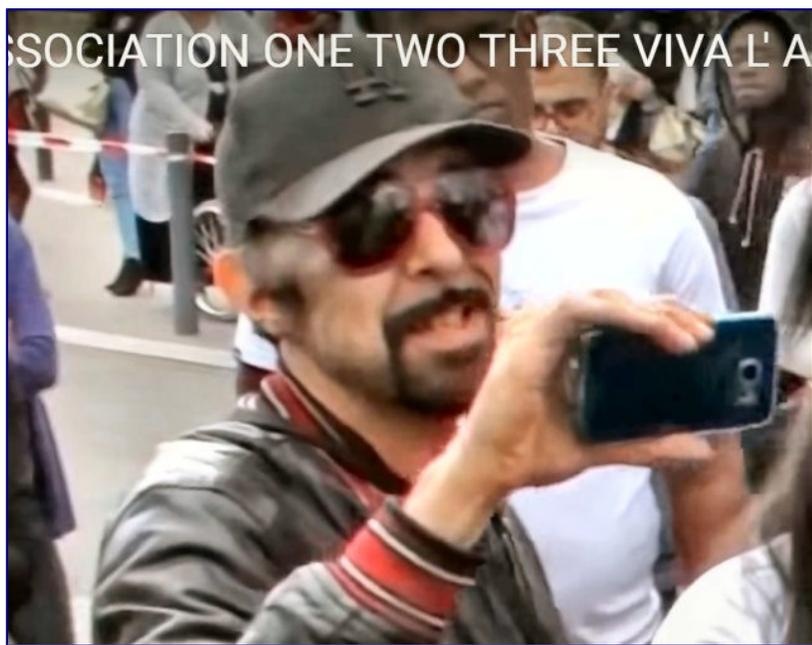

And, after his arrest, the forum’s Dutch administrator helped police break encryption measures that shielded users’ identities, allowing police to begin their covert investigations.

“Europol subsequently issued over 4,000 intelligence reports to police authorities in over 30 countries in Europe and elsewhere, which has led to the arrests of suspects and the safeguarding of children,” Europol said.”

In September 2015, Iranian physicist Mehran T. Keshe met with the FBI in Rome, a meeting set up by VT. From a source at Europol:

“It was this from Veterans Today that helped push this forward: “It was Keshe’s information given to the FBI in Italy that led to the seizure of Sterling Allan’s computer back in January of 2016, which led to the Obama White House getting files tying Justice “Tony” Scalia to a child sex ring and demonstrating that it was Scalia that had protected Allan. With Justice Scalia exposed to Obama blackmail, his own friends smothered him to death with a pillow, and walked past police, while the world moved on, no autopsy, no investigation.”

That explains why Hollande (President of the French Republic) was scared he is linked to child abuse in France, via Belgium as well. Abdessalem (Foreign Minister of Tunisia) was traded by the FBI so Hollande can stay in power, sign the tafta and much more allow American military presence in France, which is now turning against him... That explains why the US military unit near Milan was behind us to see what we had in stock against Bibi (Netanyahu) and Hollande... now that they have Hollande, they are pushing him to the edge, using pressure on Sarkozy, right hand of Bibi, they moved in Tripoli, blackmailing Roma.

Have you seen this man (Paris, France)?

Thus, what begins as a hundred arrests, when you peel the levels, involves the French elections and even the recent Bataclan attack in Paris now tied to, if you can imagine it, a police informant smuggled into France through Italy by Tunisia, who out of curiosity runs an anti-Keshe website.

Why do they hate Keshe?

APPENDIX I

From March 1, 2016

...by [Gordon Duff, Senior Editor](#)
and [Ian Greenhalgh](#)

[**Editorial note:** Revelations on the Allan case, which led to Scalia now lead into the entire Koch network, including the Federalist Society, said to be operating not simply in law schools but America's high schools as well, and into the Heritage Foundation.

We don't know when it began, maybe at the Presidio under Michael Aquino and the Temple of Set or before. We do know it has victimized thousands of children around the world, not only in America but channeling children through Belgium and the Netherlands into sexual slavery and death.

What is it that makes the powerful desire what is so hurtful and obscene? When we ignored the

Franklin Coverup, we opened ourselves to this... [Gordon Duff](#)]

Scalia – What really happened?

Justice Antonin Scalia was surprised when he was ordered to the White House. This was not a man you gave orders to, especially not President Obama. It was Justice Antonin Scalia who vacated the long sacrosanct immunity from civil lawsuits, opening the door for a weakened presidency.

Sources say that Scalia was the single actor behind the impeachment of Bill Clinton. President Obama was aware of this and had ordered the FBI to set out traps for Scalia. We will now outline the downfall of Antonin Scalia. Yes, this is a story of secret societies, operating worldwide and ritual Satanic child abuse that permeates Washington.

<https://youtu.be/Ia6bU-Z9SbA>

When Scalia left the White House after a meeting with the president just before flying to Texas, the manila envelope he was carrying had printouts from a computer seized by FBI Special Agent Jeff Ross of the Salt Lake City, Utah field office, or so informants tell us.

Conspiracy of Silence – the Franklin cover- up <https://youtu.be/sQHrbJPhus4>

Scalia left the White House carrying “slam dunk proof” that would lead to the arrest, conviction and, of course, impeachment of a seated Supreme Court Justice, files that contained names of victims and details on sex acts, preferred “types” along with dates and places. All of this was on the seized computer and these files went “up hill” from the FBI to the Department of Justice and directly over to the White House.

“There, political advisors leapt on them, seeing a chance to leverage a justice and, in this case, and this is very important, bring down Scalia in such a way that conservatives would be forced to accept virtually any Obama nomination.”

When Scalia arrived in Houston and chartered a plane after ditching his US Marshall protection detail, Scalia and his companion, C. Allen Foster. Foster heads the Order of Hubertus and is co-owner with John Poindexter of the Cibolo Creek Ranch, 25,000 plus acres free for anyone to use, according to John Poindexter, “free of charge,” so long as they are a supreme court justice, “A list” celebrity like Mick Jagger or billionaires, others need not apply.

St. Hubertus ritual mask taken from Cibolo Creek ranch (credit: InfoWars.com)

The crux of the story is how they got Scalia. According to sources, Scalia had been providing protection for an international pedophile ring and was murdered by "friends" who he had informed of the nature of his visit with Obama and the doom it signaled for those around Scalia, prosecution, ruin and Citizens United reversed.

The Franklin Scandal – a story of powerbrokers, . . . <https://youtu.be/HpQ5f5U4H3M>

The mechanism Scalia used to provide this protection was the Federalist Society which chooses the judges throughout the US judiciary system so should any unfortunate pedophile find himself in court, the judge was under Scalia's control, thus making a successful prosecution difficult to achieve.

The Federalist Society grooms and recruits candidates to become judges at a young age – college age kids; they specifically seek out suitable candidates who have certain moral ambiguities that can be exploited.

Thus a stranglehold is placed on the judicial system of the United States by a group which serves the interests of big business – corrupt corporations, big pharma, the oil and coal barons; this is how their interests are, time and again, placed ahead of those of we, the people with the result that our environment and our bodies are polluted by the products of these corporations, be it poisons like aspartame and GMO crops in our food, toxins in our ground water (see Flint, MI) or just plain old exploitation of poor people such as the coal miners of West Virginia and Kentucky.

Scalia met with the Order of Saint Hubertus, the patron saint of million dollar dude ranch hunting. As of yet, no one has identified who was there, it seems that Supreme Court justices are found all the time with pillows over their faces and nobody asks a thing, but this was Texas and they make their own rules down there.

We remember former FBI director and founder, J Edgar Hoover, the man who said ritual satanic child abuse was a conspiracy theory. He is also the man who said the mafia didn't exist.

Scalia's talk in Texas was said to have gone like this: "They have us; we are all going down unless we can give them what they want, and they are holding all the cards; they have everything."

There was no negotiation with the White House; instead Scalia got, we are told and multiple sources confirm, a pillow over the face and a heroic funeral, one that President Obama refused to attend. Now we know why.

For a seated president to not attend the funeral of a pedophile is unthinkable.

The computer itself belonged to a Sterling David Allen, arrested and charged with child rape and sodomy by the FBI after an investigation that began with a meeting in Rome, Italy. The FBI had known about Allen for some time, had wanted to arrest him since 2014 but had been blocked; they just didn't know why or who was behind it, not until Justice Scalia died. Within 9 days, Allen was jailed, and the evidence he held began to yield gold.

Allen is being held on these charges with bail set at \$250,000.

We were shown an email from Allen where he tells of his January 15, 2016 meeting with Agent Ross at which time his computers were seized by the FBI. What we are told was on Allen's computer and what Allen told agents is astounding. Allen confessed, we are told, not only to his own sex crimes but to being recruited by a powerful international organization that provided him broad protection from prosecution.

From Ian Greenhalgh:

It is very sick, but if you really want to watch and hear the ramblings of a mad man just watch this video where Sterling D. Allan says he is GOD in the flesh, admits to being a paedophile, admits he has committed sexual abuse with an underage child, and says that he is waiting to be arrested. Mr. Allan claims he chose this life before coming to Earth to be a "scapegoat" which of course is all foretold in his insane "alphabetic."

We are told that Allen became increasingly unstable as his own feelings of guilt and his own public confessions of child sex crimes were inadequate to bring about his own arrest, an arrest he openly asked for time and time again.

Allen who, using his computer skills, helped fellow pedophiles scour the internet for vulnerable children.

High level sources confirm that Supreme Court Justice Antonin Scalia was murdered; that in itself is neither an original claim nor beyond the realm of likelihood based on circumstances allegedly tied to his death. By that, we are speaking of the "pillow over the head" and allegations of a "cover-up autopsy," well outside legal requirements for someone of Scalia's position.

Sources in the White House confirm that immediately prior to his flight to Texas, ostensibly for a hunting trip with 35 "close friends," many of whom are members of the highly secret Order of Saint Hubertus. As is being reported, initially in the Washington Post with broader allegations made on the InfoWars website, tying the Hubertus Order to Bohemian Grove antics, long subject to speculation in the alternative media.

We became aware of the case in August 2015 when we were shown correspondence between

Allen and representatives of the Keshe Foundation. Allen ran several popular websites on alternative energy and was a popular speaker, often appearing on the Coast to Coast radio show with Detroit native, George Noory.

Increasingly it became obvious that Allen had been using these venues for sexual trafficking of children. It wasn't hard to figure out; he did it openly spoke of it constantly (as seen in the YouTube above) and lived as though he were above the law. Over the next few months, particularly when confronted by Iranian born physicist MT Keshe, who ordered Allen and those around him banned from all Keshe forums, Allen openly flaunted his criminal activities.

What made this particularly insidious is that it was obvious not only that Allen was not acting alone, but that he had broad support not only in his home state of Utah, where he was able to avoid prosecution, but in Belgium as well. There, Allen and associates Hans Bracquene, Dirk Laureyssens and Ad Van den Elshout moved against the Keshe group, securing, against Keshe's wishes, technologies with defense related applications and passing them on to MI 5 in Britain.

When Keshe moved against this group and tried to secure his patents, he found himself being chased down the highway, shots fired, his car run off the road. Police arrested and soon "misplaced" the culprits, and soon thereafter, representatives of Belgium's "royals" told Keshe to leave Belgium or be buried there.

On the European end of the FBI investigation, the trail, all of which is easily followed by the "breadcrumbs" Sterling David Allen has left, leads to the highest and most powerful of the scientific communities where blackmail, kidnapping and torture, threats against families and in particular, threats against children, have placed members of secret societies in positions of power at universities, think tanks, police and counter-terrorism agencies and even the European Space Agency.

More to come...

Taos Hanuman Temple is within the Sri Neem Karoli Baba Ashram in Taos, New Mexico USA. The Taos Hanuman Temple is operated by western devotees of Neem Karoli Baba. Of the many gathering places of Neem Karoli Baba satsang in America, Neem Karoli Baba Ashram in Taos is the home of Sri Taos Hanuman-ji, a most unique and loveable murti.

Maharaj-ji's Taos Hanuman Temple is located at 7000-ft. elevation in the Sangre de Cristo (Blood of

Christ) Range of the Rocky Mountains. Taos is a small town noted as a "spiritual center". Thousands of Hindus from all over the world make pilgrimages to have the darshan of Sri Taos Hanuman-ji.

The Hanuman Temple at this Ashram in Taos, New Mexico is the only public temple institution of Neem Karoli Baba western satsang and is most likely the most visited Hanuman Temple in America. Sri Hanuman is depicted in his "Ramachudamanidayaka" form as flying over the ocean carrying Sri Ram's ring to Sita-ji in Lanka. there are many forms of Hanuman-ji in India, but Hanuman-ji in this form is very rare. He was designed in America, sculpted in Jaipur, Ragistan, India, and transported to His home in Taos. In September 1999, the Board of Director's of Maharaj-ji's Taos Ashram voted to build a new and appropriate mandir for Sri Taos Hanuman-ji.

Each day aarti is performed to Maharaj-ji and Hanuman-ji from 7:00 to 7:45 each morning and 7:00 to 7:45 each night. Aarti consists of "Jaya Jagadeesh Hare", "Guru Vandana", "Vinaya Chalisa", "Guru Stotra", "Hanuman Chalisa", "Hanuman Astaka," and "Jai Gurudev". These arati practice items can be found on this site on the "Practice" page.

This photograph of Sri Taos Hanumanji was taken at the time of Hanuman Jayanti 2006, and is actually one of the finest digital photos that Hanumanji has ever allowed to be taken.
