

Tenure-Track Assistant or Associate Biology Professor Positions at New Mexico Highlands University

New Mexico Highlands University Biology Department invites applicants passionate about student success, teaching, and student research to fill **two nine-month, Tenure Track Assistant/Associate Professor of Biology positions beginning in August, 2019**. Ideal candidates with teaching expertise and research in areas of Microbiology, Botany, or related fields are invited to apply.

Duties and Responsibilities

The successful candidates for these positions are expected to teach a combination of entry-level biology courses and upper division courses within the candidate's specialty (24 hrs/academic year); develop a focused and active research program, participate in service to the department and university, mentor students, and hold office hours.

Minimum Qualifications

PhD in biological science, or related fields, with demonstrated experience in teaching and research in the areas of Microbiology or Botany.

Preferred Qualifications

- Post-doctoral experience.
- Experience with diverse student populations or underrepresented minorities.
- Demonstrated commitment to teaching and one's own professional development including training/experience in active and cooperative learning teaching strategies.
- Demonstrate a research focus that complements existing research programs at Highlands.
- Success or potential to gain external funding for a focused research program.

Work Location

Las Vegas, NM Campus

Application Procedure

Apply at: <http://nmhu.peopleadmin.com/postings/3275>

Review of applications will begin on **November 12th, 2018** and continue until the position is filled.

A complete application must include 1) A Letter of Application/Cover Letter; 2) Curriculum Vitae; 3) Unofficial copies of advanced degree transcripts; 4) Teaching Philosophy; 5) List of

three professional references (names, phone numbers, and e-mail addresses). References will be contacted in conjunction with an on-campus interview and official transcripts should be requested upon acceptance of the on-campus interview. For more detailed information regarding the position you may contact: Dr. Jesus Rivas at rivas@nmhu.edu. For disabled access or services call 505-454-3242 or TDD 505-454-3003. New Mexico Highlands University is an EEO Employer.

About NMHU

Highlands University is an open admissions university with over 70% Hispanic or African American students and nearly 40% of students studying at the master's degree level. The university is committed to student success and improved retention and graduation rates. NMHU serves approximately 2,500 undergraduate and graduate students at the main campus in Las Vegas, NM (one hour east of Santa Fe) and another 1300 students at centers in Santa Fe, Rio Rancho, and Albuquerque. For more information about the university, visit the website at www.nmhu.edu.
