Meditation: Angelsu

Using the Angel Cards, Angelsu looks at the coming week: a reading for individuals & the group

1st card – the meditation tonight to Sun night: I visit the planet of a distant sun; I am there to take stock and rest, and remember who I AM; it's a time of regeneration, regrouping:
Just go back to the beginning of your being a beginning spark: remember a time of being in balance – it's about remembering who we are and to continue re-grounding

2nd card – Monday through next Thursday : egoless, Oneness – a huge golden oval with many little sparks of light flowing into the Oneness: I am an individual unit of consciousness and I merge back into the One Consciousness - One with All That IS.

3rd card - the special blessing, the gift: white Light – the purest white light I have ever seen now shines before me, and my heart wants to join with the light and we become One; Allowing that Oneness to flow through enhances the return to our origins – we are holding more energy, more light, more blessings, than we realize and so we are enhancing the whole dynamic, the whole planet!
Her wish is to see the Easter blessings magnified to bring us all more joy and happiness.

- The link to www.lawoftime.org – more info on the calendar & how the 28 day/moon cycles work.

We are still in the energy of the equinox and the full moon, as well.

24th Thurs – 4 MEN – the eagle vision; we are in the Wave of IK, the human. It's about being in right relationship. 4 is about form and defining the space of creation. About the commitment to service and moving consciousness to Source; time to let go of illusion of separateness

25th Friday – 5 CIB – a portal day = extra dimensionality; CIB is the warrior; 5 is centred movement – trust in the journey to bring right action; time to connect with the Divine

26th Saturday – 6 CABAN – Caban is the earth; 6 is rhythmic movement – being in awareness of the Earth's energy, being a balancing point. All intuition

27th Sun – 7 ETZNAB – 7 is channeling tone; resonance – it's the conduit – ability to move from Source back to matter: good energy for Easter Sunday. Etznab is the mirror and also a cutting tool – lots of movement in the reflection of the mirror; can also skry the unseen – good day for resurrection

28th Mon – 8 CAUAC – return of the wave – lighting clear thought tone; the octave tone - being in galactic resonance.

29th Tues – 9 AHAU – Ahau is the sun; 9 is an expanded cycle – striving towards wholeness gift of possibility thinking – egoless as the card from Angelsu

30th Wed – 10 IMIX – manifesting new beginning, the dragon energy; 10 is manifestation – IMIX is the first glyph of the Mayan calendar

31st Thurs – 11 IK – IK is the wind when we connect with our ancestors, those on the other side, and work with the winds of change;

HARD NEWS

Re: Expenses

- for last 2 years, driver's car door hasn't been working; R always gets in via passenger door –
 - ET pointed out that the driver's door needs to be fixed so Rama can get in after his surgery. They took some money from the gofundme to do the necessary work.

News from Natasha, Sitamun works for the Centre for American Progress

- Sitamun is Palestinian and a journalist, and a first hand witness to watching the stargates open and seeing beings emerge, as well as ships from the Ashtar Command & other inter galactic teams through all the stargates in the Middle East
- no one is talking about this and she is taking a risk talking about this which is going on in Gaza, Baghdad, Yemen, Syria – Palmyra where artifacts are being destroyed has a major star gate
- She talked of Donald Trump, a mere game show host, running a reality show called running for president of the US. He is playing with his ego in front of the world: he will not be president at all; it's a sham. Making rude comments about using nukes in this time, there are consequences.
- We've seen the ICC convict Radovic got 40 years today
 - there is galactic intervention here: Lady Nada takes over and now the world court is completely compromised except for her: the entire court to be taken down and a new one set up using galactic law.

From Sitamun: the Bosnian Serbian war has to do with Gen Wesley Clark, Bill and Hillary, Maddie [Madeline] Albright

- the 40 years is outrageous: Radovic was an instrument of Bill and Hillary: saying he is only responsible for death of only 8,000 men and boys of Muslim origin : IT IS A LIE: HE KILLED MILLIONS! And they put that lie out!

- Same as **Barack and Michelle Obama going to Argentina, after Cuba**

- The current president represents a regime change: it is about the Kissinger and Pinochet where there were 1000s and 1000s of protestors outside the building and Barack walked down the street and there was an obelisk – in Buenos Aires!

On the surface, it looks like they are making amends, but Greg Palast revealed what

happened in Argentina with previous pres: Paul Singer was involved & he took them to the cleaners for a 2nd time [vulture capitalism]

- the work done by the good side to pull the previous collapse out of the doldrums was enormous – it was money PLUS INTEREST
- the Light everyone connected with Kissenger and the secret gov't of the US and the coup that happened in Argentina: – there were millions killed –

CL: Henry Kissenger was exposed: what was he exposed for?

T: the secret, top secret stuff that tells what really happened when Obama went to Cuba

- it's not been brought to the public yet, but the magic is that when he went there, he guaranteed the opening of the complete story:
- what will come to the public is that Henry Kissenger via Operation ? - when he ordered the assassination of Allende and inserted the Black Op, Pinochet;
- This has to do with the junta, too - there is a whole case that will expose Francis who, when he was archbishop of Argentina, oversaw the killing of millions of people – he was in charge, as a Jesuit and as a representative of the Black Pope who is head of the Jesuit order, Francis, a Jesuit, has blood on his hands of millions who died
- backing up - when Barack went to Havana, we learned something about the end of the Cold War what he really did was reopen the books all the way back to 1928
- what really happened when Calvin Coolidge went to Havana in 1928 in a battle ship
 - Noble Drew Ali was the representative of the Aboriginal Moabites as a Moorish Noble and the founder of the Moorish Science Temple in Chicago and the US; he won the mandate as the father of Elizabeth 2nd - he impregnated the Queen Mother
 - he won the mandate to retrieve the entire Western Hemisphere from being a colony of the British Crown & then they poisoned him to death; he died around July 11, 1929; he wrote before he died that he did it because he knew they were going to kill him and because he had the power and the authority to do it
 - He said it would take the people 70+ years to wake up to what this represents [70 years started in 1933: on Oct 29th, the royals all pulled out of the US and took all their money with them in order to make the mandate really difficult to carry out: without the blessings of that money, could do little
- Since the beginning all presidents have been CEOs, not presidents – have been CEOs of the corporate fascist state -
- the original Declaration of Independence is in the Bruton Vault; it was written by the Iroquois elder women – this original D of I eclipses the Vatican's hold; the one that got signed was a fake
- In 1452, the Vatican did something – 50 years before the real Christopher Columbus [St Germain] was Prince Nicholas Ipsilantis, a Moorish prince from Greece – he built his own ship and first landed in Newfoundland and there are vaults buried there; and he came over to North America as a benevolent thing -
- the whole book is available – **the new atlantis** – he came in the physical to anchor the New Atlantis and 50 years before that, the Vatican said that by the Doctrine of Discovery, they were going to own it and the Church state of Spain was going to claim it and the whole of North and South America

R: We owe \$376 to BBS radio and T & R need \$ for food and gas – had to use some money from the gofundme fund to pay BBS radio – asking all to help

T: Sitamun and Natasha made it clearer to R that after Noble Drew Ali was killed, QE2 thought she could take back North America as her father was dead – reneged on the deal! So we were all back at square one as slaves of the British

- Barack brought the whole world – not just the US - into the Aboriginal Moabite nation – there is a banner in the Hague and it is for the global nation

: the United States of Altea America has been anchored by that

- AA Michael always holds the seat of power in the world, and he oversees that office of the presidency until it gets filled

- BO is the first President EVER! He is NOT a CEO [though the 13 families think he is!] as he was elected under NESARA LAW. In June, 2007, the original Hillary was taken to the Hague because, in 1991 the KOS and a few good men took out George Bush Sr – Oct 28, 1991 and on Oct 10, 1991 he had signed the Farm Claim granting the claim for the farm claims to be heard,

- It was heard in Colorado – the Pigford Case/the Black Farmers Case - which goes back to the Bourgevain fund which goes back to Lincoln as CEO – when he signed the Emancipation Proclamation, it didn't count as it was a corporate signature, not a presidential signature – they were supposed to get 40 acres and a mule which represented have enough to raise food and have a way to live – that never happened.

- In last 24 hours, Dr Keshe has released latest news of latest world conference: April 21-22/16 – and has **invited all world leaders**

- Costs 750 EU to get to Dubai: all the Keshe technologies will be open to the world

- Most critical that the entire Illuminati is removed they will not release humanity from the fossil fuel industry

- Keshe is using his technologies to heal Fukushima RIGHT NOW – not being reported by the media as they are being paid by the 13 families to lie, as they are part of the corporations to see the downfall of this planet.

MR: how long will it take to clean up the Fukushima stuff: concern over plant and animal food sources from the ocean?

T: the molecule water can be planted in the water – takes about 3-4 mos to work; the Altimerians are working together with the Japanese scientists; yet not of the media talk of this due to a gag order so people are not talking

- As Sitamun said: she saw it in the stargate in Gaza: it's like straight out of Stargate SG1 – she grew up in Gaza and has seen a lot of the ships, etc

CL: today she read that the Rockefellers are getting out of oil completely: they've been making their money since the 1800s this way

- with all due respect to Laurence Rockefeller, Leon Paneta, Hillary – when you are dealing with these ones you are bought by them and S. Greer refused that: no matter how much money you put in front of me, I will not buy it.

T: President Bill Clinton was the first president of the Corporation of the Democratic Party – so there has been no democracy at all.

- And Hillary has been anointed – since 1991, she has been in charge of the entire bush dynasty – this means that bush Sr and the dynasty he came from: the Danish royals and the Schirffs were funded by the same people that Trump is a bastard child of

- that puts Hillary and bill and Trump in the same lot – which means there is no party system at all, especially no democratic party – means we have had only the nazi party since the 1930s

- in 1933 the US corporation, nazi party has been at war with the rest of the world and that is why all the lawyers in the US took the “esquire” title - meaning they owe their allegiance to the British Crown, so that is why Shakespeare said “Kill all the Lawyers” – they are the agents of the Nazis and of death. Bill Clinton divested himself of the Esquire name and bought DC for \$8 million the District of Columbia

- Hillary since the time she was anointed in 1991, she had to make sure that the Pigford case never got to the end, got announced – she's been against integration and the freedom of the people of colour

- the same thing happened in 1980 – we have all caught on that NESARA is the latest

name – the whole idea goes back to Knights Templar and their job of getting money for the people; the Vatican killed them all and stole their money. And the Vatican from 1451 and the Doctrine of Discovery have killed hundreds and millions of indigenous peoples in N and S America

- T talked about the Aboriginal Moabites because all the people in the world are really Aboriginal Moabites: we **all descended from these folks, the AM Nation – they tried to remove the blackness by** taking the melanin out of our skin did not stop anything because we have our hearts – a big story!

CL: why would the Rockefellers divest themselves of the profitable businesses?

T: they are trying to save their necks – because the Vatican was their tool – the Vicar of Christ was supposed to represent a benevolent dictator called Christ, – yet the benevolent dictator we got was Lucifer, the head of the fallen angels

- this ties in with Ben Fulford's story about the Indonesian president going to Antarctica, South America and other places, has to do with the Arc of Gabriel, the sidereal weapon found in Riyadh, Saudi Arabia last year
- ties in with all the ancient cryogenic chambers – like Zoroaster's - being found, as well as other sidereal technologies which ties in with the return of Nibiru & the time we are in
- Xi, Putin, Obama know all about this and cannot stop it; yet the media is in bed with the 13 families and has to do with the revealing of the 9 arcs which have to do with the 6 Infinity Stones and the Gauntlet of Power and how these ancient sidereal technologies were used in a good way millions and millions of years ago to keep the M W galaxy safe & sound
- now they have been found, the others want to use them for darkness and they will not be able to because the technologies are tied into the Light and will not be used for darkness
- this has to do with the full disclosure & some of the things ET Corey, Michael Salla talk of
- they are desperate to pull off an alien invasion with some of these technologies

CL: when he says ET Corey, Rama is referring to Corey Good

T: Two articles: one is about Christopher Story and Leo Wanta fund – it indicts Hillary for murder of her lover – she spearheaded the dinars and the dong – trying to say Leo Wanta is a good guy: this is a Faction 2 article. C. Story was killed point blank in London and was cloned. The Faction 2 reporting station – even Carol Davis had on Tom Hannigan, Stu West, Lennie Bloom – they denied that Peter Hans Clovenbach [head of Jesuit Order aka Black Pope] was dead; they had been taking money from the \$31.2 trillion dollars, and so has Hillary

- this is a Black Op from the Vatican – and the vatican is not longer the head of anything, cut off from the whole world!
- BO with the leadership of being overlit by AI Morya did this

- **Patti Cota Robles** – Atlanta, GA last Sunday: first thing she said was she didn't realize when she scheduled the event in 2015 that it would fall between the 2 eclipses: she stated quite clearly what Mother has been saying for years:

- (1) the 4th dimension is closed permanently
- (2) it means the end of karma, the 450 billion year karmic wheel is done
- (3) no more reincarnation – for the new souls coming in, except for the dispensation of people that have died since 9/11 who can come in their same bodies renewed or they can also choose to go elsewhere -

- **T** sat beside PCD in Durham, North Carolina at a conference – the 1st one in a different venue to do with the teachings of St Germain Theosophical Society : there was an

intervention there

- the TS was changed with the Black Ops took it over and changed things [the Lucius Trust]
- they took our power away by changing the original picture that was commissioned to be

painted in 1930s – Mommy Ballard was Geo Washington in previous lifetime, and Daddy Ballard was Benjamin Franklin

- they created moles and killed both the Ballards from the inside out, and then created the Lucius Trust, & included a new category labelled as Case 17, the story of galactic intervention – only the elite could access that info as long as they were of the Lucius Trust
- It all happened just after the Ashtar Command became part of the US military on the ground – T corrected the #8 info regarding the amendment [**see NESARA tab in the 2013 Rainbow Roundtable web site – the entire story that T is describing is there in great detail**]
- there was intervention whether members of Congress liked it or not – they all had to sign the NESARA document, and all 435 members of Congress voted to pass the bill, and Bill Clinton signed it Oct 10, 2000 before he left Office. [It is the enactment of this bill that we are waiting to see happen.]

Rest of the evening:

- an explanation of Transformational Clearing [TC]; opening the lines for people to call in and ask questions
- announcing again the new conference call #.
 - Starting at the beginning of April, callers can only access 1-605-475-1600

T: from 9 pm to 10 pm EST on Friday and Saturday nights [Hard News on Friday, the Saturday History Call], there is a roundtable conference call which is recorded on the free conference line because there is a program playing on BBS that cannot be moved.

CL: had a transformation clearing of an emotional blockage from her childhood

- 1 of 5 kids with an alcoholic father – they all scattered when he came into the room
- Around the age of 6, Cathy had an experience – her father ordered her to vacuum and she had never done this before; the equipment was almost bigger than her. He was harsh and frightening and screaming and yelling at her.
- As an adult, she could never understand why she was so anxious, having to do things right all the time – she had a moment when she realized her inner nervous system was still reacting to his constant berating and beating of them.
- We hold packets of energy that are dormant and may not know that we have them and that we can deal with them and allow our emotional systems to “come down”

MR: • T C was downloaded to her and was a gift to her:

- we come in with packets of energy around us and our job is to get it together – that energy can integrate and align once we get the knowing, the understanding.
- She will give callers the years: she can see things around ages 4, 7, 11, 13 and then around 18

Sonja: has been working with a gemstone that helps clear stuff at deep levels

MR: what comes up is between ages 4-5; 8-9; then 13, then 26-27 [in response to Sonja's question, this was the densest packet of energy – which were the ages that Sonja had circled]

- **Age 4-5** – she was integrating into her real family, as her grandmother has raised her from age 1-3
- there was abandonment trauma from 1-3: now cleared

MR: ask inner guidance for more clarity

MR: does not matter where people are on the planet: MR does this long distance

CL: recalls an incident when she broke into a rash and MR called her at the moment and asked her how she was!

MR: Judy Beebe has new info to share: she'll be here on April 7th

- go to **judybeebe.com** – **NEW INFORMATION IS THERE**
- Judy said to put the gem sphere in the bathtub with you as it changes the water

Magical Moments – reminders of guidance and help that is available.

- Since the time the pool was built, it has become a frog pond – MR used to put her god finger in the pond and ask for it to be cleared – and it was.
- Talked about seeing lenticular clouds – grabbed the camera as she ran outside: the clouds formed a dove – as she looked at the picture and asked for the meaning: even in the midst of chaos, you can be at perfect peace!

CL: so many magical moments that come up; spirit knows each and everyone of us, and knows what we need to see and know

MR: Ages where she sees energy packets: 5-6; 10-11; 21-24 or around there – places where conflicts, emotional events – think about it and then call MR

Caller: thinks she knows – 18-50 not married very happily

MR: 56-57 – some broken connection

Caller: as a small child, her grandfather was a pentecostal preacher and she fell and skinned her knee; she asked her grandfather to pray for her, and next day it was totally healed.

Caller: wanting to hear the sticking points; will talk to MR later

MR: 7-8; 15-16; early 20s

Caller: 7-8 resonates – came up strong to MR, too

Call: 317-773-0061

E-mail: stargatemarietta@gmail.com

T: Rama and KOS meeting in 1980 in Taos, NM; Rama channeled Mother for him and as she had them both cornered, she told KOS he was the 7th incarnation and initiation of the energies of Sananda Kumara on the planet, as Jesus was the 6th; the mission of Sananda Kumara is to bring everyone together to do it together

- and KOS is to work with Rama as Rama is the incarnation of the son of Ashtar and is being initiated and incarnated to do his mission and take over the chair of Ashtar, meaning Sananda and Ashtar are being prepared to take on more responsibility at a higher level.
- Said it was not about them but about bringing the world together on the same page so we can go into the age of Satvik Yuga and Enlightenment and the age of the Cosmic Christ
- this started their mission to get NESARA going together, announced and this synchronized with Oct 1, 1979 which was the beginning of getting N announced on the 3rd dimensional level between the Light and the Dark as Oct 1 was the first day of the fiscal calendar and they just said "may the best man win"
- the accomplishment of Rama, KOS and the others on his contact list is about the accomplishment of the Light which has been prevailing enough to wake up the rest of the world
- Today, Fran and Susan of Ashtar on the Road called up and asked Rama to make a list of all the characters in Rama's play like Jack the Alien Hunter, LM Nada, King Houssein, and others
- this little glossary won't get done until after the surgery

MR: thinks this is a great idea! Has been thinking about it for a long time – could be done in the

1st segment of the show.

- Refers to an earlier time in the '90s when she channeled so many beings – Sananda was always the last one who came through and those watching could see the changing auras as the different beings came through. Over half the people in the room knew who the channeled beings were – she thinks it was an ancient memory coming up that allowed people to know who they were.

T: at that time in the 90s, she channeled Ashtar and also Ascended Master Orion who is in charge of Orion's Belt; they did Mother Sekmet readings for people – it was the time when there were so many walk-ins in an attempt to build up the light in the face of the darkness

C Randy: 2-3; 6-7; 11; 16-17; - yes, 17 was a big car accident

MR: suggests Skype – e-mail re time to Skype.

T: from Sitamun: a possibility and a probability that we could have peace in Syria on Sunday!

Closing:
