If a Council is not present, the District Deputy or his representative is responsible and will have to fill in (Or the Iowa Special Olympics and the Knights will lose the space to hand out tootsie rolls at the State Fair permanently). Councils are to be **ON TIME AT LEAST 10 MINUTES PRIOR TO THEIR ASSIGNED TIME SLOTS**. Councils are to stay only within the space allotted to Iowa Special Olympics to pass out the tootsie rolls - in other words **NO** walking around the building or outside the doors to pass out tootsie rolls.
