PUBLIC POLICY SUMMIT EVENT

November 3-4, 2015, Inbal Jerusalem Hotel, Jerusalem, Israel

[\(http://www.inbalhotel.com/\)](http://www.inbalhotel.com/)

The strategic educational Summit event co-hosted by The Heritage Foundation, International Leaders Summit, Alliance for Direct Democracy in Europe (ADDE), National Religious Broadcasters and Family Research Council will focus on public policy issues addressing the rule of law, economic freedom and security. The audience for the summit will be international participants expected from the US, Israel, Europe and the greater Middle East.

The co-organizers believe that the Summit event in Jerusalem, Israel, will provide a strategic platform for communicating with leading voices and key stakeholders about foreign policy, US-Israel relations, Europe-Israel relations, the present threats to the West, Israel, and our common civilization based on the foundation of the rule of law - protecting life, liberty and property.
