

AFFIDAVIT OF SOVEREIGNTY

NOTICE UNDERSTANDING and INTENT and CLAIM OF RIGHT

Be it known to all courts, governments, and other parties, that I, **Leith Andrew Carnie©**, am a natural, free-born Sovereign, without subjects. I am neither subject to any entity anywhere, nor is any entity subject to me. I neither dominate anyone, nor am I dominated.

My authority for this statement is the same as it is for all free Sovereigns everywhere: the age-old, timeless, and universal respect for the intrinsic rights, property, freedoms, and responsibilities of the Individual.

I voluntarily choose to comply with the man-made laws which serve to bring harmony to society, but no such laws, nor their enforcers, have any authority over me. I am not in any jurisdiction, for I am not of subject status.

Consistent with the eternal tradition of natural common law, unless I have harmed or violated someone, or their property, I have committed no crime; and am therefore not subject to any penalty.

Thus, be it known to all, that I reserve my natural common law right not to be compelled to perform under any contract that I did not enter into knowingly, voluntarily, and intentionally. And furthermore, I do not accept the liability associated with the compelled and pretended "benefit" of any hidden or unrevealed contract or commercial agreement.

As such, the hidden or unrevealed contracts that supposedly create obligations to perform, for persons of subject status, are inapplicable to me, and are null and void. If I have participated in any of the supposed "benefits" associated with these hidden contracts, I have done so under duress, for lack of any other practical alternative.

Any such participation does not constitute "acceptance" in contract law, because of the absence of full disclosure of any valid "offer", and voluntary consent without misrepresentation or coercion, under contract law. Without a valid voluntary offer and acceptance, knowingly entered into by both parties, there is no "meeting of the minds", and therefore no valid contract. Any supposed "contract" is therefore void, ab initio.

Typical examples of such compelled and pretended "benefits" are:

1) **The use of fiat currency to discharge my debts.** I have used these only because in this country, there is no other widely recognized currency.

2) The use of a bank account, with my signature on the bank signature card. If there is any hidden contract behind the bank signature card, my signature thereon gives no validity to it. The signature is only for verification of identity. I can be obligated to

fulfil no hidden or unrevealed contract whatsoever, due to the absence of full disclosure and voluntary consent.

Likewise, my use of the bank account thereof is due to the absence of a bank not associated with the central bank system. In general, people have been prevented from issuing their own currencies. Were there an alternative, I would be happy to use it. To not use any bank at all is impossible or very difficult, as everyone knows, in today's marketplace.

3) **The use of an identification number from a government agency.** The number normally assigned to persons of subject status, I use exceptionally, under duress, only because of the extreme inconvenience of operating without one in today's marketplace, where it is requested by banks, employers, lenders, and many other government agencies and businesses. My reason for using it is not because I wish to participate in the system, as I don't wish to participate. Let it be known that I use the number assigned to me for information only, if at all.

4) **The use of a driver's license.** As a free Sovereign, there is no legal requirement for me to have such a license, for travelling in my car, as technically, the unrevealed legal purpose of driver's licenses is commercial in nature. Since I don't carry passengers for hire, there is no law requiring me to have a license to travel for my own pleasure and that of my family and friends. However, because of the lack of education of policy officers on this matter, should I be stopped for any reason and found to be without a license, it is likely I would be ticketed and fined or obligated to appear in court.

Therefore, under duress, I carry a license to avoid extreme inconvenience.

5) **State plates on my car.** Similarly, even though technically, my car does not fit the legal definition of a "motor vehicle", which is used for commercial purposes, nevertheless, I have registered it with the state and carry the state plates on it, because to have any other plates or no plates at all, causes me to run the risk of police officer harassment and extreme inconvenience.

6) **Past tax return filed.** Any tax returns I may have filed in the past, were filed due to the dishonest atmosphere of fear and intimidation created by the tax collector and the local assessors' offices; not because there is any law requiring me to do so. Once I discovered that the tax agencies are lying to the public, I have felt it is my responsible duty to society to terminate my voluntary participation. Because such returns were filed under Threat, Duress, And Coercion (TDC), and no two-way contract was ever signed with full disclosure, there is nothing in any past filing of returns that created any valid contract. Therefore, no legal obligation on my part was ever created.

7) **Birth Certificate.** The fact that a birth certificate was granted to me by a local hospital or government agency when I entered this world, is irrelevant to by Sovereignty. No status, high or low, can be assigned to another person through a piece of paper, without the recipient's full knowledge and consent. Therefore, such a piece of paper provides date and place information only. It indicates nothing about jurisdiction, nothing about property ownership, nothing about rights, and nothing about subject status. The only documents that can have any legal meaning, as it

concerns my status in society, are those which I have signed as an adult, with full knowledge and consent, free from misrepresentation or coercion of any kind.

8) **Marriage license.** The acquisition of a marriage license is now being revealed as being necessary only for slaves. The act of a Sovereign such as myself obtaining such a license, through social custom and ignorance of law, has no legal effect in changing my status. This is because any such change in status, if any may be supposed to occur, could happen only through a hidden and unrevealed contract or statute. Since no hidden, unrevealed, and undisclosed information, if it exists, can be lawfully held to be binding, it is null and void.

9) **Children in public school.** The attendance of my children in government-supported "public" schools or government-controlled "private" schools does not create any legal tax obligation for me, or any other legal obligation, because I never signed a contract agreeing to such obligation for the supposed "privilege" of public school attendance.

If any of my children have attended government supported "public" or controlled "private" schools, such as done under duress and not out of free will. Be it known that I regard "compulsory state education" as a violation of the natural and universal common law of freedom of choice.

10) **Declaration of Citizenship.** Any document I may be ever signed, in which I answered "yes" to the question, "Are you a citizen?" – cannot be used to compromise my status as a Sovereign, nor obligate me to perform in any manner. This is because without full written disclosure of the definition and consequences of such supposed "citizenship", provided in a document bearing my signature given freely without misrepresentation or coercion, there can be no legally binding contract.

11) **Past voter registration.** Similarly, since no obligation to perform in any manner was ever revealed in print, as part of the requirements for the supposed "privilege" to vote for government officials, any such registration on my part cannot be legal evidence of any obligation to perform.

Likewise, I have granted NO jurisdiction over me, to any political office. It is my inherent right to vote on elections or issued that I feel affect all of society; NOT because I need anyone to rule over me. On the contrary – I have used the voting process only to instruct my public servants what a Citizen and Sovereign would like done.

12) **Use of semantics.** There are some immature people with mental imbalances, such as the craving to dominate over other people, who masquerade as "government". Just because they alter definitions of words in the law books to their supposed advantage, doesn't mean we have to accept those definitions. The fact that they define the words "person", "address", "mail", "resident", "motor vehicle", "driving", "passenger", "employee", "income", and many others, in ways different from the common usage, so as to be associated with a subject or slave status, means nothing in real life.

Because the courts have become entangled in the game of semantics, be it known to all courts and all parties, that if I have ever signed any document or spoken any words on record, using words defined by twists in the law books different from the common usage, there can be no effect whatsoever on my Sovereign status in society thereby, nor can there be created any obligation to perform in any manner, by the mere use of

such words. Where the meaning in the common dictionary differs from the meaning in the law dictionary, it is the meaning in common dictionary that prevails, because it is more trustworthy.

Such compelled and supposed "benefits" include, but are not limited to, the aforementioned typical examples. My use of such alleged "benefits" is under duress only, and is with full reservation of all my common law rights. I have waived none of my intrinsic rights and freedoms by my use thereof. Furthermore, my use of such compelled "benefits" may be temporary, until better alternatives become available, practical, and widely recognized.

From my research, the "law of the land," is the peaceful common law, which is not influenced by acts and statutes. Under common law, the rights, freedoms, and duties of private individuals have long been established and unlike statute law, common law has had a progression towards more freedom and personal responsibility rather than less. Among the rights and freedoms understood by common law are such things as the rights to life, liberty, the pursuit of happiness, property and use thereof, privacy, peace, and the ability to travel freely in public without harassment or intimidation. The obligations and duties of those living under common law are essentially to ensure that one does not infringe or allow others to infringe upon those unalienable rights and freedoms.

I have also learned that the rights of a free spiritual being cannot be lawfully limited without consent, as that would imply slavery. Effectively, rights are not bestowed upon one by another unless the first gives his/her consent, or the first is the lawful property of the second. The very nature of the concept of consent is that it can only exist amongst equals with full disclosure and without coercion. I do not recall ever being sold or purchased as a slave, nor do I recall giving my free consent to be governed or represented by any governmental agent, although at times I have been deceived and intimidated into submission. Although the various rights and freedoms are self-evident and unalienable, in order to be. In order for lawful representation to exist, there must be mutual consent, and that consent may be revoked for any reason depending on the nature of a specific contract between the two parties. I am hereby notifying all who read this and any other interested parties that I have revoked my consent to be governed by fictitious corporate entities with which I do not have a subsisting contract. I declare that I am neither a child nor a slave, but a free man capable of administering my own affairs.

Whereas it is my understanding Australia is a common law jurisdiction, and,

Whereas it is my understanding equality before the law is paramount and mandatory, and,

Whereas it is my understanding a statute is defined as a legislated rule of society which has been given the force of law, and,

Whereas it is my understanding a society is defined as a number of people joined by mutual consent to deliberate, determine and act for a common goal, and,

Whereas it is my understanding the only form of government recognized as lawful in Australia is a representative one, and,

Whereas it is my understanding representation requires mutual consent, and,

Whereas it is my understanding that in the absence of mutual consent neither representation nor governance can exist, and,

Whereas it is my understanding those who have a Social Security Number are in fact employees of the federal government and thus are bound by the statutes created by the federal government, and,

Whereas it is my understanding that it is lawful to abandon one's Social Security Number, and,

Whereas it is my understanding people in Australia have a right to revoke or deny consent to be represented and thus governed, and,

Whereas it is my understanding if anyone does revoke or deny consent they exist free of government control and statutory restraints, and,

Whereas a Freeman-on-the-Land has lawfully revoked consent and does exist free of statutory restrictions, obligations, and limitations, and,

Whereas I **Leith Andrew Carnie**© am a Freeman-on-the-Land, and,

Whereas it is my understanding that acting peacefully within community standards does not breach the peace, and,

Whereas it is my understanding that any action for which one can apply for and receive a license must itself be a fundamentally lawful action, and,

Whereas as I am a Freeman-on-the-Land who operates with full responsibility and not a child, I do not see the need to ask permission to engage in lawful and peaceful activities, especially from those who claim limited liability, and,

Whereas it is my understanding a by-law is defined as a rule of a corporation, and,

Whereas it is my understanding corporations are legal fictions and require contracts in order to claim authority or control over other parties, and,

Whereas it is my understanding legal fictions lack a soul and cannot exert any control over those who are thus blessed and operate with respect to that knowledge as only a fool would allow soulless fictions to dictate ones actions, and,

Whereas it is my understanding that I have a right to use my property without having to pay for the use or enjoyment of it, and,

Whereas it is my understanding that a summons is merely an invitation to attend and the ones issued by Australia or any of its agencies creates no obligation or dishonour if ignored, and,

Whereas it is my understanding peace officers have a duty to distinguish between statutes and law and those who attempt to enforce statutes against a Freeman-on-the-Land are in fact breaking the law, and,

Whereas I have the power to refuse intercourse or interaction with peace officers who have not observed me breach the peace, and,

Whereas permanent estoppels by acquiescence barring any peace officer or prosecutor from bringing charges against a Freeman-on-the-Land under any Act is created if this claim is not responded to in the stated fashion and time,

Therefore be it now known to any and all concerned and affected parties, that I, **Leith Andrew Carnie©**, a Freeman-on-the-Land do hereby state clearly specifically and unequivocally my intent to peacefully and lawfully exist free of all statutory obligations restrictions and maintain all rights at law to trade, exchange or barter .

Furthermore, I claim that these actions are not outside my communities' standards and will in fact support said community in our desire for truth and maximum freedom.

Furthermore, I claim the right to engage in these actions and further claim that all property held by me is held under a claim of right.

Furthermore, I claim that anyone who interferes with my lawful activities after having been served notice of this claim and who fails to properly dispute or make lawful counterclaim is breaking the law, cannot claim good faith or colour of right and that such transgressions will be dealt with in a properly convened court de-jure.

Furthermore, I claim that the courts in Australia are de-facto and are in fact in the profitable business of conducting, witnessing and facilitating the transactions of security interests and I further claim they require the consent of both parties prior to providing any such services.

Furthermore, I claim all transactions of security interests require the consent of both parties and I do hereby deny consent to any transaction of a security interest issuing under any Act for as herein stated as a Freeman-on-the-Land I am not subject to any Act.

Furthermore, I claim my FEE SCHEDULE for any transgressions by peace officers, government principals or agents or justice system participants is FIFTY THOUSAND DOLLARS PER HOUR or portion thereof if being questioned, interrogated or in any way detained, harassed or otherwise regulated and ONE HUNDRED THOUSAND DOLLARS PER HOUR or portion thereof if I am handcuffed, transported, incarcerated or subjected to any adjudication process without my express written and Notarized consent.

Furthermore, I claim the right to use a Notary Public to secure payment of the aforementioned FEE SCHEDULE against any transgressors who by their actions or omissions harm me or my interests, directly or by proxy in any way.

Furthermore, I claim the right to convene a proper court de-jure in order to address any potentially criminal actions of any peace officers, government principals or agents or justice system participants who having been served notice of this claim fail to dispute or discuss or make lawful counterclaim and then interfere by act or omission with the lawful exercise of properly claimed and established rights and freedoms.

Furthermore, I claim the law of agent and principal applies and that service upon one is service upon both.

Furthermore, I claim the right to deal with any counterclaims or disputes publicly and in an open forum using discussion and negotiation and to capture on video tape said discussion and negotiation for whatever lawful purpose as I see fit. Affected parties wishing to dispute the claims made herein or make their own counterclaims must respond appropriately within Fourteen (14) days of service of notice of this action. Responses must be under Oath or attestation, upon full commercial liability and penalty of perjury and registered in the Notary Office herein provided no later than fourteen days from the date of original service as attested to by way of certificate of service.

Failure to register a dispute against the claims made herein will result in an automatic default judgment and permanent and irrevocable estoppels by acquiescence barring the bringing of charges under any statute or Act against My Self Freeman-on-the-Land **Leith Andrew Carnie©**.
