HARD NEWS

Schedule: leaving on Sunday morning

R: wild time on the planet! Stories are wild and magical!

• **Talked to KOS, LM Nada** today

- shared some of the issues unravelling now
- Ms Clinton: her schedule is unravelling very rapidly! Got below the belt with Sanders
 - has to do with major distractions about how she & Bill got involved in a major scandal: stole \$50 M to get Bill re-elected in 1996 –
 - they orchestrated the bombing of Sherman Skolnick's home in Chicago; he left the planet, thanks to them
 - She voted for the war after 9/11
 - She is collecting money hand over fist from the death merchants and the biomedical- industrial military, congressional complex – Bernie IS NOT

• **Bernie: Ap 16, 17th - having a potluck in Santa Fe;** people to bring own food & drink

- at the same time, George Clooney hosting a \$20,000 plate dinner for the Clintons
- As you **want Hillary: you are voting for war;** want **Bernie: voting for peace**

They also talked about **The Panama Papers:** have to do with larger scandal NOT INVOLVING MR PUTIN.

- Putin is bringing all this forward in the moment: about how the 13 families have been playing with various things, like Mr Cameron's father got involved in stashing money in one of those places – this was talked about by Bernie

• a delicate dance here having to do with bringing this back to **we the people** –

- simply put, the Poppy Lady who got \$14 Billion in 1999 [NESARA blessings] and is using every single penny is to re-build Afghanistan, feed and dress children and women: she dresses like a man & carries a collapsible AK 47 since 1999
- her daughter makes organic food since 1999 in Santa Fe and sells for reasonable prices or gives it away – on the plaza in Santa Fe – this is the commitment that represents NES
- they deposited their money in the Isle of Man and use it as collateral to borrow money
- She uses an AK 47 because US soldier are killing civilians in Afghanistan – they consider her an enemy – she has to defend her people;
- Afghanistan looks like Mordor! There is depleted uranium is all the bullets being used over there, and our compromised media does not talk about it.

• Even to the present day, every single cop in the US carries depleted uranium bullets – which means civilians are getting radiated should they be shot. Very intense stuff happening on the streets!

• Black Lives Matter really challenged Bill on the podium today – he has Parkinsons which was given to him, more likely Hillary helped with it. Send everyone love and light!

MR: question: does Rama know anything about secret meeting to be held in May in London, between reptile families and their plan to crash the banks in the UK and then the rest of the planet?

- Is it true that only a few reptiles are left on earth?

R: what is being read is F1 and F2 news – yes, there are some of those kind of folks and they are being watched by F3 and the factions of light – there is enough reptiles left on earth to create enough chaos – we are still watching so many insane things!

- Trump is an archon on the planet
- they used to have access to the 4th dimension which is now closed – Mahala Gayle, Dr Keshe, Patti Cota Robles have also said it;

- Mother said the entire 4th dimension had already merged with 3rd in 1987 –
- those working strongly with higher vibrations have been able to merge that 4th and 5th dimension into their DNA in – it means it is adding more light into our physical and morphing the entire human race to 5th dimensional light, colour and sound; for this to be a permanent shutting down, it means that we have enough of the energy of the human race where we can download directly into more light in our bodies directly from the 5th dimension to create physicality without having to go through 4th dimension
- **KOS said today** that there are magical folks that are taking Nassim's research to the next level - expanding the spaces between the atoms, the particles – as you get to that microscopic, dimensional level, as you get that small, it goes into the world of the vacuum where there are light years between the atoms – this brings in the quantum field of light and there are beings that are coming in at that level that are working with all of us and changing our physical structure from carbon to silica so we can receive more light – we started there, and we are returning to that.
- Back to Randy's question: the 4th dimension where the lower energy of the darkness has seeded itself on the planet is cut off now– so they are sort of sterile creatures
 - they have played around with the collider, to create mini worm holes to try and shift the consciousness of the people to bring in archonic energies;
 - every time they play with the super collider [CERN], it is shut down by higher dimensional beings – every time it shuts down, a billion dollars goes up in smoke.
- Marshall told him that the paper in Germany is ultra right wing nazi: for the Panama Papers to be given over to that paper is a whitewash: we are still looking for our criminals in that bunch
 - LM Nada, KOS - suspend our disbelief and suspend all of the garbage about those things doing on
- the light and the 5th dimensional consciousness is over lighting this exponentially
 - and the Ashtar Command has full overview of all that has happened over all time and space, including all the intergalactic activities and the money games.
 - They have been playing with so many stories: he describes it as being into the X files and beyond; because they are not from earth – none of us are from the earth; we are all stewards of this planet; none of us are from the earth – and we are bringing her back to wholeness, and those ones want to use and abuse her and move on to another planet:
 - the blue Avians, the Ashtar Command & the legions of heaven are here – and so many folks are surrounding this planet with quintillions of ships and beings
- also had a **call Tuesday from David Goodman, Keith Olberman and LM Nada-**
 - there is an older story than the Panama Papers: **THERE IS NO MONEY AROUND; THIS IS JUST ANOTHER BARKING DOG ABOUT DINARS AND DONGS**
 - the market supposedly came down 180 points today; the so-called money there is just Script – not real: their power is reduced to **minus zero**
 - the older story goes back to the Thule Society and it is connected to the secret trust indentures that have to do with the nazi gold that was stashed in Antarctica since WW2; certain portions of this gold were put into Anstalt trust accounts, supposedly the most secure trust accounts on the planet until right now
- **David, Keith and LM Nada** said they would tell R a story right out of X Files!
 - certain other portions of that gold were taken and experimented with
 - then alchemically transformed it in into mono atomic gold alchemically
 - then did experiments reducing animals to the size of red ants
 - then they applied it to humans – wanted a superior army of human super soldiers the

size of small red ants so they could infiltrate all kinds of cyber technologies, bank vaults; underground secret bases and the forbidden palaces in China and all kinds of locations; they were retrofitted with wings and super powers: bilocation – ants can life 100x their own weight

- The experiments started in the 30s until they were stopped in early 70s when Saigon was being evacuated and the US lost the war in Viet Nam
 - The archangelic realms, the elementals, the divas, the hobbits confronted the experimental army of super soldiers and stopped them with the Violet Flame, then brought the ants back to human form & their normal size
 - did the same things for the animals – they were left unharmed and still exist to this day somewhere in the earth and are looked after by certain members of the dark side who have returned to the light;
 - some of the humans took their own lives; some associated with the sacred space alliance escaped to other star systems and are assisting the light to bring accountability and balance back to the earth and Mother's children
- all the stories have to do with the things that are coming forward – as we become crystalline beings, all our gifts and abilities that we never lost are coming fully into perspective

Guest: Judy Beebe www.judybeebe.com/stargate

IF YOU CAN'T GET TO THE LOCATION USING THE ADDRESS ABOVE, PUT IN <http://www.judybeebe.com/gemspheres> and then remove the word "gemspheres" and add in the word "stargate"

this works, because the <http://www.judybeebe.com> will take you part of the way: the addition of "stargate" finishes the correct address.

<http://www.judybeebe.com/gateways.html> [and you need the .html]

- Additional info on the 12 gateways – once you get to the location, you will find the words about the 13 gateways in the top right hand corner; just click on that.

THE DISCUSSION WAS TOO COMPLEX TO PUT INTO NOTES;

- **JUDY WAS REFERRING TO DIAGRAMS IN THE VARIOUS LOCATIONS –**
- **YOU WILL HAVE TO ACCESS THE PODCAST AND MOVE BACK AND FORTH BETWEEN THE DISCUSSION AND THE DIAGRAMS PROVIDED so you will understand what is being said and described.**
