MR: for the last 2 summers, has had a murder of crows! In the last 2 weeks, a crow came and sat in the window, then on the roof, a couple of mornings on the roof outside her bedroom

- Wants to know of people's experiences with crows

R: has had 5-6 of them, in the last couple of days, blocked his path with the crows – they never, ever forget your face for their entire lifetime!

MR: a documentary that shows there is a different species of crow in every continent; the most intelligent bird of them all

- This is the first time that one sits right outside her window in whatever room she is in

T: they represent universal sacred law

R: just recently, several crows stopped in front of the car & did not move; so he shut the car off and sat on the curb. The crows lined up and started squawking;

- R shut his eyes and saw geometnric patterns at the speed of light: the tetrahedron, dodecaheadrans

- has never experienced this with crows, just with cats and dogs; still integrating what they said to him!

T: has seen them do all kinds of stuff: they are super smart – amazing birds!

MR: what are we talking about here?

T: raven is universal Law; the crow is love, work made manifest – it's the Law of Love
crow = work

Hard News

As for the wild fiascoes going on

Plane crash in French Alps

KOS: the pilot that drove the plane into the mountain was mind-controlled;

- there were 3 Americans on Board; the woman and her daughter worked for the State Dep't
- the young pilot had 600 hours of experience

Larry, Curly, Tom the Cat: they vehemently expressed that Nibiru is in orbit, and Mother is here to collect her children who do not like it and are scared; creating the most horrendous of distractions

Yemen: KOS made it clear AGAIN:

- Like they tried to blame it on Putin: here, the **Houhtis are not backed by Iran**, but by the Saudis, Prince Bandar Bush, and by Netanyahu
- Saudis & McCain are funding ISIL

Ukraine: Hillary and Bill took millions and millions into the Clinton Foundation: they want WW 3 too

- **KOS had some strong words about Bill Clinton** – used to be close earlier; R got the impression that Bill is not long for this world: he did not pass his test.
- What we call Hillary is a look-alike stand-in
- She has not been ethical for a long, long time

[SEE BELOW]

T: she's responsible for murder of 87 people at Waco, TX

R: Greg Palast called Rama and offered him a job at BBC; R declined because he works for KOS and Captain Ashtar; Palast said he could not match that!!!

- very unusual stories floating around the net: the Mexicans addressed the Obama administration
 - all the craft showing up in Mexico in broad daylight, landing, people meeting them
 - Mexicans asked Obama if they were US craft / drones: Obama said they are not our craft
 - Palast said do not put all your eggs in one basket: Xi, Putin may also announce about them first, by saying we have friends who want to help us with all our issues!
 - This blew R's mind **as Palast does not go into ET realms!**
- It tells R that this story is getting larger and larger, and of a global view!
- Greg said, as the others do, that he cannot tell us when, but it is NOW
- The dark ones are all desperate to create war: they want to pull something between now and Easter
 - **Tom the Cat** said Boehner is off to see Netanyahu, and they are up to no good

Katrina on Right Left and Centre [a taped TV program in Canada]

- she said there can be no peace until 911 as an inside job is dealt with
- Netanyahu is a 2-faced liar: there will be no 2 state solution before the election and after the election, he was fine with a 2 state solution – someone has to deal with him summarily!

Rama & his travels on Friday:

- the old original key from 1996 broke off in the car door, to fix it is to take the door off, etc
- on the driver side, the door does not open; he gets in through the passenger door!
- So he could not get in on either side

- along comes a tow truck driver, same one who helped R a long time ago – when the alternator went; he's a White Knight, a New Mexican squirrel!
- This time, he also said as Lorenzo said [story from last Thursday] – it is NOW; just not sure exactly when
- This is 5 different people who are following this & all saying the same thing:
Nancy Pelosi, Anonymous 7 ½ , Lorenzo, tow truck driver, Greg Palast

Caller: the no-end machine – the CERN machine in Switzerland – was to be fired up yesterday

- CERN is a super collider; they have been trying to create the Big Bang, the cosmic orgasm when Mother and Lord Alcyone create the 7 super universes
- the galactics have taught him that you cannot create in this manner; it's not infused with the I AM energy and with love
- R has heard about lots of funny stories about the super collider and a laser beam – **not true**
- they did try to fire it up and it mal-functioned – now shut down so cannot play with it. Has to do with the electro magnets that did not function correctly

Caller: that's a postponement, a 2 year project: in the meantime, there will be no need for it as we go into NESARA

- has also heard there is someone in the White House who is a close confidante of Reggie Love
- a lot of talk about the individual; Reggie Love used to be the ass't to the President – neither T or R know about this
- there is talk that this individual is none other than KOS

• **NO, NO AND NO!**

Caller: So there is someone else escorting the president?

- There are various things you do not know: KOS, Ashtar, St Geramin, Larry, Curly & Mo are galactiics & are here and have regular meetings at the W H; they meet in an "undisclosed location" - this has always been a galactic operation

Caller: goes back to the Secret Service and the 2 who ran into the bomb site; he has heard that the site being investigated has to do with the construction of a stage that took place about 2 years ago -

R/T: have heard nothing about this: there are so many Faction 2 rumours all over the place – they do not go there. There was another one on Rumour Mill News and the fighter jets following the plane – A LIE!

Caller: also a story about Obama being arrested and General Ham in charge of the WH

- this comes from Faction 2 who absolutely hate the black man in the white house!!!!
- really tough right now because the 13 families are putting out so much disinformation: as this door opens, they know they will be hung from the nearest lamp post!
- This ties in with Nibiru being in orbit, and the wayward children being picked up; Mother is here and they know what that means
- there are all kinds of stories about the fall: Nibiru affecting the planet – WON'T GO THERE
- this is about attempting to keep the program going: THE EVENT [Cobra story] is not happening either
- the only story going on is people waking up – there are so many good things happening

Caller: the trip of Boehner to Israel – what is it about?

- It's about them trying to create a horror story: eg, detonate a dirty bomb on either Iran or Russia - **Ashtar has said NO NUKES**, and this discussion may supercede the disclosure announcements
- the grid will be shut down in a certain way

Caller: we will have the earth stood still scenario?

R: *The Day The Earth Stood Still*, a movie: in a way, Klotu shows up [Keyanu Reeves was the actor; the original movie from the 50s:] Klotu came to earth and said we need to talk about the atomic experiments going on on the planet and the folks in the neighbourhood are concerned – if you don't stop it, we'll stop you. Klotu died in the original movie, and his androids started laying waste to the planet

- this has to do with the various ways we can begin to talk about something: we are moving into the realm where full disclosure will be on the nightly news!
- This is not about folks showing up and invading; it is **about us meeting family we have not met for trillions of years**; they are coming back and we are meeting on such a deep level.

- **All the timelines converge in this timeline**, and this is why RanaMu is here with the Wingmakers:
 - the Ashtar Command, the Wingmakers and others will not allow another nuclear war to occur, and they are not here to eat our faces but to help us heal
- even those who are full of themselves, Like Fulford – and the article from Montague Keen

Caller: every cat in the neighbourhood is following him, and talking to him telepathically: Mother's paws are on the ground; please pay attention.

- Every night one certain cat is out hunting; unusual behaviour for this cat; talking early in morning
- He has had reports from Canada and other places that cats are acting strangely
- Also, the cancer rates for 30 – 50 year old people are escalating – news kept out of MSM
- they want to reduce the population to 2%: definitely know this is a Black Op
- the GMO issue is no small thing: it's global; China, Russia and others have said NO; however, not rejected by a lot of other countries; they are also using frequencies on people, too, after using GMOs
- All kinds of chemicals are around –
- another thing that is going on: Mother is being more merciful than she is just:
 - others are being disappeared and put on other planets or stars so they can complete their mission because they deserve to preserve their bodies; will be moved and not know they are in a different place
 - that is why everyone has been complaining: what is taking so long? Why don't they just do it?
 - Mother has been saying that turning up the amplitude of the good vibrations has been happening; this accelerated with Harmonic Convergence to the point that between 2006-2007 the Photon Belt from the Great Central Sun pulled earth back into the Milky Way Galaxy
 - from that point on, the old system went down 2007 – 2008
 - 2008- 2009 – people experienced loss of money; they lost their homes and can't get them back; this is the 3rd year that people have not had their unemployment
 - out of this has come good creativity: movements, people waking up and talking about living in community
 - another good thing has come out of the TPP – 600 anti TPP groups have pulled themselves together - there is a petition with 300,000 signatures that we do not fast track this –
 - Ron Widen of Oregon has been pushing this fast track through maybe because he's been paid off.
 - the acceleration is also palpable on Thom Hartmann's show: some callers are telling him to sit down and listen up when he won't address certain subjects! More and more people are awake.

Caller: where the caller lives, there have never been taxes on peoples' homes;

- the gov't secretly passed a secret law to do just that, saying people have to help due to economic troubles; people are rebelling and refusing to pay
- martial law is still in effect there: the law students are studying law, asking ex-PM why should we study law as we are under Martial Law: what law are we under? Under martial law, all other laws are dropped. Some people do not know this.
- The ignorance in the US about law is unconscionable
 - in Oct 1st, 2008 Bush Jr was announcing martial law, and 2 US marshals, one on each side, said you are coming with us and frog-marched him off the stage
 - Nancy Pelosi became acting President of the US at that moment.
 - between 2nd to 10th there were TARP discussions; the National Economic Stabilization and Recovery Act was passed; the wording of the name meant they wanted to stabilize the existing money system appearing to keep it going.
 - on Friday, Bush came out again, looking like he was hobbling & announced that he would be leaving in 3 days; 3 days later, he was killed and cloned: there's been a solid image hologram of him ever since
 - from midnight, Sept 30 into Oct 1st, Heidi and a team of Faction 3 White Knights completely zeroed out the entire global International Bank of Settlements: all the money was zeroed out and moved into the NESARA venue
 - **since midnight Oct 31, 2008, we have been under NESARA LAW!**

- on the conference call that night, Rainbird's friend called and said watch the TV: there were 10,000 men in suits, all shackled, being loaded on International C58 planes - 500 per plane - to go to the Hague to await their execution
- at 11:11 am on Election Day, Nov 4th McCain stepped down; Obama got a 6 hour briefing from the good CIA guys and then he ordered the execution of those 10,000 banksters and of Hillary Clinton; on Nov 9th, King of Egypt called up Rama and said "It is done".

Caller: once full disclosure is made, how long until NESARA comes into in effect world wide?

- within 3 days **AFTER THE ARRESTS**; has the feeling that they're going to just remove a whole bunch of them, no dilly dallying - they have football fields of evidence
- it is galactic intervention because these ones want nuclear war. They already know what they have done. Others will be arrested as well and, after that, the rest of us get our lesson plans
- The other day when R got the tow truck driver who is a NM squirrel: member of the NM militia - had his phaser ready and said " This is it"
- Also heard from Nancy Pelosi who has talked to Rama in 2006 after the mid term election: she said about the election: we are tabling this, but don't think it is finished.
- A number of people have let Rama know that it is about the 13 families who think they have a grip on things; but they don't know about the Faction 3 white knight operations behind the scenes.
- They think they know what is going on but they don't; she knows what's going on and when she says anything, they put egg on both Pelosi and Obama's faces, and blaming him for the drone strikes which he has not ordered
 - we are doing things that have to do with preserving free will choice so the good, the bad and the ugly will still have their free will choice: right to the last milli-second they can change their minds.

Audio: 2014-05 -10 **Discovery~Holographic Library left by an Advanced Civilization [SEE BELOW]**

- Tunnels go to Mt Shasta, Egypt, up and down Middle East, to Mongolia, to Tibet, to Baghdad, to Inner earth - the ones under the Mayan Pyramids tie in as well.
 - Rama does not know which civilization left this.
- This library, the time machine and the layrinths go back at least 50,000 years.

MR: has been shown on the inner that we have access to this kind of information.

2015-03-04 **EMAILGATE: Hillary's Karmic Payback For WATERGATE**
by Michael Thomas

*The True WATERGATE Back Story Ignored By The Mainstream Media
Hillary Clinton's Role In Richard Nixon's Impeachment Deliberations*

Very few people know, but Hillary Clinton was fired by Jerry Zeifman, the man who served as chief counsel to the House Judiciary Committee during the Watergate hearings, from her position as legal counsel on the Watergate committee staff. As follows:

Jerry Zeifman, the man who served as chief counsel to the House Judiciary Committee during the Watergate hearings, has tried to tell the story of his former staffer's behavior during those proceedings for years. Zeifman claims **he fired Hillary for unethical behavior and that she conspired to deny Richard Nixon counsel during the hearings.**

The now-retired general counsel and chief of staff of the House Judiciary Committee, who supervised Hillary when she worked on the Watergate investigation, says **Hillary's history of lies and unethical behavior goes back farther** – and goes much deeper – than anyone realizes.

Jerry Zeifman, a lifelong Democrat, supervised the work of 27-year-old Hillary Rodham on the committee. Hillary got a job working on the investigation at the behest of her former law professor, Burke Marshall, who was also Sen. Ted Kennedy's chief counsel in the Chappaquiddick affair. When the investigation was over, Zeifman fired Hillary from the committee staff and refused to give her a letter of recommendation – one of only three people who earned that dubious distinction in Zeifman's 17-year career.

Why?

"Because she was a liar," Zeifman said in an interview last week. "She was an unethical, dishonest lawyer. **She conspired to violate the Constitution, the rules of the House, the rules of the committee and the rules of confidentiality.**"[1]

Franklin Polk, once Chief Republican Counsel and Staff Director for the House Judiciary Committee during the Watergate Hearings also confirmed Hillary Clinton's illicit conduct, as well as Zeifman's response.

Zeifman, a lifelong Democrat, called Clinton a "liar" and "an unethical, dishonest lawyer."

He contends Clinton was collaborating with allies of the Kennedys to block revelation of Kennedy-administration activities that made Watergate "look like a day at the beach."

Her brief, Zeifman said, was so fraudulent and ridiculous, she would have been disbarred if she had submitted it to a judge.

Polk confirmed Clinton wrote a brief arguing Nixon should not be granted legal counsel due to a lack of precedent. **But Clinton deliberately ignored the then-recent case of Supreme Court Justice William O. Douglas, who was allowed to have a lawyer during the impeachment attempt against him in 1970.**

Moreover, Zeifman claims **Clinton bolstered her fraudulent brief by removing all of the Douglas files from public access and storing them at her office, enabling her to argue as if the case never existed.**[2]

Polk goes on to make the following observations which have never made it into the Mainstream Media.

Polk recalls Zeifman told him at the time he believed Clinton's primary role was to alert Marshall if the investigation was taking a turn against the Kennedys' liking.

"Jerry used to give the chapter and verse as to how Hillary was the mole into the committee works as to how things were going," Polk said.

Polk remembered **some Democrat committee members, as well as nearly all the Republicans, were upset at the attempt to deny counsel to Nixon.**

Zeifman said top Democrats, including then-House Majority Leader Tip O'Neill, believed Nixon clearly had the right to counsel.

"Of course the Republicans went nuts," Polk said. "But so did some of the Democrats – some of the most liberal Democrats. It was more like these guys – Doar and company – were trying to manage the members of Congress, and it was like, 'Who's in charge here?' **If you want to convict a president, you want to give him all the rights possible. If you're going to give him a trial, for him to say, 'My rights were denied,' – it was a stupid effort by people who were just politically tone deaf.** So this was a big deal to people in the proceedings on the committee, no question about it."

Polk said Zeifman rightfully "went nuts," as well, but "my reaction wasn't so much that it was underhanded as it was just stupid." [2]

Fast Forward to 2015 and All That Befalls Hillary Clinton

Some politicians spend their whole life in government service sowing seeds of extraordinary karmic blowback. They stay on the political stage unaware that they will reap the fruit of their actions, and often when they least expect it.

Clearly, Hillary Clinton's unscrupulous and unlawful behavior during the Congressional Watergate investigation constituted grounds for disbarment. And, yet, here she is the overwhelming presumptive presidential nominee for the Democratic Party.

Little does Ms. Clinton know that if she were to win that nomination, the ghost of Richard Nixon stands right behind her at every turn. Mysterious — truly mysterious are the ways of karma — as the twist and turns of fate always demonstrate.

Perhaps this latest EMAILGATE is just a foreshadowing of things to come, should Hillary Clinton persist in her quest for the highest office in the land.

For if Ms. Clinton were to win the U.S. presidency, it would likely become the greatest Pyrrhic victory in modern American history. Yes, there are that many skeletons in BOTH of their closets.

Author's Note

Why do America's top government officials and political leaders consistently comply with the Peter Principle? *Not only do they 'unfailingly' "rise to the level of their incompetence", they seem to revel in a similar rise to an opprobrious level of immorality, unethical behavior and lack of conscience.*

THE SECRET COVENANT

An illusion it will be, so large, so vast, it will escape their perception.

Those who will see it will be thought of as insane.

We will create separate fronts to prevent them from seeing the connection between us.

We will behave as if we are not connected to keep the illusion alive.

Our goal will be accomplished one drop at a time, so as to never bring suspicion upon ourselves.

This will also prevent them from seeing the changes as they occur.

We will always stand above the relative field of their experience for we know the secrets of the absolute.

We will work together always and will remain bound by blood and secrecy.

Death will come to he who speaks.

We will keep their lifespan short and their minds weak while pretending to do the opposite.

We will use our knowledge of science and technology in subtle ways so that they will never see what is happening.

We will use soft metals, aging accelerators and sedatives in food and water, also in the air.

They will be blanketed in poison everywhere they turn.

The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

The poisons will be absorbed through their skin and mouths. They will destroy their minds and reproductive systems.

From all this, their children will be born dead, and we will conceal this information.

The poisons will be hidden in everything that surrounds them; in what they drink, eat, breathe, and wear.

We must be ingenious in dispensing the poisons for they can see far.

We will teach them that the poisons are good with fun images and musical tones.

Those they look up to will help. We will enlist them to push our poisons.

They will see our products being used in film and will grow accustomed to them and will never know their true effect.

When they give birth we will inject poisons into the blood of their children and convince them it is for their help.

We will start early on, when their minds are young. We will target their children with what children love most, sweet things.

When their teeth decay, we will fill them with metals that will kill their mind and steal their future.

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.
We will render them docile and weak before us by our power.
They will grow depressed, slow, and obese, and when they come to us for help, we will give them more poison.

We will focus their attention towards money and material goods so that the many never connect with their inner self.

We will distract them with fornication, external pleasures, and games, so that they may never be one with the oneness of it all.

Their minds will belong to us and they will do as we say. If they refuse, we shall find ways to implement mind-altering technology into their lives. We will use FEAR as our weapon.

We will establish their governments and establish opposites within. We will own both sides.

We will always hide our objective but carry out our plan.

They will perform the labour for us and we shall prosper from their toil.

Our families will never mix with theirs. Our blood must be pure always, for it is the way.

We will make them kill each other when it suits us.

We will keep them separated from the oneness by dogma and religion.

We will control all aspects of their lives and tell them what to think and how.

We will guide them kindly and let them think they are guiding themselves.

We will foment animosity between them through our factions.

When a Light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

But if they ever find out that they are our equal, we shall perish then. THIS THEY MUST NEVER KNOW.

If they ever find out that together they can vanquish us, they will take action.

They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans.

This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.

This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of, for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end of time of infinity itself.

INCREDIBLE DISCOVERY: HOLOGRAPHIC LIBRARY LEFT BY AN ADVANCED CIVILIZATION

In the summer of 2003, in an unexplored area of the Bucegi mountains, an incredible discovery was found that would completely change the history, and destiny of mankind.

Deep within the Earth below the Bucegi Mountains in Romania, a holographic library left by an advanced civilization was found.

Tunnels from this library apparently lead into an Inner Earth, where a long-buried culture once thrived, along with what appears to be a time machine.

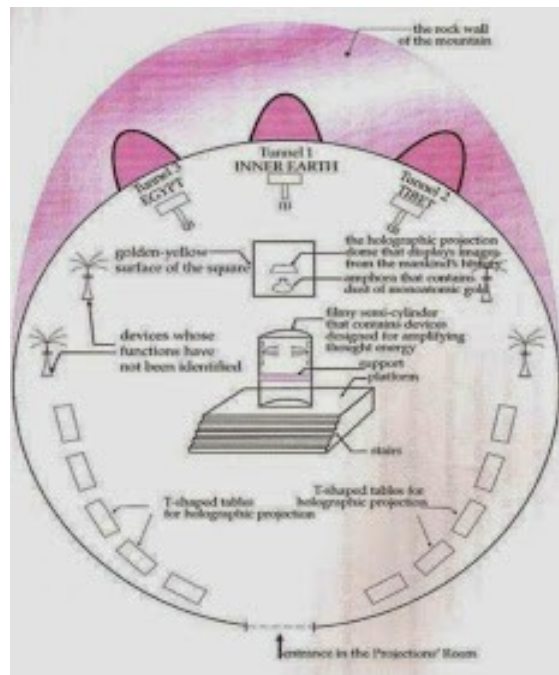

There are 4 primary tunnels and further sub tunnels that lead to deep underground chambers, huge rooms, with huge tables and stone chairs, they were designed for people who were much larger than us, 16-foot-tall beings, possibly extraterrestrial in origin.

In one of the chambers there is a projection room, which contains all our history, and can be replayed visually.

There is also a table where you can perform holographic experiments with DNA, mix and match anything you wish, and in real time see what the results would be.

These ancient hi-tech rooms were created at least 50,000 years ago, and each is connected to each other, powered by a mysterious energy source, and protected by a force field.

Since the invention of new advanced ground-penetrating radar, the most staggering data has emerged of complex and labyrinthine underground systems in various parts of the world.

Vast tunnels have also been mapped under the Mayan pyramid complex at Tikal, which extend a full 800 kilometers to the opposite side of the country.

Investigators remarked, it was possible to understand how half a million Mayan Indians escaped the decimation of their culture.

Is there a thriving, as-yet undiscovered colony beneath our feet? Is it evidence of Extraterrestrial visitation, or possibly just our own species in some earlier incarnation?

Could Inner Earth be a parallel universe intersecting across time and space, or is it something we as yet do not understand?

Listen to the fascinating accounts below.

Red Ice Radio - Author Peter Moon discusses the mysterious underground holographic hall of records found in 2003 by advanced satellite radar technology located at the sphinx of Romania in the Bucegi Mountains (close to the region known as Transylvania).

Peter has written and spoken about The Montauk Project, but this interview revolves around his other two books, "Transylvanian Sunrise" and "Transylvanian Moonrise", written by Radu Cinmar (a member of the Romanian Intelligence Service's occult department) and translated by Peter. He tells us how he became involved in these books, his trips to Romania, how the discovery of the sphinx chamber was made and the mysterious characters central to the story.

We also discuss Dr. David Lewis Anderson, director of the Time Travel Research Institute. Then, we talk about the Masonic and military interest in the chamber beneath the sphinx. Later, we review some history of Romania, including the Dacians and the Thracians.

April 2015 - A Unified Priority Emerges

Recap

In recent months, I have focused on several astrological themes.

Saturn entered Sagittarius, promising to bring more thoughtful and constructive approaches to the many issues confronting others. <<http://on.fb.me/1K34CMS>> 12/05/15

Neptune, Chiron and Nessus in Pisces will leave many dealing with intense, even crisis level emotional releases. For at least a year, now (dating back to about last June), the daunting effects of frequent astrological ups and downs were compounded by the release of long-buried anxiety and suppressed emotional trauma. The ego's defenses were coming undone. This grouping in Pisces appears to be one more astrological cause, or indicator, of this kind of spiritual and psychological phenomenon. <<http://on.fb.me/1D0oaMF>> 12/31/14

A planetary grouping on the cusp of the 7th house in the Saturn Sagittarius ingress promises a transformation of relationships - personal, social and professional. <<http://on.fb.me/1z4uP4N>> 02/02/15

A new emphasis on the asteroids in the Saturn/Sagittarius ingress chart promises a dramatic refinement in the ideas and values active in the mass mind. This will almost certainly be a fertile source of controversy and conflict. <<http://on.fb.me/1LoemRr>> 02/20/15

Now

A spectacular series of astrological events around the time of the vernal equinox in mid-March, marked the end of a prolonged period of especially difficult astrological conditions. The lingering effects of those difficult conditions are being compounded by ever more psychological and spiritual crises triggered by the newly emerging energies. <<http://on.fb.me/18PSMXx>> 02/28/15

In combination, recent astrological conditions have required us to cultivate greater inner resources as we overcame social, economic and political turmoil and move toward a more positive future.

The underlying challenge during all the trials and turmoil was twofold: Don't let expectations based on past negatives determine your understanding of the present or your expectations for the future. And don't let ongoing trials and inner turmoil undermine your relationship with your higher self or your efforts to strengthen that relationship.

April 2015

My take on April is based on a composite chart combining info for the New and Full Moons of April. I always use Greenwich, UK for the birth place because it is where days begin in the modern world. This practice has yielded compelling results for a number of years.

Two T-Squares are prominent in April's composite chart.

In T-Square #1, a Pluto/Moon opposition forms the base of a T-Square capped by a

Sun/Mercury/Uranus conjunction. Mars is nearby.

By one means or another, T-Square #1 will rid us of those patterns that lock us into narrow, fearful, self-protective and self-limiting lifestyles.

The Moon/Pluto influence will dramatically intensify feelings associated with these patterns and strengthen the force with which they come to the surface. The Sun's involvement ensures that the resulting confrontations will bring these difficult psychological issues to the surface.

Uranus will make the confrontations and crises that result more intense - more electric - and hard to predict or easily control. Mercury's involvement will ensure that thoughts and feelings become a matter of public discussion.

Mars will add greater intensity and an added note of self-assertion.

Ending Personal Disempowerment and Deprivation

In the composite chart for April, the angles of this T-Square are in the 4th, 8th and 10th houses, all houses connected to the phenomenon of societal power.

Consciously or not, willingly or not, we will very soon have to put newly learned lessons about ourselves and the world into practice.

We will see with increasing clarity that negative and self-limiting patterns not only disempower us, but they also deprive us of vital resources, material and otherwise. We will be increasingly determined to reclaim our power and the resources we surrendered by adopting those patterns.

All of the above will inevitably result in turmoil, both in our personal lives and in the world generally. However, we want to keep in mind that the Jupiter/Sagittarius/Uranus trine in fire signs will strongly support our efforts to find alternatives. The Saturn/Neptune square will deflect confrontation and keep us from adopting simple but deeply flawed solutions.

The Campaign for More Genuine Connections

In T-Square #2, a Venus/Saturn opposition forms the base of a T-Square capped by a Neptune/Vesta conjunction.

The astrological conditions of recent months have awakened a desire for more genuine connections with other people. Achieving such connections will become a guiding, driving principle in our lives. The Saturn/Venus/Neptune T-Square in April's composite chart will ultimately help us achieve such connections.

At first, though, this T-Square will impress upon us see the difficulty of achieving such connections and the flaws in our current relationship strategies. This will happen even as Vesta strengthens our readiness to sacrifice to achieve more authentic connections.

Accordingly, our desire for such connections and our understanding of the difficulty of achieving them will keep pace with each other. Inevitably, our efforts to create more authentic ties with others will accelerate.

The relationship issue is the core of a much larger, broader set of issues. Neptune will continually blur and tweak our expectations for the future across a broad range of issues. We will be drawn further and further beyond the expectations we start with, however visionary they seem at the time.

The angles of T-Square #2 are in the 3rd, 6th and 9th houses.

Given the house placements of T-Square #2, the T-Square will most likely work at the community and international levels (3rd and 9th houses) to bring about better terms of employment and just rewards for laborers (6th houses).

Taking everything into account, we will begin to understand the vital connection between the quality of our spiritual and emotional lives and the terms of our employment. We will want to harmonize our efforts at spiritual growth, our quest for authentic personal bonds and a more rewarding work life. All of this will likely emerge as a new global priority.

Prevailing astrological conditions will forge our spiritual and worldly aspirations into a single, synergistic drive for inner and outer reform - for spiritual, psychological, social, economic and political reform. And that will doubtless be yet fertile source of turmoil.

Summarizing

Both the inner and outer turmoil will continue. However, in the difficult cycle that just ended, social, economic and political crises arose from the misjudgment and misdeeds of political and financial leaders and the passivity and inattention of the public. But this new turmoil will come from a passionate, deeply rooted desire to reform ourselves and the world we live in. This desire will also arise from deep within us.
