Program:

www.CampAttaway.org

Camp Attaway is a three-week summer day camp program for children with emotional and behavioral disorders. Held in Howard County, Maryland, the Camp offers a variety of activities designed to ensure a safe, therapeutic, and most importantly, a fun-filled days for children, as well as a weekly support and education group for their parents. Activities include: swimming, sports-lite, cooperative games, rock climbing, arts & crafts, nature and drama. Camp Attaway creates a safe environment with a 2:1 ratio of campers to staff at all times.

Sue Ann Shafley, Camp Attaway's first Executive Director, has a background in nonprofit management, special education, law, and commercial real estate. Ms. Shafley is exceptionally well-suited to lead Camp Attaway in this time of growth in our organization. Ms. Shafley, a Howard County resident, recognizes the need for Camp Attaway's resources to be more available to more children and their families as well as to the professional community. She will focus her efforts on expanding programming and procuring a permanent site for the Camp.
