This mediagraphy features suggested  
titles for church libraries. The titles are  
alphabetized by authors' last names.  
Mediagraphies are presented as an aide  
to librarians. All titles should be  
evaluated against your church's selection  
policy to determine if it is appropriate for  
your individual collection. Some titles  
may be classified differently to suit the  
needs and placement in individual  
libraries.

Most titles may be purchased via  
LifeWay Christian Stores.
