

For Homeowners and Professionals

ECO HOUSE WEEKEND IS FOR:

- Homeowners wanting to install measures in their own homes
- Architects
- Builders
- Surveyors

WHAT'S ON OFFER:

- 15 eco-renovated period houses on view – including one work in progress
- The opportunity to discuss materials, technologies and designs with the house owners and in some cases architects and builders; information sheets will also be provided.

LIMITED PLACES—advance booking only! ▶

Eco House Weekend

is organised by **VICTERI**

The **VICTORIAN TERRACE ENERGY REDUCTION INITIATIVE**, a team of 3 consultants specialising in energy advice and eco-renovation for Victorian properties, is a company limited by guarantee and social enterprise.

Visit our website: www.victeri.co.uk to find out more.

Eco House Weekend 2011

DETAILS

OPENING TIMES

- Most of the houses are open: **AM: 10-1pm and / or PM: 2-5pm** (see map and details overleaf).
- **Tours are hourly, on the hour.** For full details about the houses, opening hours and how to get there, visit our website at: www.victeri.co.uk

HOW TO BOOK

- A weekend pass to view all the houses costs **£10** for homeowners / **£20** for professionals and must be purchased online, in advance, at our website above.

▶ **NOTE: Passes cannot be bought at the houses.**

INVITATION

Eco House Weekend 2011

An opportunity to visit eco-renovated houses in North London

ON THE WEEKEND of 11th-12th June, 15 Victorian and Edwardian houses will be opening their doors to the public, building on the success of Eco-House Weekend 2010.

Situated in the neighbouring boroughs of Camden, Islington, Haringey and Hack-

ney, they exemplify the best in recent eco-renovation practice and techniques.

Owners will share their experiences and offer guidance and advice on how you too can join the movement to cut carbon emissions in your home by 60% and more.

Find out about the simple steps you can take to make an impact on even the oldest of properties. We invite you to come along – and be inspired!
