1. MATTHEW PATTON #98636, ref number QH, b. 1600 in Rosehall, Kilmarnock, Scotland, d. 1666 in Glasgow, Scotland. The Patton surname is a derivative of the Scottish Clan sept surname "MacPhaiden", meaning "little Pat" or "son of Padraig" in Gaelic. The clan is thought to have come from the Isle of Mull. The Clan name was first recorded in Kintyre in 1304 as the original landowners of the lands of Lochbuie.

Matthew Patton was beheaded by Mary Queen of Scots with eight others for being Presbyterians & Covenanter in Glasgow Square in 1666. Thereafter it is believed that the family migrated to Ireland and later to the Colonies as did many Pattons in the 1700's.

She married DAVID SMITH REA #106, 24 Jul 1827 in Madison, Jefferson, IN, b. 11 Mar 1802 in New Providence Twp, Mecklenburg, NC (son of JOHN FARMER REA #108 and MARY JANE SMITH #67697), d. 16 Aug 1851 in Shelby Twp, Ripley, IN, occupation Farmer, ref number Q, buried in Holton, Ripley, IN (New Marion Cemetery). DAVID: He was killed accidently when shot by Mr. William Stafford while on a turkey shoot. An account of the shooting was published in the Madison Daily Tribune of Aug 1861, p.64.

DREADFUL CASUALTY.--on the morning of the 8th inst., a man by the name of William Stafford accidentally shot Mr. David Rea, in Shelby township, Ripley county. The circumstances are these: Mr. Rea, the day previous, had been into the woods and killed three wild turkeys. When he went home he related his good success to Mr S., and told him the vicinity in which he killed them. The next morning about daylight they both repaired to the place—neither knowing the design of the other. Mr. Rea got upon the ground first, concealed himself by the side of a log, and commenced squalling, in imitation of the turkey, by blowing through his fingers, or an instrument made for that purpose. Mr. S. being a short distance off, heard him, and looking in the direction of the noise, saw Mr. Rea's head rising above a Log. Supposing it to be turkey, he took deliberate aim and shot him in the head - the ball entered the occipital region and lodging in the frontal, produced instant death. Mr. Rea was a most excellent citizen; loved and respected by all who knew him, and has left a wife and large family of children to lament his untimely end.—Aurora Standard.

151. WILLIAM PATTON REA #522225, b. 18 Jul 1874 in Centralia, Marion-Clinton, IL, d. 26 Jun 1936 in ___, San Juan, NM. All my dad LeRoy Self can remember is that his mother Florence Self Said that Will married a Mail order bride from back East. She could not take it here and left not to long after being here. They did have a daughter named Willa who lived out in California. Uncle Will had the land on Middle Mesa New Mexico in a place we call Grassy Canyon or I believe that was his home stead. His family still owns a small portion of it still. The grandsons came out here to build a house but left and we have not heard from them since.

There is something wrong with the dates on this family.. If William was born on 18 Jul 1874, it conflicts with his father's death date of 8 Oct 1868. I suspect that this person might well have been a grandchild. He married CLARA CARSON #522226, b. ABT 1862 in OH.

153. JOSEPH NELSON REA #54784, b. 28 Nov 1844 in ___, Ripley, IN, d. 6 Jun 1916 in Ukiah, Mendocino, CA. Born in Ripley county. Ind., November 28, 1844, educated in the public 'Schools of that county and trained to self-support from early years, Air. Rea enlisted in the Union army at the age of twenty years and was assigned to the One Hundred and Thirty-sixth Illinois Infantry, but later was transferred to the One Hundred and Fifty-second Regiment, assigned to the army of the Cumberland in Tennessee. From the ranks he rose to be second lieutenant and served as such until he was mustered out of the army in September, 1865. The next few years were spent at the old home, at Flora, Ill., but in October of 1869 he came to California, settling at Ukiah, Mendocino county, where he secured a position as clerk in a store. Later he was connected with a mercantile business at Potter Valley, this county, from which he removed to the Round valley, where he became engaged in sheep-raising, and in addition he also carried on a general store. From 1891 to 1895 he was supervisor from the third district. Upon being elected treasurer of Mendocino county in 1897 he removed to the county-seat and there continued in office for eight years. Since 1907 he has been cashier of the Mendocino Bank of Commerce and has made Mendocino his home. While living in Illinois he married in 1868 Miss Mary J. Eddy, a native of that state. The three children of the union reside in Ukiah, namely: Mrs. Alice Handy, Dr. S. L. Rea and Dr. Frank E. Rea. In fraternal connections he is identified with Covelo Lodge No. 231. F. & A. M.    ii. EMILY HARPER REA #522356, b. 25 Oct 1911, d. 14 Apr 1945 in Isle of Man. Emily Harper Rea was born in Madison, Indiana on 25 October 1911, and educated at Madison High School, and Hanover College, Hanover, Indiana. There are traces of her still in the school year books of the period. Her first job was in a bank, but she went on to become the PA to two state governors in turn. She joined the American Red Cross as a Staff Assistant in January 1943, and worked in the USAAF Officers’ Club in Bedford as a Senior Staff Assistant in 1944. She got a posting to Paris, where she was Programme Director at the American Red Cross Grand Central Club in Paris from late 1944 through to 1945. I might have misplaced her in the Bedford club in September and October of 1944; who knows, perhaps she was revisiting old haunts? Unmarried at 33 - a little unusual in the 1940s - she seems to have made an immediate positive impact on all who met her. as "mother, kid sister and girlfriend" all rolled into one, and "one of the very best".

   She was killed as a passenger on Combined Operations, a B 17 that crashed on the Isle of Man on 14 April 1945 in thick weather, just 19 days before the end of the war in Europe. The war weary but serviceable bomber was on a flight between Thurleigh and Langford Lodge in Ireland. Langford Lodge was a recognized R & R destination for the US forces, and it is probable that most of the five crew and six passengers were on the flight for a few days escape from the war. The reason for Emily’s presence on the flight is maybe a little less certain: two other theories have been put to me but neither has been easily verifiable. The least plausible makes the best story. Emily left Paris on leave a few days before the announcement of the death of
President Roosevelt. She spent a few days in London with friends, before moving up to Bedford and Thurleigh to be among the folk she knew best. A story goes that she was on the flight to Langford Lodge to catch an onward transAtlantic connection to Washington for a memorial service to the dead president; one of the few Americans brought home from Europe for it, because of her acquaintanceship with the President from her days as PA to politicians.

Several of the dead from Combined Operations were buried at Madingley, and moving contemporary photographs show hundreds of distressed service and civilian mourners, most of whom were there for Emily: her coffin is a small mountain of flowers. Among the personal letters of condolence received by Emily’s parents was one from one Mrs Michael Bowes-Lyons, an aunt of the present Queen. The written and oral memoirs of those servicemen who met her are shot through with affection: it is almost as if it was impossible for someone to know her, and not fall a little in love with her.

   During language school in Brazil he met Marie J. Peterson, a missionary nurse. He served as a teacher and dean at the Northeastern Baptist Theological Seminary, helping also to plant several churches in remote villages of the area, helping also to plant several churches in remote villages of the area.

   In 1975, with the vision of being able to train even more Christian leaders, the seminary relocated to Brasilia, the new Federal Capital. Larry embraced the change with great enthusiasm. In fact, he so loved his life's mission that he remained in Brazil after retirement until 2006, when he and Marie moved to El Centro, California to be near their son, Sam. There he enjoyed having more time to write and to be a Grandpa. Ever the missionary, he saw every errand into town as an opportunity to leave his written testimony with someone he had met that day. Larry's life was marked by his love for sharing his passion for God and His Word.    August Avenue, California Highway Patrol spokesman Shane Ferriera said. Ferriera said the man was riding 
   southbound on Sycamore when he steered his motorcycle into the opposing lane of traffic and then skidded 
   before he was thrown from the bike. He was wearing a helmet but died at the scene, Ferriera said. A 2003
