## Israel Business Forum

April 27 - May 1, 2015

Over **100** Israeli Messianic and Arab-Christian entrepreneurs will be gathered at the Israel Business Forum in Jerusalem in 3 weeks. They will come excited to make connections, and to showcase their companies and products. We very much hope that **YOU** will be there to meet them.

We realize that coming to Israel is a big investment of time and resources. However, there is no more effective way to truly connect with the local Body of Messiah than to come in person.

So, if you want to help build God's Kingdom in Israel in practical ways, then this is THE event for you!

Here is what you will experience at the Forum:
