

Financial Fear Flush™

Financial Fear Flush™ is an energy function that specifically targets any fears you have about your financial well being and having all you need.

Financial Fear Flush™ is great to activate with intention whenever you notice a worry, concern or fear about money pass through your mind.

It is important to flush away the fears that cause money to drain away. When you fear that you don't have enough money, even the money you have seems to disappear before it has done all that it needed to for you.

Once your fears about money and your financial situation have been flushed away your confidence about your financial matters will build and be secure.

Fear can sabotage your good manifesting efforts and clog up your pathways of abundance from Source to you. There is useful fear and unhealthy fear.

Sometimes you can feel fear about money rise up if you are about to spend more than you can afford. That kind of fear is natural and useful because it warns you not to over - spend.

If there has been an unavoidable expenditure, and you feel fear about whether you will have enough money, you can flush that fear away.

Some fears are un-realistic and would not come true anyway. Even so, many people feel haunted by fears about not having enough money to meet their needs and the needs of their family.

Fear in a good way gives an alert so that you can notice something that you can indeed take action upon, to keep your money or your family safe.

Useful Financial Fear can be felt and give good warning. Examples of this:

You may notice that a person is not the right person to go into business with.

You may stop yourself from spending more at the grocery store than you have allocated for food this week.

You feel fear when you are about to bet on a race or a game, money that you really can not afford to lose.

You may feel fear about an upcoming medical expense and realize that you cannot afford to eat in a restaurant this week.

You may feel fear about your finances and then notice that you had planned to buy a higher priced piece of furniture than you can afford.

Useful financial fear is just a warning system to direct your attention to something that is out of balance and gives you the opportunity to re-balance.

Usually you would simply need to avoid an action (do not buy something) or take action (time to pay that over due bill so the electricity stays on) or you may need to amend a previous agreement (tell your wife you can't buy___).

As you can see by the examples set forth on the previous page, useful fear tells you that you need to notice something and either stop a planned action or take action.

Financial Fear Flush™ is designed to flush away the fears that are not useful. Those fears that you can't do anything about are not useful. Those type of fears simply wear down your adrenal glands and cause body stress.

Fears that do not positively motivate you are not useful. Often fears build up and clog the wonderful financial pipeline from Source to you and from other people to you and your loved ones. This is because the expectation we have about life and what is or is not going to happen to us, greatly influences our reality. Fears that are indulged in, by looking at them every way possible can grow worse. Fears that are ignored can still adversely influence your reality.

Financial Fear Flush™ is an easy way to release fears which have no use. Sometimes a fear has served its purpose and yet lingers, that kind of fear will indeed flush away with the use of this energy system. Fears about lack of money or unwise use of money residing in your subconscious mind can also be flushed away with this energy function. You can hold the thought of wanting this Financial Fear Flush to activate for your subconscious mind.

Financial Confidence Builder™ is an energy function that the one attunement to this energy system also gives you the right to activate.

You may find many benefits to activating this Financial Fear Flush and the Financial Confidence Builder on a regular basis:

Less anxiety

Less preoccupation with negative scenarios mentally

Less depression

An attunement or empowerment is a dose of energy frequencies that ‘match’ the energy of this energy system.

Once you have received that dose of energy, your body and spirit will recognize that energy and easily access the energy stream from Eternal Sacred Source that IS the energy stream of this particular energy system.

Attunements can be sent long distance by means of an energy sphere, often called a chi-ball and it is kept safe by your Angels and guides of Eternal Light. It is released to you when you ‘call it in’, like a prayer to receive it.

Please spend a few minutes to invite the attunement your teacher sent you of *Financial Fear Flush™*, to release fully unto you. Simply say, out loud or in your mind: **“I ask to fully receive my Financial Fear Flush attunement as sent out by my teacher and made perfect by Eternal Sacred Source, NOW!”** Think of a ball of light and energy above your head that opens up and streams down into the top of your head.

Your attunement will easily arrive to you because Eternal Source is not limited by space or time. Financial Fear Flush™ energy flows to your body and energy fields, flushing away all the fears that do not serve your highest joyful financial good.

Financial Confidence Builder™ is an energy function that secures your way of thinking to foster confidence for your financial well being.

See how the previously sideways circle is now upright and securely holding the images of the growing financial resources? Now that the fear has been flushed away there is a solid foundation free of wobbly insecure energies.

The spin of this circle creates a dynamic tension, a torque that sends your desires for financial prosperity out to the universe. Now your intentions go out strongly and you can easily receive the in pouring of financial gain.

Financial Confidence Builder™ is an important energy function to use after you've allowed the fear to drop or be flushed away. This is because sometimes it can be difficult to see how you can do anything to make your current financial situation any better. Maybe the very best thing you can do is to "go into spirit". By this I am referring to consciously sending out your intentions of "this or something better" that you want Eternal Sacred Source to provide for you. You will need to be aware of the opportunities that may arrive unto you that may not immediately look like an opportunity.

Any energy system that you know that helps you to immerse in the energy of prosperity is good to activate. Any energy system that helps you to feel better about yourself is good to activate. Some people do not feel like they really deserve to have all their needs met. This type of thinking limits the amount of money and opportunities that Source can bring to them.

Any energy system that causes you to appreciate a Divine Being or nature is wonderful to activate. The energy of appreciation causes good things to arrive to us ~ even if we are appreciating someone or something that seems to have no link to bringing us money! The very act of being open and emanating a positive energy flow to some living being puts you in the proper energy positioning to receive good support into your life in many forms.

The confidence that is built for you when you activate this energy function is a real and beneficial confidence. It is not a cheery, "all is well" when it is not all well type of boosting.

This energy helps you to notice what is going right already. It causes you to be realistic with the use of your money. You begin notice where you need to stop and not doing anything and where action can be beneficial. You will notice where you need to slow down and rest more. You will notice where an opportunity presents itself that you can enter into and make real for you.

Say, out loud or in your mind: ***"Financial Confidence Builder, Activate!"***

For those of you who can feel subtle energies, this energy has presented to me as a strong sure flow upwards from the feet to strengthen me. If you don't feel subtle energies, no worries, the energy flow will be strong and effective for you whether you feel it or not. You can always pray and send out to spirit your requests and thanks for what you already have. This interplay of energies between you and Source brings miracles of all kinds.

This is a self use energy system. Please only activate this energy system for another person if they have asked for you to activate it for them. This is a type of energy system that changes people's reality!

When you ask for a fear to be released, or flushed away, you will feel different. Your mind may notice the absence of that fear.

If you've asked for it to be released, this will be a relief, if not it could be felt as a trick. No one likes their reality to be changed without their permission!

If you are a Reiki or Seichim Master Teacher, you can confidently send a Financial Fear Flush™ attunement.

Advise your student on the best way to receive the attunement you have sent out. Financial Fear Flush™ manual must be included fully intact with no changes when its attunement is provided.

Please ask your energy team, your helping healing guardians in the Light of Eternal Sacred Source, to bring you a Sphere of Light.

It doesn't matter if you can see it or not. It doesn't matter if you can perceive it or not. Trust that the Sphere of Light is there and ready to hold a dose of the energy frequency of Financial Fear Flush™ and Financial Confidence Builder™.

Activate and pray, asking for all of your helping healing ones in the Light of Eternal Sacred Source to send the Curtains of Aurora™ attunement for (name of student) into the Sphere of Eternal Light. Ask that it be sealed and carried to (name of student).

Ask that it be securely protected by that person's guardians in the Light of Eternal Sacred Source until the person 'calls in' their Financial Fear Flush™ attunement. Intend that their attunements release perfectly to them at that time. And so it is complete!

Now notify your student that their empowerment is ready to be 'called in' and tell them to relax and spend a few minutes receiving their Financial Fear Flush energies!

Financial Fear Flush™ is an original energy system channeled by Rev. Mariah Windsong Couture, RGMT and is unlike any other or any system that may arrive in the future by anyone.
