

The City of Boca Raton Beautification Committee

is sponsoring

PROJECT SHADE TREES

to commemorate

National Arbor Day

Friday - April 29, 2016

City of Boca Raton homeowners may buy a
Japanese Fern Tree or a Queen's Crape Myrtle

Japanese Fern Tree - *Filicium decipiens*

Semi-deciduous, round crown shade tree
Slow-moderate grower, plant partial or full sun
Well drained soils, salt and drought tolerant
Grows up to 30 feet tall, 30 foot spread

Queen's Crape Myrtle - *Lagerstroemia speciosa*

Semi-deciduous, dark green, oblong leathery leaves
Large 3 inch pink to lavender blooms in dense foot-long terminal panicles, smooth mottled-peeling bark
Moderate grower, plant in full sun
All soil types, moderate salt and drought tolerant
Grows up to 30 feet tall, 30 foot spread
